RULING AND DECISION NO. 1

July 14, 2016

As Grand Master, I have been asked if the use of “E” cigarettes during a meeting while in the Lodge Room was permitted.

Regulation 25.24 states: Smoking in a Lodge Room is prohibited while Great Lights are open on the Altar.

Therefore, as Grand Master of The Grand Lodge of Florida, it is my Ruling and Decision to follow the “Clean Air Act” that any tobacco products, including “E” cigarettes or any other vapor device that emits any substance into the air, are prohibited to be used in the Lodge Room.

Please govern yourselves accordingly.

Respectfully submitted:

Stanley L. Hudson
Grand Master
