

Beach Clean-up Day Three Rooker Island

**Sat, July 10th
9 am - 11 am**

Help protect one of our most valuable bird nesting colonies in Pinellas County and home of thousands of ibis, egrets, blue heron, royal terns, oystercatchers, black skimmers, and other birds native to Florida.

Three Rooker Island is a popular boating and beach front for thousands of residents yearlong. Trash and plastic refuse is often left behind which can harm our delicate ecological environment.

Sponsored by Tarpon Masonic Lodge No. 112, F. & A.M.
of 28 N. Ring Ave, Tarpon Springs, adult volunteers
are welcome and will be shuttled to and from the
Sunset Beach boat launch in Tarpon Springs.
