KEYNOTE SPEECH

ILLUSTRIOUS WILLIAM G. SIZEMORE, II, 33°: Thank you! Most Worshipful Grand Master Foster, Most Worshipful Grand Masters, Elected and Appointed Grand Lodge Officers, Elected and Appointed Lodge Officers, Heads of the Allied Bodies, and Brethren All! And a special thank you to our Veterans on this special day. Good Morning. Thank you for the tremendous honor of being here today at the start of your 193rd Grand Lodge Session. Grand Master, congratulations on a most successful year and congratulations to the Officers elect, "Welcome Aboard" as we say in the Navy. I offer my personal best wishes for the upcoming year. Being here and seeing all of you reminds me how incredibly fortunate I am to be a member of this great Fraternity.

When Most Worshipful and Illustrious Brother Hoover, Past Grand Master, asked me to speak at this Grand Lodge Session, I asked him why in the world would he want to do that and what in the world could I talk about that might be of interest to this august group? His reply was to talk about Memorial Day, which we all know is today, and what it means to me - and I am honored to do so. I'm also going to follow the adage my dad taught me a long time ago and that is: there's no such thing a bad short speech.

Speaking of my dad (pointing to the screen), there he was in his A-1 Skyraider during the first of his two war deployments. Dad and I were talking and he told me that he was the Keynote Speaker here at the 1979 Florida Grand Lodge Session which was held in Miami and I am curious if anyone was in attendance back then.

I'm going to start with a brief history of Memorial Day. Memorial Day is observed on the last Monday of May to honor the men and women who died while serving in the U.S. Military. Originally known as Decoration Day, it originated following the Civil War which claimed more lives than any conflict in our nation's history and required the establishment of national cemeteries. In 1868 General John Logan, who was also a Mason, called for a day of remembrance and May 30th was chosen because it wasn't the anniversary of any particular battle and therefore could be a day of remembrance and healing for the entire country. Decoration Day began with citizens decorating the graves of those who died in the Civil War. It was officially recognized in every state and gradually came to be known as Memorial Day to honor all American Military Personnel who died in all wars. In 1971 Congress passed the Uniform Monday Holiday Act, establishing Memorial Day as a National Holiday to be observed on last Monday each May and so here we are.

So what does Memorial Day mean to me? Well, Most Worshipful and Illustrious Brother Hoover didn't know this, but Memorial Day is a very important day to me and it took on this special significance long before I joined the Navy in 1976.

I grew up in a military community during the first three years of the Vietnam War. When I was 7, my next-door neighbor and best friend's dad was killed in a plane crash while he was training for war. He was a very nice man, maybe 35 years old, one day he was there, the next day he was not, and my best friend's life was changed drastically, and he and his mom moved away a short time later. I watched several other friends that I went to school, or Sunday school with, go through the same thing over the next 3 years.

Then when I was 11 my Dad's brother and my uncle, Major James Sizemore, United States Air Force, was shot down and killed in Vietnam. Here are a few pictures of Uncle Jim. My uncle and my family had been very close and I greatly looked up to my uncle. He was a man of character and integrity. He was humble, funny, and a great dad who my cousin adored. He was also a Mason. He was 38 years old with half a lifetime ahead of him and one day he was there and the next day he was gone forever. My aunt and cousins' lives were shattered and in some ways they have never recovered.

The way we found out about Uncle Jim is a memory I will never forget. My dad was away on an extended deployment; he was the Air Wing Commander on the then brand new USS John F. Kennedy. It was a hot and sunny Saturday afternoon around 5 p.m. I was watching TV with my brother in the family room and my mom was making dinner in the kitchen when a black sedan drove up to the front of the house and two men in uniform got out. I had seen that before and was pretty sure I knew what that meant. My mom came over to see what I was looking at and calmly said "your father has been killed - take your brother up to your room - I'll tell you when you can come down." I did as I was told and sat on the edge of my bed while my brother played with my models. I didn't know what to think or say and I tried to make some sense out of what was going on. Not much time passed before my mother came up and told me that it was Uncle Jim who had been shot down and not my dad. He was missing in action at that time so there was hope that day. That was 54 years ago and it is still crystal clear in my mind. Uncle Jim's status was changed to killed in action a few weeks later but it wasn't until September 2013 that he and his navigator, Major Howard Andre, came home and were laid to rest in Arlington National Cemetery.

Memorial Day took on a special significance after that with me, much more so than Veteran's Day, or even the Fourth of July which had previously been my favorite holiday. Memorial Day was no longer the long weekend just before school got out for summer when the community pool opened. For me it became a day to remember and reflect on my Uncle Jim and all the other heroes I knew and had known about. Heroes who risked everything for their country and ended up making the ultimate sacrifice so I could live in freedom in the greatest country the world has ever known, the land of the free and the home of the brave. Memorial Day also became a day to re-connect with my cousins and thank them for their sacrifice. The loss of their dad at an early age so I could enjoy the many blessings that come from living in this country.

This experience also taught me at an early age that freedom isn't free, long before it became a popular phase. It was also the catalyst that set me on the path to a lifetime of service to my nation and community wherever I lived.

After I joined the Navy and through the years, Memorial Day has also become a day for me to remember and reflect on my friends and former colleagues; brave, patriotic men and women who risked everything for their country and ended up making the ultimate sacrifice and in the prime of their lives, so my family and I could live in freedom. I also remember and reflect on their families who were forever changed by their sacrifice. Here are pictures of some those brave heroes. I would read their names and talk about their service and lives but I don't think I could do it and keep my composure. I don't know about you but the older I get the harder that is for me.

Our country's beginning and its continued existence for the past 247 years, this great experiment, was made possible by men and women who risked everything for their country and end up making the ultimate sacrifice so their fellow Americans can enjoy the right to freely pursue and achieve their dreams up to the limits of their God given talents. We owe everything we have to these heroes and Memorial Day is the official day out of the year to honor and remember them. It is also a day to remember and honor the devastated and forever changed families, those heroes left behind: heartbroken parents, grandparents, spouses, brothers, sisters, friends and children who also serviced and sacrificed for our freedom.

While not the official intent of Memorial Day I also think is it is a day to remember and honor our brave and selfless first responders who risked everything for their community and ended up making the ultimate sacrifice so others were protected and could live their lives in safety and with security.

I'm guessing each of you know someone, or have a friend or relative who knows someone, or of someone, who risked everything for their country or community and ended up making the ultimate sacrifice. Memorial Day is the day for you to remember and honor them and their service and sacrifice as well as the nameless others who, since 1775, risked everything for their country and ended up making the ultimate sacrifice so our country could endure and thrive.

So that's what Memorial Day means to me. It's much, much more than just a long weekend or a day off and I greatly appreciate the opportunity to share my thoughts about it with you. Grand Master, thank you again for the great honor of being with you this morning. You have my best wishes for a highly successful Grand Lodge and may God bless each and every one of you, this Grand Lodge of Florida, and our great nation, the United States of America.

M∴W∴ JEFFREY S. FOSTER, GRAND MASTER: My Brothers,

I am very honored to preside over the 193rd Annual Grand Communication as Grand Master because it will be recorded in our Proceedings as being one of great historical significance. For 151 years two Masonic Fraternities have existed here in the great State of Florida without any communication. In 2018, that changed when Most Worshipful John E. Karroum entered into an agreement with the Most Worshipful Union Grand Lodge of Florida, PHA, to allow for visitation on a Grand Lodge level.

Unfortunately, due to schedule conflicts and the pandemic, visitation didn't happen until this year when we were invited to attend their Grand Lodge Session, and now this morning they are here with us. It gives me great pleasure to be able to greet you and your other members of The Most Worshipful Union Grand Lodge of Florida, PHA, as Brothers.

Most Worshipful Jeffery G. Jones, you honored me at your Grand Session by making me an Honorary Past Grand Master and now I have the Honor of making you an Honorary Member of our Grand Lodge.

The Grand Master requested that the Grand Secretary write letters to those Past Grand Masters not in attendance:

M∴W∴ L. Evans Crary	1972
M∴W∴ Joseph C. Fowler	1993
M∴W∴ Michael A. Padron, Jr.	1996

REPORT OF THE GRAND SECRETARY 2021-2022

M∴W∴ Richard E. Lynn, P.G.M., Grand Secretary, moved that the Report of the Grand Secretary and the Financial Report of the Grand Secretary as printed and distributed to each member of this Grand Lodge, be not read at this time but received and referred to the appropriate committee. Motion carried.

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

It is indeed a great pleasure to submit to the 193rd Annual Grand Communication the Report of the Grand Secretary in conforming with the requirements of the Constitution of The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida. It is rewarding, enjoyable, and a distinct privilege to serve the Members, Lodges, Officers, and Sojourning Masons within this Grand Jurisdiction.

GRAND LODGE OFFICE

The Office of the Grand Secretary handles matters both Fraternal and Corporate in nature. The Administrative Staff and I are committed to assist the Lodges and members providing the required materials and information necessary for the continued administration of the Particular Lodges. We held Secretary Treasurer Seminars to assist the Secretaries and Treasurers with the knowledge and materials needed to perform their respective duties. The seminars were attended in person and on Zoom. The learning experience was shared by presenters and attendees. One of the many programs presented was the Amity Program that enables Brothers to search Lodges and confirm they are recognized by our Grand Lodge. This program will also confirm the Brother's membership is in good standing.

The Museum and History Committee does an amazing job in maintaining the displays in our newly remodeled Museum. This Committee also digitizes Lodge Minutes at no cost to the Lodge. If you would like to have your old Minutes scanned and returned together with a DVD copy, the committee will be honored to assist you. We owe a great amount of gratitude to R∴W∴ Howard C. Chase, III, and his lovely wife Betty for the hundreds of hours spent bringing our Library up to date and the scanning of records so we will have digital records for the future.

LODGE OFFICERS

The staff at the Grand Lodge Office wishes to extend their gratitude to the Officers of the Lodges, especially the Secretaries and Treasurers. The Secretaries and Treasurers are dedicated and perform the day to day duties of the Lodge administration. Often not thanked in public, they deserve the admiration of the Brothers and other Officers of the Lodge. The Lodge Secretaries and Treasurers are the backbone of the Fraternity and the Grand Lodge Office could not perform the required duties without their assistance.

COURTESY SERVICES

Presentations of Masonic Service Awards, performing Courtesy Degree Work, conducting Masonic Funerals, Courtesy Investigations, completing Masonic Home Applications, and other requests to assist the Sojourning Brothers are just a few examples of the courtesy services our Lodges provide. Yes, it is part of our obligation; however, the Lodges in Florida that continue to handle these requests with Brotherly Love and Affection are to be commended. In order to save time and cost of handling, we have requested several of the Grand Lodges to request the name and address of the Lodge near the Sojourning Brother so they may send the presentation directly to the closest Lodge. This eliminates double handling. **We do require all communications with other Grand Lodges to be directed through the respective Grand Secretaries Offices.**

MEMBERSHIP AND REVENUE

We continue to have major concerns in loss of membership and revenue. Membership loss has a major impact on the Fraternity and continues to contribute to the closure of Lodges. Our membership in 1981 was 83,158; and decreased to 71,630 in 1991; and 53,381 in 2004. The total loss for 2021 was 1,484 leaving us with a total membership of 30,339. It is not losses to the Grim Reaper; it is losses due to non-payment of dues that

contributes to the increases in losses. In addition, with many members already obtaining 50 year exempt membership status, and some rapidly approaching, this also reduces the revenue to the Lodges and Grand Lodge. The recent increase of Grand Lodge Per Capita is relieving some of the burden; however, it is only covering the yearly losses.

GRAND LODGE PROCEEDINGS

The Proceedings of the 192nd Annual Grand Communication of The Grand Lodge of Florida were distributed to Elected and Appointed Grand Lodge Officers and Past Grand Masters after editing and approval of the Grand Master as required by Regulation. Proceedings on jump drives were distributed to the Particular Lodges, District Deputy Grand Masters, and the U.S. Foreign Jurisdictions in an effort to cut costs.

STATEMENT OF DUES

All Particular Lodges were notified in August 2021 that required printed forms, "Statement for Dues," for the ensuing year, as required by Regulation 20.06, which were made available from the Grand Secretary's Office for mailing to their members during the period of October 15 to December 1, 2021. The Grand Lodge Office offered the service of printing the Dues Notices and Dues Cards for the Particular Lodges as usual. This year all of the Lodges participated in this offer except for two Lodges, one of which was a Spanish Speaking Lodge.

QUARTERLY RETURNS AND ANNUAL SUMMARY OF "LET YOUR PENNIES MAKE GOOD CENTS PROGRAM"

The required Quarterly Report Forms were mailed to the Particular Lodges in accordance with Regulation 22.07, each stipulating the end of the quarters. Additionally, though not required, the Grand Secretary's Office furnishes the Lodges with quarterly up-to-date reports of each Particular Lodge's contributions. We would like to thank the State and Zone Chairmen for their assistance and follow up with the Particular Lodges. Let Your Pennies Make Good Cents funds were collected through the Circumscribe database from those members that paid their dues online and only four Lodges failed to make a contribution to the L.Y.P.M.G.C. Program for 2021.

GRAND LODGE REAL ESTATE AND PROPERTIES

In conformance with Regulation 13.13 (b), the Grand Lodge compiled a complete list of all Real Estate and other Properties owned by The Grand Lodge of Florida as of December 31, 2021. In this report, the assessed value of each item, taxes, and assessments with discounts paid is given. The report was distributed to the Corporate Board, Past Grand Masters, and Properties Committee. We wish to commend W∴ Albert O. Mazmanian, State Chairman of the Properties Committee, and the members of this committee for a job well done.

FINANCIAL STATEMENTS

Financial statements of all budgetary expenditures were prepared and forwarded to the Elective Grand Lodge Officers, Past Grand Masters, and Chairmen of all Committees, who are authorized to meet during the recess of Grand Lodge in accordance with Article XIV, Section 4, of the Constitution.

ACCOUNTING

The Accounting Department has again accomplished a monumental task this year by providing services to both the Grand Lodge and the Masonic Home of Florida. This service continues to be rendered with excellence. The many new accounts required for the fundraising programs and committees required additional accounting, mailings, and reporting.

ORDER OF THE EASTERN STAR MEMORANDUM LEDGER ACCOUNT

Detailed financial statements of receipts, credits, disbursements, and balances relative to the maintenance of residents in the Masonic Home of Florida sponsored by the Order of the Eastern Star were prepared monthly and distributed according to requirements of Regulation 14.15.

FIDELITY BOND

The five Elected Officers in all Particular and Memorial Lodges were covered by a Bond issued by Praetorian, per Regulation 22.01. The cost of this Bond was paid from the appropriate funds of the Grand Lodge.

CORPORATE FILING FEE

All Corporations in the State of Florida who are not 501(c)(3) Organizations must file an Annual Report along with the fee of $61.25. The Accounting Department filed all of the Corporate Returns for the Particular Lodges and Grand Lodge Corporations and invoiced the Lodges for the fees. This process is very time consuming; however, this procedure streamlines the process and saves fines and penalties for late filing. I wish to complement our Accounting Department for their dedication and service in completing this monumental task. The Grand Lodge Office tracks each filing to assure compliance by our corporations.

NOMINATING PROCEDURES FOR ELECTIVE GRAND LODGE OFFICERS

The required reminder was forwarded to all Particular Lodges and required Grand Lodge Officers reminding them that Nominating Petitions for Elective Grand Lodge Office must be received in the Grand Secretary's Office in conformance with Regulation 5.02. One Brother filed for the Office of Junior Grand Warden. The candidates completed a Personal Information Sheet which was distributed to all Particular Lodges.

AMENDMENTS TO THE UNIFORM CODE OF BY-LAWS OF THE PARTICULAR LODGES

During the year, 74 proposed amendments to the Uniform Code of By-Laws were received from Lodges and Clubs and Other Similar Organizations. In compliance with Regulation 24.02, they were carefully reviewed as to form, regularity of procedure, and compliance with Masonic Law, and when found in order the amendments were forwarded to the Grand Master for his consideration.

RECOGNITION OF MASONIC VETERANS

It has been an honor and a pleasure to have issued Masonic Service Certificates this year in accordance with Regulation 26.12. It should be noted that at the 187th Annual Grand Communication the Craft passed legislation that changed the manner in which the Time in Service Awards were issued. The awards are now issued to Master Masons based on the actual time they were in Good Standing as opposed to the time that lapsed since they were Raised to the Sublime Degree of Master Mason. The following certificates and the number issued are as follows:

Twenty-Five Year Certificates	588
Forty Year Certificates	428
Fifty Year Certificates	347
Fifty-Five Year Certificates	291
Sixty Year Certificates	175
Sixty-Five Year Certificates	98
Seventy Year Certificates	37
Seventy-Five Year Certificates	6

DATA PROCESSING SYSTEM

This was a very busy year for the Computer Department. Membership changes were made on a daily basis and multiple systems were updated during 2021. Changes were submitted by Lodge Secretaries via the Secretary's Portal, Circumscribe, email, phone, and snail mail via GL-705 reporting forms. Automatic services (standing orders for mailing labels, Master Mason Certificates, Time in Service Awards, and Monthly Activity Reports) continue to be mailed to the Lodges as needed.

GRAND REPRESENTATIVES APPOINTED TO OTHER GRAND JURISDICTIONS

At the request of the Grand Master, the **Grand Representatives Appointed** to other Grand Jurisdictions will be reported at a later date.

CONCLUSION

All of the employees in the Grand Lodge Office deserve our thanks. They are a dedicated staff, working diligently, and are committed to their jobs; they exemplify a high level of excellence and professionalism. Please remember in 2007 your Grand Lodge Office had 14 full time employees and today we perform with 8. You can visit the Grand Lodge webpage for a job description of the office staff at https://www.grandlodgefl.com/office-staff/ and email them directly. All of us have faced challenges in our lives created by the COVID-19 Pandemic. The staff at your Grand Lodge Office has met the challenge on every front. Adapting to the changes and alterations to normal business processes they have maintained the functions of Grand Lodge, while maintaining a high level of professionalism. I could not close without thanking the Elected Grand Lodge Officers for their dedication to the Craft and commitment to working together with a common goal with a vision for the future. The Grand Master, M.·.W.·. Jeffrey S. Foster, has not taken his responsibilities lightly. M.·.W.·. Foster fulfilled his duties and responded quickly to all communications. Again, **"THANK YOU" for allowing me to serve as your Grand Secretary.**

Respectfully submitted,

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS
THE MOST WORSHIPFUL GRAND LODGE OF
FREE AND ACCEPTED MASONS OF FLORIDA

Report of the Financial Statements

Opinion
We have audited the accompanying financial statements of The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida (a nonprofit organization) (the "Grand Lodge"), which comprise the statement of statement of assets, liabilities, and net assets – tax basis as of March 31, 2022, and the related statements of revenues, expenses, and other changes in net assets and cash flows for the year then ended – all on the tax basis, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Grand Lodge as of March 31, 2022, and the results of its revenues, expenses, and other changes in net assets and its cash flows for the year then ended in accordance with basis of accounting used for income tax purposes.

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Grand Lodge, and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with the income tax basis of accounting; this includes determining that the income tax basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Grand Lodge's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a

guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and asses the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Grand Lodge's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Grand Lodge's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida ("Grand Lodge") is a non-profit organization which provides administrative services to Masonic Lodges throughout Florida. The Grand Lodge also operates a nursing home in St. Petersburg, Florida for retired masons and spouses. Residents of the home are either under the Life Care Plan or Private Pay Plan. Under the Life Care Plan, any property owned by the resident is conveyed to the Grand Lodge for the use and benefit of the home. Under the Private Pay Plan, a monthly fee, comparable to fees charged by commercial life care establishments, is charged to the resident.

Classification of Net Assets

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) ASC 958 – Not-For-Profit Entities. Under FASB ASC 958, the Grand Lodge is required to report information regarding its Statement of Assets, Liabilities, and Net Assets and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

The assets, liabilities, and net assets of the Grand Lodge are reported in net asset classes as follows:

a. Net assets without donor restrictions – net assets that are not subject to donor-imposed stipulations and represents resources over which the Board of Directors (the "Board") has discretionary control under Digest of Masonic Law of Florida.

b. Net assets with donor restrictions - are from: (1) contributions and other inflows of assets, the use of which is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Grand Lodge pursuant to those stipulations; (2) other asset enhancements and diminishments subject to the same kinds of stipulations; (3) reclassifications to (or from) other classes of net assets as a consequence of donor-imposed stipulations, their expiration by passage of time, or their fulfillment and removal by actions of the Grand Lodge pursuant to those stipulations or (4) net assets that are subject to donor-imposed stipulations that they be maintained permanently by the Grand Lodge. Generally, the donors of these assets permit the Grand Lodge to use all or part of the income earned on related investments for general or specific purposes.

Use of Estimates

The process of preparing financial statements in conformity with the tax basis of accounting requires that management make use of estimates and assumptions that may affect the reported amount of certain types of assets, liabilities, revenues, and expenses.

Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Revenue and Revenue Recognition

The Grand Lodge recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

ASU 2018-08 applies to resource recipients. It includes decision trees to assist in evaluating a transaction. The first decision for both parties to consider is whether each party directly receives commensurate value. If the transaction is reciprocal (i.e., an exchange), the recipient would follow ASU 2014-09. If the transaction is nonreciprocal (i.e., a contribution), the recipient would apply contribution guidance.

For nonreciprocal transactions (contributions), the next point to consider for both parties is whether conditions have been placed on the resources provided. The presence of conditions affects the timing of revenue and expense recognition by the resource recipient and resource provider, respectively.

Conditional contributions are recognized as liabilities if assets are transferred in advance or not recognized at all until the conditions have been substantially met or explicitly waived by the donor, at which point the contributions are recognized as unconditional and classified as net assets with or without donor restrictions. Unconditional contributions are recognized immediately and classified as net assets with or without donor restrictions. The Grand Lodge had no conditional contributions for the year ended March 31, 2022.

Contributions received are recorded as net assets without donor restrictions unless use of the assets is limited by donor-imposed restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. Gains and losses on assets are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by Masonic law. Expenses are reported as decreases in the related net assets without donor restrictions or as decreases in net assets without donor restrictions. Expirations of permanent restrictions on net assets are reported as net assets released from restrictions.

Fund Accounting

In order to ensure observance of limitations and restrictions placed upon the use of resources available to the Grand Lodge, the internal accounts are maintained in accordance with the principles of fund accounting. Resources and related liabilities, revenues, and expenses are classified for accounting purposes into funds established according to their nature and purpose. Fund restrictions are determined by the Digest of Masonic Law of Florida. Fund accounting is permitted by professional accounting

standards. Separate accounts are maintained for each fund, as described below. Detailed statements by fund are presented after the Notes to Financial Statements.

Administrative, Masonic Home and Relief Funds

The funds represent the operating funds of the Grand Lodge office and the Masonic Home. Management's policy restricts current year's revenues, including investment income, to be available only as a funding source for appropriating the next fiscal year's budget. Therefore, a budgetary basis of accounting is followed in matching revenues and expenses wherein revenues are recognized in the period they are available for expenditure. Revenues collected in advance and not available for expenditure are deferred until the next budgetary period.

Current year's expenditure budgets may be adjusted only upon the authorization of the Grand Master.

Administrative Endowment Fund

The Administrative Endowment Fund represents funds that are restricted by the Digest of Masonic Law of Florida as to principal. Income earned from investment of funds may be expended for the use of the administrative budget.

Perpetual Membership Fund

The Perpetual Membership Fund represents funds paid by members. In-lieu-of the annual membership dues, a member may pay in advance a one-time amount which covers his annual dues for life. These funds are restricted by the Digest of Masonic Law of Florida and income earned from the investment of such funds reverts back to the members' Lodge to the extent of each unit's ratable participation in the principal of the fund.

Masonic Charities of Florida, Inc. Fund

On May 16, 1994, the Grand Lodge formed the Masonic Charities of Florida, Inc., the purpose of which is to receive, hold, manage and invest assets on a charitable non-profit basis in order to pay for or defray specified purposes costs and expenses for the specified purposes of operation of the Masonic Home, hurricane relief, masonic youth associations, and other charitable purposes. The Masonic Charities of Florida, Inc., is wholly owned by the Grand Lodge, and has received an exemption from Federal Income Tax under Section 501(c)(3) of the Internal Revenue Code.

Reserve Fund

The Reserve Fund represents monies appropriated and transferred from the Administrative and Masonic Home and Relief Funds to provide a source of funds in the event of future emergencies.

This fund is fully designated and can be used only under approved procedures established by management. A portion of the net assets of this fund is reserved for replacement of existing facilities and for new facilities. These funds are restricted for their designated use and are not available for current operations. Any other use of

these funds must meet the criteria of an emergency. Income earned from the investment of these funds is transferred for use, in the following year, to the Administrative and Masonic Home and Relief Funds to the extent of each fund's ratable participation in the principal of the fund.

Masonic Home Endowment Fund

The Masonic Home Endowment Fund represents monies received through donations, contributions, and other investment earnings to provide a basic revenue source for the operation of the Masonic Home and other charitable programs.

This fund is restricted by the Digest of Masonic Law of Florida as to principal; there can be no use of principal other than for investment, unless there has been approval by the Craft to use any portion of the principal for operations of the Masonic Home. Income earned from the investment of these funds may be used to assist in funding the Masonic Home and Relief Fund Budget, to provide for contingencies through a transfer to the Reserve Fund or be returned and assigned as fund principal.

Residents Trust Fund

The Residents Trust Fund represents funds held by the Grand Lodge for the benefit of specific residents of the Masonic Home. This fund is restricted by the Digest of Masonic Law of Florida for use by residents of the Masonic Home and income earned from the investment of these funds is ratably allocated to those residents having account balances.

Specific Purpose Fund

This fund represents amounts received and designated for a specific purpose of the Grand Lodge operations or for the Masonic Home and Relief Fund. These funds are fully designated for the specified purpose, and income earned from the investment of such funds is attributable to the Administrative Fund or the Masonic Home and Relief Fund to the extent of their ratable participation in the principal of the funds.

Masonic Museum Fund

The Masonic Museum Fund represents monies contributed to the Grand Lodge for the specific purpose of establishing and maintaining a funding source for the museum. This fund is restricted by Digest of Masonic Law of Florida as to principal. Income earned from the investments is specifically designated to the Masonic Museum.

On March 29, 2007, the Grand Lodge formed The Grand Lodge of Florida Museum and Library, Inc., the purpose for which is to receive, hold, manage and invest assets exclusively for charitable, educational and literary purposes for the preservation, maintenance, operation, advancement and development of The Grand Lodge of Florida Museum and Library and any activities related thereto. The Grand Lodge of Florida Museum and Library, Inc., is wholly owned by the Grand Lodge, and has received an exemption from Federal Income Tax under Section 501(c)(3) of the Internal Revenue Code.

Masonic Home Endowment Fund, Inc.

On May 19, 1986, the Grand Lodge formed the Masonic Home Endowment Fund, Inc., the purpose for which is to receive, hold, manage and invest assets on a non-profit basis in order to pay for or defray costs and expenses for the operation of the Masonic Home in St. Petersburg, Florida, and other charitable purposes. This fund is restricted by the Digest of Masonic Law of Florida as to principal; there can be no use of principal other than for investment. The Masonic Home Endowment Fund, Inc., is wholly owned by the Grand Lodge, and has received an exemption from Federal Income Tax under Section 501(c)(3) of the Internal Revenue Code.

Investments

Investments are carried at cost, if purchased, or if donated, at their value at the time received. Although the market value of investments may fluctuate from time to time, gains and losses are recognized in the accounts upon realization (based on the specific identification method), or when their value is deemed to have been permanently impaired.

Cash and Cash Equivalents

For purposes of the statement of Statement of Assets, Liabilities, and Net Assets and cash flows, the Grand Lodge considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Land, Buildings and Equipment (See Note 3)

Grand Lodge records its Jacksonville and Masonic Home land, buildings, and equipment at cost, if purchased, or at their fair market value, at the date of donation. Donated real estate is recorded at the appraised value at the date of receipt. Buildings and equipment are not depreciated over their estimated useful lives as is required under generally accepted accounting principles.

Contributed Services

Unpaid volunteers have made significant contributions of time in the furtherance of the Grand Lodge programs. The value of this contributed time is not reflected in these financial statements since it is not susceptible to objective measurement or valuation.

Tax Status

The Grand Lodge has been recognized as a not-for-profit Grand Lodge exempt from federal and state taxes under Section 501(c)(10) of the Internal Revenue Code. The Grand Lodge is subject to taxation in the United States and the tax years ending March 31, 2019, 2020, 2021, and 2022 are subject to examination by tax authorities.

Investment Income

The Grand Lodge currently records interest received on bonds or other securities, dividends received on stocks plus gains (losses) made on sales of stocks, bonds or other securities less foreign taxes withheld and investment fees incurred from investing activities as investment income.

Retirement Plans

The Grand Lodge has a defined contribution profit sharing plan. All employees age 21 or older with one year of service consisting of at least 1,000 hours are eligible to participate in the plan. Each year the board approves a discretionary contribution to eligible participants. For the year ended March 31, 2022, the board approved a 3% contribution amounting to $91,273. The Grand Lodge also offers a 401(k) plan which allows employees to defer a part of their compensation and provides for a matching contribution by the Grand Lodge up to a maximum of $1,250 per year per employee. For the year ended March 31, 2022, the matching contributions to the plan totaled $47,548.

Concentration of Credit Risk

Certain financial instruments of the Masonic Home Endowment and the Masonic Home Endowment Fund, Inc., are exposed to concentrations of credit risk. Cash and temporary cash investments are placed with high credit quality institutions. At times, such investments may be in excess of the FDIC insurance limit.

Asset and Liability Liquidity

On the Statement of Financial Position, the assets have been presented in a sequence according to their nearness of conversion to cash and the liabilities have been sequenced according to their nearness of their maturity and resulting use of cash. Financial assets available within one year of the balance sheet date for general expenditure are as follows:

Cash and cash equivalents	$ 2,238,943
Accounts receivable	48,539
Investments	4,349,603
	$ 6,637,085

As part of liquidity management, it is policy to structure financial assets to be available as general expenditures, liabilities, and other obligations come due. Although there is no intention of spending from the investments other than amounts appropriated for general expenditures as part of its annual budget approval and appropriation process, amounts from the investments could be made available if necessary.

2. ORDER OF THE EASTERN STAR RESIDENTS

The Order of the Eastern Star reimburses the Grand Lodge for all charges and costs incurred for the care of Eastern Star members residing in the Masonic Home of Florida. At March 31, 2022, Eastern Star had a credit balance with the Masonic Home of $4,556.

4. CONTINGENCIES

In the normal course of operations, the Grand Lodge is involved in legal actions. Management is of the opinion that any liability or loss in excess of insurance coverage resulting from such litigation will not have a material adverse effect on the financial statements.

A member of the Grand Lodge has filed a lawsuit against the Grand Lodge with several complaints. As of the date of the financial statements, the outcome of the lawsuit is unknown. The Grand Lodge has insurance in effect that covers the Grand Lodge for the matter at hand.

5. FIDUCIARY SURETY

The State of Florida requires continuing care facilities (The Masonic Home of Florida) to provide surety equal to twice the average amount of trust funds held in a fiduciary capacity for residents in the facility during the year. At March 31, 2022, trust funds held on behalf of Masonic Home residents amounted to $1,553,925. The assets are held in a separate investment account for the State of Florida Agency for Health Care Administration for the Self-Insured Pool of the Grand Lodge.

6. LEASING ACTIVITIES

On February 1, 2021, the Grand Lodge entered into a lease for use of a portion of its parking lot. The lease is for five years. Either party may terminate the lease by giving at least 90 days' notice. The lease requires monthly rent of $2,083 per month.

As of March 31, 2022, the Board of Trustees had designated $65,735,386 of unrestricted net assets as endowment funds to support the operations and missions of the Grand Lodge and the Masonic Home of Florida. These funds are restricted by the Board and the Digest of Masonic Law of Florida as to principal and are classified and reported as designated net assets.

Spending Policy

The current spending policy as excerpted from the Digest of the Masonic Law of Florida is as follows: "The term 'Investment Income' as used herein shall mean and include interest received on bonds and other securities and dividends received on stocks and shall be construed to mean profit made on sales of stocks, bonds, or other securities.

There shall be no diminution of the principal of Investment Funds by reason of any loss resulting from the sale of stocks, bonds, or other securities for less than cost thereof. The amount of any loss resulting from the sale of stocks, bonds or other securities shall be deducted from the total of interest, dividend and profit made on sales of stocks, bonds or other securities, as defined above, the balance thereof shall first be added to an emergency operating reserve fund, the total is not to exceed the previous two years of investment income needed to fund the budget, the remainder is to be added to principal. It is the declared intent hereof that the principal of Investment Funds shall not be decreased by reason of any loss resulting from purchase and sale of securities."

The spending policy is in revision to be modernized and conform with the tenants of Modem Portfolio Theory (MPT) and Uniform Prudent Management of Institutional Funds Act (UPMIFA).

Investment Policy (IPS)

The Grand Lodge's portfolios have an Investment Policy Statement (IPS) that conforms to Modem Portfolio Theory (MPT) and the Uniform Prudent Management of Institutional Funds Act (UPMIFA). 10. SPLIT-INTEREST AGREEMENTS

The Grand Lodge has a program to receive contributions under charitable gift annuities. The Grand Lodge has segregated these assets as separate funds, independent from other funds and not to be applied to payment obligations of the Grand Lodge for any other purpose other than annuity benefits specified in the agreements. In addition, this portfolio of assets meets all requirements concerning permissible investments and mandated reserves as required by law. The Grand Lodge agrees to pay a stated return to annuitants pursuant to their respective agreements as long as they live, at which time the remaining assets are available for unrestricted use of the Grand Lodge.

At March 31, 2022, total assets held under split interest agreements were approximately $130,879, at cost. Florida statute requires the Grand Lodge to establish a separate and distinct reserve fund for annuity benefits. The reserve must be equal to at least 110% of the present value of the expected annuity payments to annuitants. Total assets held for split-interest agreement reserves to meet statutory requirements at March 31, 2022 were $164,516. The actuarial present values of the Grand Lodge's interest in the gifts annuities was approximately $54,100 at March 31, 2022 and were calculated using interest rates on the gifts ranging from 2.20% to 2.80%. Amounts payable to annuitants under the agreements at March 31, 2022 was $95,900.

As a result of the COVID-19 Virus and the variants that followed, monthly meetings were not held at the Masonic Home of Florida to ensure the health of the residents and staff. Therefore, the Chairman set the monthly meeting schedule for 9:00 a.m. on the third Saturday of each month via Microsoft Teams or an appropriate physical location when needed. Workshop meetings occurred as needed via Microsoft Teams or at an appropriate physical location to be determined, as needed.

The COVID-19 Virus and its variants appeared in the U.S.A. and other countries around the globe in the January/February 2020 period evolving into a pandemic. Mrs. Lisa Tsotsos, Administrator for the Masonic Home, with guidance from the Florida Department of Health (FDOH), along with the Center for Disease Control (CDC), Agency for Health Care Administration (AHCA), Centers for Medicare and Medicaid Services (CMS) and Pinellas County Emergency Management (PCEM), implemented all required protocols and processes to ensure the health and well-being of residents living at the Masonic Home of Florida. These protocols and processes resulted in minimal issues for the staff and residents. Developed vaccines were made available to the residents and staff. A special thanks to Mrs. Lisa Tsotsos and her staff for continuing the mission established by our Brothers over 100 years ago, ensuring the care and well-being of our residents.

The Residences of Coffee Pot Bayou, our guest house apartments, have been fully occupied for over four years and continue to generate additional revenues to support our Masonic Home. Currently 9 non-Masonic residents in our Home assist in offsetting the drain on our Endowment Fund. A projection of over $1,000,000 is anticipated for the 2021-2022 fiscal year, with additional revenue from the 14 Masonic affiliated residents who entered under the Private Pay Plan, the approximate annual income from Private Pay residents is over $1.5 million.

As the Masonic Home Board of Trustees continues future planning, they face many challenges associated with the aging building and campus of a thirty-year old Assisted Living Facility (ALF), and a fifty-year old Skilled Nursing Facility (SNF). The continuation of the Masonic Home repositioning is and continues to be a primary focus for the Board. We have selected PURE Project Management to lead the renovation of the Assisted Living Residences. The design phase is ready to start and completion of the renovation is expected in 24 months. Thanks is offered to all who contributed towards the project. While we navigate through the post COVID environment, extensive research analysis indicates the need for required changes to our operation to ensure the needs of current and future residents are met while continuing to provide the highest quality of care and improving our fiscal viability.

The Long Range Planning (LRP) Sub-Committee is an integral part of the Board of Trustees and holds responsibility for the physical plants and grounds. A proactive approach is utilized to maintain the facility rather than waiting until an issue occurs that requires immediate attention that often translates to higher costs. Below is a list of items that LRP Sub-Committee has proactively undertaken, working closely with Maintenance Director Robert Robertson during the 2021-2022 period.

- A Low Soil Site initiative program with the Department of Environmental Protection for contaminated soils, from a spill that occurred over 30 years ago, has been completed, closed out, and a final approval of clean soil has been received.
- Completion of the sealing and coating exterior of the ALF Nursing facility.
- Completion of the replacement of the Nurse Call system.
- Receipt of a new passenger van transport vehicle ordered in the previous year.
- Air handler unit 10 replacement completed in ALF building 2nd floor.
- Air handler unit 9 completed in ALF building on the 3rd floor.
- New phone system for the Home was added and is up and running.
- Completion of several roof repairs throughout the year.
- Several other mechanical repairs throughout the year have been completed.
- Updated maintenance contracts on elevator, boilers, and HVAC equipment throughout the building with regards to fire pumps and hot water heating pumps.
- Received the new wheelchair van ordered last year.

The Operations Sub-Committee of the Board of Trustees is overseeing a marketing initiative to increase Private Pay occupancy, heighten local image and awareness, and posture the Masonic Home of Florida in ever increasing market competition. The firm of BrandMETTLE was retained and is the industry leader in retirement home marketing specializing in Masonic facilities. BrandMETTLE conducts weekly update sessions with the Operations Sub-Committee and is instrumental in the development of a new website, logo, improved brand identification, market research, lead generation, and industry insights.

Due to the COVID-19 Pandemic, the annual Masonic Home Pilgrimage Day was canceled. Additionally, First Lady (2020-2021) Sandy Turlington's project and First Lady (2021–2022) Hollyn Foster's project is also on the horizon and is targeted to begin when the facility is open to non-essential staff.

On January 18, 2022, the Masonic Home of Florida, Inc., filed Amended and Restated Articles of Incorporation with the State of Florida. We thank everyone involved with the restructuring.

Attorneys for the Board of Trustees: R∴W∴ Stephen R. Gladstone as General Counsel, Brother Bruce Marger, and W∴ Jon B. Coats, Jr., served as legal advisors. Their dedication and commitment to our Masonic Home and the residents is greatly appreciated. Thank you for your continued support!

To the District Deputy Grand Masters, their District Committeemen, State and Zone Chairmen, and the District Instructors thank you for your support. While COVID-19 and its variants put limits on Masonic Home involvements by members of the Fraternity for the previous 24 months, you are there in spirit. If and when we are able in 2022 to host events that so many of you were responsible for, we look forward to opportunities that put a smile on the faces of residents and those Brothers who participate and make a difference. Again, to the many Brothers who have donated to the remodeling of the second and third floors of the Masonic Home Assisted Living Facility, we thank you for your patience. Your donations will be put to good use.

Lisa Tsotos, the Administrator of the Masonic Home, who is well known by many, has retired. We thank Lisa for her many years of loyalty and the quality care that she and the staff have provided to our residents. We would like to welcome and introduce Renee Verrier, who on March 16, 2022, assumed the position of Administrator of the Masonic Home of Florida. We hope that Renee will enjoy a long successful career as Administrator.

We offer our thanks to M∴W∴ Jeffrey S. Foster, Grand Master, for allowing us the privilege and opportunity to serve our Masonic Home on the Board of Trustees.

REPORT OF THE CHILD ID COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

Most Worshipful Grand Master, Most Worshipful Past Grand Masters, Elected Grand Lodge Officers, and My Brethren All:

The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida initiated the Florida Masonic Child ID Program in 1997. Since that time, the program has provided parents/guardians with a comprehensive Child ID Kit which has the capability to quickly distribute digital information to assist law enforcement with vital information to aid their efforts when searching for a missing person. It contains up-to-date quality photos, medical information, physical characteristics, contact information, and fingerprints.

The Child ID Computer Program is available at no cost to all Lodges and Districts from the Grand Lodge and greatly decreases a District's financial outlay. The funding for computer hardware and other amenities is attainable through a diversity of sources including, but not limited to, public and District support; partnering with service clubs; federal, state, and community grants; and 501(c)(3) Employer/Business contribution matching. A complete kit can now be assembled for less than $300. Continuation of this program will allow our Fraternity to continue serving the public and the most vulnerable among us, our children.

In 2013 the Grand Master implemented a policy that all volunteers for Child ID events must have a separate background check and then Legislation was passed by the Craft at the 184th Annual Grand Communication to reflect this requirement in the Digest of the

Masonic Law of Florida. Through the efforts of the Grand Lodge this background check can be accomplished quickly and at no cost to the volunteers. The Approved Volunteer List is available for viewing on The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida website.

The advent of the COVID-19 Pandemic along with social distancing and masking severely impacted the Masonic Child ID Program. Large events were no longer scheduled and for two years our ability to provide this essential service to the public was curtailed with only one event being held during the 2020-2021 Masonic Year. Things began to change in the Spring of 2021, with things slowly starting to return to normal. The Child ID Program has started to revive and as of the end of February 2022 there were 21 events held in 6 Zones including 10 Districts with 495 IDs completed. Several events have been scheduled for the 4th Quarter.

All Zones and Districts are actively seeking event venues and continuing to encourage everyone to complete the free background check and get on the volunteer list so that when we are fully operational there will be sufficient assistance available.

I want to thank Most Worshipful Jeffrey S. Foster, Grand Master, for the honor and privilege of serving the Grand Lodge as State Chairman for the Child ID Committee this year and offer my sincerest thanks to the Zone Chairmen, District Committeemen, and all the Brothers, family members, and friends who have willingly donated their time, efforts, and resources in the past to host Florida Masonic Child ID Events. I encourage every Lodge to become active with the Florida Masonic Child ID Program. A Child ID Event is a very important and useful public relations activity available to the Fraternity. Participation benefits our communities, our Lodges, and the Fraternity.

Sincerely and fraternally submitted,

R∴W∴ Dudley S. Minton, State Chairman

REPORT OF THE COMMITTEE ON WORK 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The Committee on Work is pleased to submit the following report of our activities for the Grand Lodge Year 2021-2022. As I sit here compiling this report in mid-March, the COVID-19 Virus continues to decline and have less of an effect upon our Fraternity. This report is based on the past 9 to 12 months and does not attempt to look into the future.

PERSONNEL

At the time of this writing, I am happy to report that there were no changes to our committee and that none of the District Instructors were replaced during this year. We would like to thank all of the D.I.'s and Zone Chairmen for the amount of time and effort that is required to fulfill these very important positions.

MEETINGS AND TRAINING

The Committee on Work has met in person once since the end of Grand Lodge last year. A training Session for all D.I.'s and Committee on Work Members was held at Marion-Dunn Lodge No. 19 on July 12, 2021, and provided a great opportunity for the committee to exemplify some of our Degree Work and to give instructions on holding District Schools, Open Books, Installations, and other areas concerning our Ritual.

OPEN BOOKS

We started this Grand Lodge Year with all 29 duplicate sets of our Adopted Work located in various safes around the state, used for the purpose of District and Zone Schools of Instruction. One set of our Adopted Work was relocated from the Tampa Scottish Rite in the 19th Masonic District (due to sale of the building) to John Darling Lodge No. 154 within the same District.

The safes that house these books can only be opened by a Zone Chairman (or his designed alternate) and the District Instructor (or his authorized replacement) when authorized to do so by the Grand Master or by the State Chairman or Vice Chairman if authorized by the Grand Master. These books have been authorized to be opened 260 times during this Grand Lodge Year. As of the end of March, there have been 6 of these dates canceled due to scheduling conflicts or a lack of attendance; one due to funerals or health reasons; and one having been canceled due to the Coronavirus. This means the Books will be opened 200 times throughout the state through the end of March with 52 still scheduled that will hopefully be allowed to open before the end of this Grand Lodge Year. Each set was opened at least once and the set in District 26 was opened at least 22 times. The total number of Brothers that attended these Open Books as of the end of March is 2,342.

The committee decided to continue to give each Zone the authority to allow E.A.'s and F.C.'s to attend Open Books if they wanted to and if certain protocol was followed. So far this year seven Districts have allowed a total of 54 E.A.'s and 25 F.C.'s. The committee will meet before this Grand Lodge Session and decide whether this practice will be continued or canceled for next year.

SCHOOLS OF INSTRUCTION

The Committee on Work has asked the District Instructors to keep a record of the number of Brothers that they have assisted with individual instructions and the number of Brothers that have attended Lodge Schools of Instructions and District Schools of Instructions with and without Open Books. The numbers related to Open Books are listed in the previous section. Because this report is being written in late March, the data collected would normally only represent about 83.3% of the total numbers for the year. There have been over 1,858 Brothers that attended a District School of Instruction, over 5,212 Brothers that have attended a Lodge School of Instruction, and there have been over 1,460 instances of individual instructions. If the numbers from these various schools are added together and extended to represent the full Masonic year, there have been over 13,052 times during the year that an individual Brother has received instruction from a District Instructor or a member of the Committee on Work.

PROFICIENCY CARDS

Congratulations to all the Brethren who continue to learn the Ritual Work and earn these Proficiency Cards; and to the District Instructors and Zone Chairmen who spend the long hours teaching and examining them so that they can be issued. The following is the breakdown of cards issued from late March 2021 through March 31, 2022:

Silver Cards (Catechisms)	74
White Cards (E.A. Degree)	30
Green Cards (F.C. Degree)	28
Blue Cards (all Three Degrees and Catechisms)	94
Brown Cards (Monitorial Parts)	3
Gold Cards (Blue Card requirements plus Lectures)	8

Orange Cards for one or more of the Lectures were issued as follows:

Entered Apprentice	13
Fellow Craft	16
Master Mason	12
Entered Apprentice and Fellow Craft	1
Fellow Craft and Master Mason	1
Entered Apprentice and Master Mason	0
All Three Lectures	4

Total Proficiency Cards issued to date: 284

In order to issue the cards in a timely manner, the District Instructors and Zone Chairmen were directed to request them directly from the Vice Chairman, R∴W∴ Larry Thomas, who issued and returned them within a matter of days. A weekly report was then made to the Grand Secretary's Office for input into the database. On behalf of everyone involved, we would like to thank R∴W∴ Larry for his continued and tireless effort in taking care of this important duty.

RITUAL COMPETITION

The Committee on Work, with the approval of the Grand Master, held Lecture and Team Ritual Competition across the state during the months of March and April. There were Brothers competing in the three Lectures and Lodge, District, and Zone teams competing in the Fellow Craft Degree. Ritual Competition was held first on a Zone level with the top 4 Team scores competing a second time here at Grand Lodge for the State title. The result of both the Ritual and Team Competition will be announced during the Grand Lodge Session.

ACTUAL PAST MASTER MASON DEGREE

The Committee on Work, under the direction of R∴W∴ A. Gary Cavanaugh, State Chairman, intends to confer the Actual Past Master Mason Degree on Monday, May 30, 2022, at approximately 5:00 p.m. in the Grand Lodge Room at the Rosen Plaza Hotel in Orlando. This Degree is conferred on Worshipful Masters and Past Masters of Florida Lodges, and may also be attended by any Florida Past Master who has previously received the Degree or a Past Master from another Grand Jurisdiction with proof of

attendance at an Actual Past Master's Degree. The cards and certificates for those Brothers who were pre-registered will be distributed immediately after the Degree. A special report will be submitted to the Grand Lodge following the conferral of this Degree.

MEMORIAL SERVICE

The Memorial Service and Eulogies for our deceased Brethren will be conducted on Sunday, May 29, 2022. This service will be conducted under the direction of R∴W∴ A. Gary Cavanaugh, assisted by R∴W∴ Larry Thomas, and other members of the Sub-Committee of the Committee on Work for Memorials. A special report on this service will be presented during the Grand Lodge Communication.

LONG RANGE PLANNING COMMITTEE REPORT – JUNE

The meeting of the Long Range Planning Committee was held by various phone conversations with committee members, detailed emails, as well as information and notes from Director Robertson. Listed below is a summary of what was discussed:

1. Director Robertson is still working on quotes for the dining room and laundry roofs and will follow up. We would like to move forward with the laundry roof as it is more critical at this time than the dining room roof.
2. The new phone system is moving forward as planned and new cables have been installed by Stratus Telecom to each work station. Once all data details are worked out Alpha Business Communications will start to install the new phones and we will be provided a schedule in the coming weeks for installation.
3. We have walked several companies through the apartments to come in and give us quotes for the remediation and determination of what is causing the existence of mold in some of the apartments. Rainbow International Restoration inspected the three remaining units in the apartments that ServPro claimed to be containing mold. After the inspection, two of the units revealed no mold and one unit (107) needs further investigation by removing a small amount of drywall. This will happen on Monday, June 21st. When we receive all reports we will determine our next steps to move forward. In previous maintenance work done dryer vents were cleaned and it may have been contributing to some of the problems. NorthStar Property Management is handling all coordination of work and issues at the apartments with Director Robertson being a contact at the facility if needed.
4. Director Robertson is still working on securing companies to review the chillers/cooling towers replacement and redesign project for future discussion and planning to enhance our long term needs. This will be further discussed in our workshop due to the reduction of the Masonic Home Improvement budget line item this project could involve most of the budgeted funds for this year. If this line item project becomes an emergency replacement will be completed during the present year.
5. Director Robertson is securing quotes for a fan replacement on the kitchen roof as the fresh air fan unit serving the cooking hoods is failing and requires continued maintenance. We hope to have quotes soon for approval.
6. Director Robertson will be reaching out for quotes soon for the replacement of the AHU #9 on the 3rd floor like the AHU #10 that we already replaced; however, this item may be pushed back unless it becomes an emergency item in the future.
7. The main lobby elevator motor went out and a new motor has been ordered for emergency repair. The repair will be approximately $16,000 and the elevator may be down for a few weeks. The elevator contract is coming up for renewal in August and Director Robertson is assembling quotes for yearly service as the previous company has been bought out by a larger firm and tends to charge us for change order items that should be part of the service agreement and we suspect the cost will be increasing.
8. The following items at the Home have been replaced for general maintenance in the last month:

i. Replaced two 14D fire alarm modules that failed to communicate to the fire alarm system located on the second floor of the residential building.
ii. Replaced worn out pressure switch on the main two stage air compressor in the main mechanical room.
iii. Senior Safety Technology replaced one of the two controllers at the front sliding door that works in conjunction with the wander prevention system.

9. With the reduction in the Masonic Home Improvement budget from $865,200 to $400,300 the committee will continue to evaluate new projects and prioritize with Director Robertson for this year and make recommendations as needed. Contingency may need to be used if any of our projects come forward as an emergency, but for planning purposes this impedes our progress this year on updating the building. We would like to meet mid-month at a workshop or have a separate meeting to discuss this further. The committee still feels that a renovation project to the Home is our best opportunity to address some of the major mechanical and infrastructure system replacements and upgrades to provide a new and improved environment for the Home and our residents.

Nothing further was discussed and brought up for review at this time and our discussions were concluded until next month. This report was approved at the Board of Trustees Meeting on June 19, 2021.

   iii. BrandMETTLE marketing is moving forward and a workshop is conducted weekly.

MASONIC HOME ADMINISTRATOR'S REPORT – JULY

- Our community is continuing to slowly and safely re-open following the COVID-19 pandemic. After 4 months without a positive case, a Masonic Home employee tested positive last week which has caused us to re-implement additional safeguards to protect residents and staff. We are continuing to monitor increasing positivity rates in Pinellas County and taking the necessary precautions. Family members may continue visits per policies and procedures and recommended guidelines.

- In order to improve employee recruitment and retention during this period of extreme competition for dedicated and experienced healthcare professionals, which also helps to provide continuity of care and services for the residents, market research has been conducted to ensure the Masonic Home is offering competitive wages with adjustments made as needed and within budgetary parameters. Our staff is very appreciative of this action.

- The necessary COVID-19 Corona Virus precautions continue to be taken for the residents and the staff including the appropriate screening and routine testing per CDC guidelines. Infection control and vaccine benefits training continues. Vaccine booster shots for the residents and the staff are expected in mid-October.
- Planning and design has begun on First Lady Hollyn Foster's Masonic Home Project which is beautifying the resident outdoor courtyard and renovating the lobby restrooms with plans for completion in early 2022.

LONG RANGE PLANNING COMMITTEE REPORT – SEPTEMBER

The meeting of the Long Range Planning Committee was held by various phone conversations with Director Robertson, committee members, and emails. Listed below is a summary of what was discussed:

1. Director Robertson is still working on quotes for the dining room and laundry roofs and will follow up.
2. Abode Builders fixed the door thresholds where some water intrusion was happening through the bottom of the doors during rainy periods on the Residences of Coffee Pot Bayou as noted in last month's report.
3. Director Robertson is still working on securing companies to review the chillers/cooling towers replacement and redesign project and we have one proposed design from Tudi Mechanical quoted at $595,880 and expect to have 2 others soon. The chiller that was down last month has been repaired and is up and running but still presents a potential problem and we need to follow through with an upgraded design for the existing chiller systems and cooling tower.
4. Director Robertson is still securing quotes for a fan replacement on the kitchen roof as the fresh air fan unit serving the cooking hoods is failing and requires continued maintenance. We have 2 quotes; 1 from Tudi Mechanical for $20,930 and 1 from Harper Mechanical for $15,715 and hope to have a third quote soon so we can move forward.
5. We are moving forward with Harper Mechanical on AHU #9 and are waiting on equipment to be delivered and then scheduling.
6. AHU #14 is on our schedule for future replacement. Director Robertson will be securing quotes for this AHU in the future.

7. The management company for the Residences of Coffee Pot Bayou has requested approval of N & W Painting Corp to pressure wash the building and do some painting on the doors, fences, sidewalks, and decks for $7,500. A motion was passed to allow them to proceed.
8. The following items at the Home have been replaced for general maintenance in the last month:
    i. Replaced the fan bearing assembly on Huebsch dryer #2.
    ii. Replaced several door closers in the Nursing Center. Since all door closers were installed in 2004 they all seem to be failing about the same time after 17 years' service life.
    iii. The fire pump engine needed to have the coolant replaced and engine flushed and is now in good shape.
    iv. Replaced motor starter coil and midget fuses serving chilled water pump for the north chiller. Repaired wires at the terminal and replaced the terminal blocks.

MASONIC HOME ADMINISTRATOR'S REPORT – DECEMBER

- COVID-19 Update: the residents and staff are doing well, there have been no new cases of COVID-19 in the past couple of months, and vaccine booster shots have been provided. We are following all CDC, AHCA, and Florida Department of Health recommended guidelines regarding screening, testing, infection control, visitation, etc., to ensure resident and staff safety.
- A contract with Rise Senior Living (a provider of physical, occupational, and speech therapy) has been sent to Attorney Stephen R. Gladstone for his review. This company will provide therapy services in conjunction with resident Medicare benefits and is currently successfully providing service to other Masonic affiliated senior living communities in the country.
- We are seeing information inquiries regarding future admissions, fraternal and Private Pay, which are beginning to increase resulting in more interest and tours. The launch of the new Masonic Home website is helping potential admission applicants and their families obtain more information.
- We would like to thank all the Lodges and Districts who provided wonderful holiday gifts for the residents and although modified due to COVID-19 precautions, continuing these valued traditions.

LONG RANGE PLANNING COMMITTEE REPORT – DECEMBER

The meeting of the Long Range Planning Committee was held by various phone conversations with Director Robertson, committee members, and emails. Listed below is a summary of what was discussed:

1. Repairs have been made on the dining room and laundry roofs and will follow up after the first of the year with seeking quotes for replacement.
2. We have put a hold on the chiller and cooling tower replacement proposals from two companies and will revisit after the first of the year. After confirmation on securing a positive direction with the ALF renovation we will look at revisiting this scope of work by incorporating it into the design package and adjust the budget as needed.
3. We have only received two quotes to date for the kitchen exhaust fan replacement and it is becoming more of an issue and will revisit with Harper Mechanical next week to see if we can reach an agreement on price and scope of work or go seek another contractor quote.
4. Harper Mechanical is moving forward with the build on AHU #9 and should have it here for installation by January of 2022.
5. AHU #14 is on our schedule for future replacement. We will continue seeking quotes for this AHU after the first of the year.
6. N & W Painting Corporation is still working on the apartment building and hopes to be completed by the first of the year.

7. The fire pump that failed a test during an inspection is still up and working but Director Robertson will continue to search for a company to investigate and do repairs.
8. After our meeting and walkthrough on 12/4/2021 we received three owner's representative firms but are still waiting on pricing from them; and based on their percentage base concept it may not be our best approach. One suggestion of the Long Range Planning Committee is the possibility of hiring direct as an employee to the Home a Project Manager or Superintendent with a construction background to assist with the overall project from preconstruction, construction, and closeout in lieu of a management consultant. We are still reaching out to Design Build Contractors and Architectural firms to continue the process for the ALF renovation.
9. The following items at the Home have been replaced for general maintenance in the last month:
    i. Replaced smoke detector and heat detector in laundry dryer room after alarm condition. Devices did not reset.
    ii. Replaced the fire pump flow meter (Gerand) on the bypass loop in the fire pump room. An attempt was made to rebuild the meter and have it recalibrated, but the meter was too old and there were no parts available.
    iii. Repaired Robocoupe food processor lid and safety switch in main kitchen.
    iv. Replaced Taco recirculating pump bearings and bracket assembly for domestic hot water.

Nothing further was discussed and brought up for review at this time and our discussions were concluded until next month. This report was approved at the Board of Trustees Meeting on December 18, 2021.

MASONIC HOME ADMINISTRATOR'S REPORT – APRIL

- The Masonic Home of Florida continues observing all recommended guidelines regarding COVID-19. Routine testing is conducted as directed and there have been no positive cases involving residents or staff for several months.
- The Home's annual health inspection and life safety survey occurred this past month. The Masonic Home of Florida received 8 citations (6 life safety and 2 healthcare) and all items are in the process of being corrected and the plan of correction will be submitted the week of April 22, 2022. All citations were low level and should not affect overall ratings.
- Renee Verrier discussed House Bill 1239 which was signed on April 6, 2022. This bill reduces the CNA staffing requirement but does not change the 3.6 overall hours per patient per day so there will be little change at the Home level.
- Market Research was conducted on competitive nurse salaries. Based on the findings Renee Verrier proposed a wage increase for the starting wage at the Masonic Home of Florida. Renee Verrier will send the wage research summary to the Board of Trustees for review.
- Renee Verrier presented a request to add a building management tracking tool called "Tels" for the facilities manager. This is a web-based platform used to manage life safety, preventative maintenance schedules, work orders, and asset management. This system does have a monthly cost of $129. Renee Verrier will be sending the Long Range Planning Committee a copy of the system information for review.

LONG RANGE PLANNING COMMITTEE REPORT – APRIL

The meeting of the Long Range Planning Committee was held by various phone conversations with Director Robertson, committee members, and emails. Listed below is a summary of what was discussed:

1. With one chiller down waiting on parts and issues arising to the second chiller and cooling tower we have sought out quotes for a 250 Ton Air Cooled Chiller for redundancy in the event we lose either the second chiller or cooling tower. As soon as we get two competitive quotes, we intend to make a selection and get it on order. We have also looked at pricing for a temporary rental chiller monthly with the

initial first month at $57,575 and each month thereafter $28,720 as needed. The committee's thoughts are once we get Architects and Engineers under contract for the ALF Renovation we intend to have them look at a redesign for the complete system to integrate into the existing building complex and add to the budget. If quotes are received by next week we intend to review and send for approval.

2. Harper Mechanical is waiting on the new Greenheck fresh air fan to be installed on the roof of the kitchen. The contractor is hoping it might be in soon pending manufacturer delay of a curb adapter but will get started as soon as received.
3. We received one quote for the asphalt resurfacing from Am-Jet Asphalt for the parking lot and Director Robertson is still researching other quotes and will bring this up in the near future.
4. Surveillance Technology security camera contractor is complete with the installation and it is working well. There are two monitors installed in the Security Office and one at the reception desk.
5. Fire sprinkler contractor VSC is expected to be out soon to review the fire pump situation as per previous issues with leakage and failures by valves.
6. The First Lady's Project continues in the courtyards. Furniture for the courtyard and tile for the bathrooms is starting to arrive and is stored until needed.
7. A complete clean out of the North Hall is almost complete prior to the renovation.
8. The contract for the lawn maintenance and landscaping will be up for renewal and Director Robertson has sought out quotes as the existing company being used is going up $1,000 per month to $4,795. We have 2 quotes: one for $3,750 and another one for $3,042 per month. We will discuss with the existing company to see if he will come down on his price and if not we intend to go with Strategic Building Services at $3,750.
9. Failed Equipment Report for the month is as follows:
    i. Replaced Taco domestic recirculating pump and motor on heat exchanger in main mechanical room.
    ii. Replaced two or more door closers in the Nursing Center. We expect that all will fail at some point in the near future since they are all 18 years old.
    iii. Both chillers failed due to different issues at different times. Parts are in for one and the other continues to be down. Parts are arriving soon and an extended report will follow.

MASONIC HOME ADMINISTRATOR'S REPORT – MAY

- The center's annual health inspection and life safety survey revisit occurred this past month. The Masonic Home of Florida cleared all citations. As of February of 2022 the center is a five star rating for quality of care and a two star rating for overall inspections. The inspection portion will not change until a 2020 citation (level 2) drops off the calculation methodology.
- Renee Verrier discussed the center's efforts to eliminate agency use within the center. During the months of April and May the center hired 13 new staff members (4 Nurses, 6 C.N.A.'s, 1 Activity Aide, 1 Dietary Aide, and 1 Laundry Aide). Our second employment open house will take place in June.
- Renee Verrier discussed the center's movement to electronic medical records. Effective May 1, 2022, all nursing notes, nursing assessments, activity assessments and notes, social service assessments and notes, as well as vaccinations, diagnosis, and vital signs are now being charted in PCC. The staff has performed very well during this transition and we can already see improvement in our ability to respond quickly to changes in medical conditions.

- The center has expanded in house activities adding additional entertainers and events. The staff and the residents recently celebrated National Nursing Home Week with daily events/celebrations including a BBQ and a petting zoo. The residents are very pleased to begin having a small sense of normal within the center.

LONG RANGE PLANNING COMMITTEE REPORT – MAY

The meeting of the Long Range Planning Committee was held by various phone conversations with Director Robertson, committee members, and emails. Listed below is a summary of what was discussed:

Director Robertson met with Jason Rogers from Trane who will be submitting a quote for us on the chiller issue. He also called Brian Powers from ConServ Mechanical and George Rivera from C.E.S. Mechanical and is awaiting for replies. We have one quote from Harper Mechanical and as soon as we get two competitive quotes, we intend to evaluate our best course of action. We have also looked at pricing for renting a temporary chiller monthly. We still believe our best approach might be once we get Architects and Engineers under contract for the ALF renovation we intend to have them look at a redesign for the complete system to integrate into the existing building complex and add that to the budget.

REPORT OF THE FRATERNAL ADMINISTRATIVE ENDOWMENT FUND COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The principal in the Fraternal Administrative Endowment Fund (F.A.E.F.), commonly referred to as the FA-100 Fund, provides revenues through investments to offset the administrative cost of Grand Lodge. The goal is that the monies in the FA-100 Fund will increase to such a point that the return on the investments will eventually be sufficient to equal or actually be greater than the operating costs of Grand Lodge. If successful, these fund dividends could reduce the need for a per capita charge to the membership. The increase in principal is realized through the sales of the Grand Master's neckties, self-tie bow ties, cummerbund/bow tie sets, vests, and donations from the Particular Lodges. Individual items were priced as follows: necks ties $50, bow ties $25, cummerbund sets $60, and vests $75.

The traditional complementary neck ties and cummerbund sets were distributed to the Elected and Appointed Grand Lodge Officers, District Deputy Grand Masters, and ties to the District Instructors. The remaining product was distributed to the Districts for sale to the Craft. These allotments quickly sold out and reorders began.

The year began with distribution and delivery problems worldwide, causing some items to be in short supply. Manufacturers, in some cases, had a difficult time acquiring materials required to complete demand. Through the efforts of the Grand Master, reorders were eventually filled. These resupplies were distributed to the individual District Deputy Grand Masters who had Brothers waiting for the product. We are pleased to report we raised net proceeds of approximately $30,000.00 for FA-100.

A special thanks goes to the Zone Chairmen, District Deputy Grand Masters, and the District Committeemen for their efforts to accommodate the demand. Additionally, a special thanks goes out to the Craft for supporting our FA-100 Program. Without the support of the Craft nothing gets accomplished.

I wish to personally thank Most Worshipful Jeffrey S. Foster, Grand Master, for the honor of serving our Grand Lodge and the Craft as State Chairman of the Fraternal Administrative Endowment Fund Committee.

Finally, it is only through the leadership of our Grand Lodge Officers and the support of the Craft that again the FA-100 Program has been successful under such unique circumstances. Continued support of FA-100 is instrumental in strengthening our Fraternity. Thank you for all you do to demonstrate the fundamentals of Freemasonry.

REPORT OF THE GRAND MASTER'S CHARITY COMMITTEE 2021-2022 (Masonic Home of Florida)

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

Brethren,

Most Worshipful Jeffrey S. Foster has continued with having the Masonic Home as the Grand Master's Charity. The last two years have been difficult for the Craft to visit and support the Home in person, however, your donations continued to accumulate.

Our Masonic Home has numerous volunteers and paid staff that together make this all possible. A special thank you to the Corporate Board, Board of Trustees, Masonic Home Staff, and the other volunteers who constantly contribute without seeking any recognition. Without the support from the Craft the aforementioned Masonic Home would not have the high level of care provided to our residents.

I would like to personally thank the District and Zone Committeemen who volunteered their time to get the message out about this charity to the individual Lodges and Brothers. Our Districts held several fundraisers including an event hosted by Alligator Alley Harley-Davidson in Sunrise, Florida, which raised over $650.

A special thank you to our twenty-eight District Deputy Grand Masters who hosted great Official Visits for the Grand Master, which in return assisted in raising these funds.

As of March 11, 2022, we have received a total of $68,655.00. We received three hundred and five total donations with an average of $225 per donation.

I would like to personally thank Most Worshipful Jeffrey S. Foster for appointing me to the position of State Chairman.

Respectfully and fraternally submitted,

R.·.W.·. Robert W. Estell, Jr., State Chairman
R.·.W.·. William J. Paul, Zone 1 Chairman

REPORT OF THE INSURANCE COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The Insurance Committee is pleased to submit the following report for the Grand Lodge Year 2021-2022.

The Insurance Committee renewal for the 2022-2023 policy year was challenging, but not near as challenging as the last renewal. The insurance market was not quite as volatile in rates as last year. Our challenge last year was with insurance rates and availability for the Masonic Home liability renewal (due to COVID). The Masonic Home policy represents the largest portion of the overall premium. Total liability and property representing a little over $500,000 in premium. With that said, the overall account totaled $629,153 for all policies. This represents less than a 5% increase over last year's total premium.

Given the current challenges that are still in the insurance market, I feel that overall, the total account had a very good renewal in respect to the premium. The market has been seeing in the neighborhood of 20-30% increases.

The lines of insurance included in this year's total is as follows:

- Property (Jacksonville and the Masonic Home)
- General Liability
- Travel Accident
- General Liability/Professional (Masonic Home)
- Inland Marine
- Directors and Officers Liability
- Auto
- Employee Benefit Liability

Fraternally submitted,

REPORT OF THE LET YOUR PENNIES MAKE GOOD CENTS COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The Endowment Procurement Committee consists of the Let Your Pennies Make Good Cents (L.Y.P.M.G.C.), the Masonic Home Endowment Fund (MH-100), and the Wills and Gifts Committees. We wish to thank you for allowing us to serve you and the Craft this past year.

We had 184 Lodges contribute more than 100% of their goal ($7.30 per member) this year. There were several other Lodges that came so very close to achieving their 100% contribution status. Of our 261 Lodges 99.98% made a contribution to L.Y.P.M.G.C. We congratulate and sincerely thank all of our Lodges for their efforts as the total Donations were much high than the previous year. There was in excess of $1,100.00 donated. Just a reminder, all Lodges that receive any contributions from their Lodge Members for the L.Y.P.M.G.C. Program must forward the entire amount to Grand Lodge for the Masonic Home. This is <u>not</u> a discretionary account.

The Committee would like to make the following recommendations:

- To continue to present plaques, plaque extensions, and engraved tabs to the Lodges who contribute $7.30 per year per member.
- To continue to present "Gold Foil Seals" to be affixed to the member's dues card, indicating that he has contributed the $7.30 minimum.
- To continue to present a special "Thank You" to the Lodges who contributed $1,000.00 or more.
- To continue the appointment of State and Zone Chairmen and for the District Deputy Grand Masters to appoint District Chairmen to the Let Your Pennies Make Good Cents Committee.

As State Chairman, I would like to personally thank those Zone Chairmen that kept me constantly updated on the progress in their respective Zones and their over and above efforts in making this program successful.

This Committee would like to thank the Grand Master, M∴W∴ Jeffrey S. Foster, for the opportunity to serve you and the Brethren of this Grand Jurisdiction this year. We would also like to thank the Grand Secretary and the entire Grand Lodge Staff for their assistance, support, and record keeping for this Committee.

REPORT OF THE MASONIC EDUCATION COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:
Masonic Education is a process by which we develop our Masonic knowledge and that of our Brethren. **Form ME-1A** (The Masonic Education Activities Achievement Award Point Report) is a means of measuring that progress. Those Lodges earning at least the required points have shown they are actively involved in wanting to further a Brother's knowledge in Florida Freemasonry, which in turn strengthens the individual Lodges.

Form MER-1 and MER-2 (Masonic Education Activities Semi-Annual Report) is a report used by the individual Lodges and Grand Lodge throughout the year to see how they were progressing with Masonic Education and to point out where attention and/or assistance was needed to help the individual Lodges earn their Masonic Education Achievement Award.

I have sent an electronic report to Grand Lodge that lists those Lodges which have obtained the points necessary to receive the **Achievement Award** for 2021; and those Lodges listed can be assured that their Brothers are more knowledgeable and educated due to their commitment to this very important program. The Worshipful Masters of the Lodges listed will receive a plaque and/or a tab with his name and year, which is to be displayed at his Lodge.

Responses from the Lodges for 2021 were below those submitted in 2020; we had 83 Lodges submit all required reports including the ME-1A Report, which includes late stragglers. There were 83 Lodges that qualified for the Achievement Award in 2021.

We continue to have a significant number of Brothers successfully completing the Master Mason Exams I, II, III and the Lodge Officers Training Course Modules I, II, III during the year. A total of 449 Master Mason Exam Certificates and 80 Lodge Officer Training Certificates were issued during 2021. The Committee issued 72 Purple Cards to Brothers during the period of 1/1/2021 to 12/31/2021.

On behalf of the Zone Chairmen, I want to thank the Grand Master, Most Worshipful Jeffrey S. Foster, for allowing us the opportunity to serve on this very important committee.

Respectfully submitted,

REPORT OF THE ADMINISTRATOR OF THE MASONIC HOME OF FLORIDA 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

To the Most Worshipful Grand Master Jeffrey S. Foster, Most Worshipful Past Grand Masters, Grand Lodge Officers, Honorable Members of the Masonic Home Board of Trustees, Distinguished Masons throughout the State of Florida, and Guests:

Once again, it is an honor to bring you greetings from the residents and staff of the Masonic Home of Florida. As you know, our community has provided over 100 years of caring for and serving the Florida Masonic community and in more recent years, non-Masonic affiliated residents through the Private Pay Plan option. Our residents, alongside their dedicated staff, have persevered through the 2nd year of this unprecedented COVID-19 global pandemic.

As you know, on March 6, 2020, life as we knew it at the Masonic Home drastically changed. Due to safety regulations and guidelines, our usually warm and welcoming community closed to all visitors and all communal resident activities were discontinued. Each resident had to adapt to a new normal and our staff had to completely overhaul the delivery of care and services. Everything from physician and nursing care, dining services, admissions, to communications have been modified to protect those we serve and those who care for them.

Throughout 2021 and early 2022, our community is like all other health care centers, figuring things out day by day. New policies and procedures were prepared and revised as often as necessary, sometimes daily, in order to navigate through this crisis. Our amazing professional team just came in and took things one day at a time as we awaited guidance from regulatory agencies such as the Centers for Disease Control and Prevention (CDC), Florida Department of Health (FDOH), and the Florida Agency For Health Care Administration (AHCA). Infection control continues to be at the forefront of everything we do as we balance those requirements with attempting to get things closer to "back to normal" for the benefit of the residents.

We are in awe of the perseverance of the residents of the Masonic Home of Florida. Every day for the past 2 years they have adapted to whatever measures had to be taken to enhance their safety. They consider themselves lucky to be safely housed in the Home and for that we thank all of you. Their spirits have lifted up our team members more times than we could imagine. Little by little, day by day, the daily activities provided to residents have safely resumed. Family visitation, lunch, shopping trips, and enhanced in-house dining services are a few examples.

For the 2nd year of this crisis, the Grand Lodge Officers and Masonic Home Board of Trustees continued working to show their support, guidance and appreciation to our staff

and residents. After being among the first organizations to offer hazard pay, they actively researched and supported salary adjustments to assist with the health care staffing crisis in order to improve recruitment and retention. Although our community is not yet open to safely resume hosting Masonic group functions, Lodges, Districts, Appendant Bodies, and Masons across the state they stepped up to offer different, creative efforts to make sure the residents and staff knew they were thinking of them. We appreciate all this continued support and encouragement and look forward to the time we are all together again.

We appreciate all that Most Worshipful Jeff Foster and First Lady Hollyn Foster have done to promote their fundraising efforts in support of our Masonic Home. First Lady Hollyn's Masonic Home Project includes renovation of the large, interior courtyard which is very important to the daily lives of residents along with renovation of the main lobby restrooms which were last updated approximately 30 years ago. Courtyard improvements will provide a safe, comfortable, peaceful, and fun environment including new landscaping, seating areas, and recreational activities. We appreciate all those who contributed so generously to this worthy project.

As I retire from my position as your administrator this year, it's hard to believe it's been 31 years since I first became a member of the Masonic Home of Florida team. It has been my sincere honor, privilege, and pleasure to have served this outstanding organization. I wish to express my appreciation to every past and present resident, their families, staff members, volunteers, Grand Lodge Officers, Masonic Home Board Members, Grand Lodge Ladies, Appendant Bodies, and Masons throughout Florida. Thank you for the opportunity of a lifetime to be a part of such an extraordinary mission and effort.

With Respect and Gratitude,

Lisa Tsotsos
Administrator, Retired 3/31/22
Masonic Home of Florida

REPORT OF THE MASONIC LEADERSHIP TRAINING COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

We have completed another excellent year of the Masonic Leadership Training (MLT) Program. This program is designed to prepare and train the Officers of Florida Lodges for success as they pass through the chairs on their Masonic journey to the East. That success can be obtained with proper Masonic Education and training.

The Zone Chairmen for the MLT Committee are as follows:

Vice Chairman: W∴ Jaime "Jay" M. Cebollero
Zone 1: R∴W∴ Paul S. "Steve" Andrews
Zone 2a: R∴W∴ John H. Michalski
Zone 2b: W∴ R. Patrick Jacob
Zone 2c: W∴ Christopher R. Williams
Zone 3: W∴ Christopher C. Lanham, Jr.

Zone 4a: W∴ Adam S. Feldman
Zone 4b: R∴W∴ Roger W. Smith, Jr.
Zone 5: W∴ Jaime "Jay" M. Cebollero
Zone 6: R∴W∴ W. Allen Sorbie
Zone 7: R∴W∴ Roy D. Strohacker
Spanish Speaking Member: W∴ Alejandro Zequeira

My Brothers, the Vice Chairman and I are happy to report on the progress of the MLT Program since June 6, 2021. We have made great strides as a team. I would like to make just a few main points.

Since the Grand Lodge Communication in 2021 we have this to report: While the number of completions has decreased by a small margin, the number of participants and classes has grown. The TEAM of MLT District and Zone Chairmen, as well as specialists in Ritual, Masonic Education, Leadership, and Masonic Law conducted over 160 Live Workshops on the Lodge and District Level throughout the state, some with the Zoom component. Twenty-four Zone Workshops, most using Zoom, averaging 4 Modules per workshop, for approximately 640 Modules reported with over 314 completions. I cannot stress how proud of this team of Brothers we should be for their diligence and determination to accomplish this.

We have implemented a Zoom component for Zone Workshops with better cameras and audio equipment for a better presentation. We continue to have great success during the pandemic and lockdowns when in place. It was our duty to provide workshops so the incoming Junior Wardens and now Senior Wardens could complete MLT Modules as required. Our team rose to the challenge by going above and beyond to leave no one lacking the required courses.

The future holds more great innovations from the MLT Committee. Leadership can be taught through example and the exchange of ideas. I encourage you to invite the team to your Lodge and learn a few ideas to improve where your Lodge may need to improve and thereby improving our Fraternity, one Brother at a time.

I am extremely fortunate to have the opportunity to work with this team of Brothers who by their diligence and determination to improve this Fraternity continues to accomplish this important work.

Fraternally submitted,

R∴W∴ Ernest W. Catsulis, Jr.
State Chairman

REPORT OF THE MASONIC YOUTH ACTIVITIES COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

This is the report of the Masonic Youth Activities (M.Y.A.) Committee, presented as a collaborative effort of the State, Zone, and District Chairmen who are working throughout our jurisdiction to encourage and promote the three Masonic Youth Groups and other outstanding youth programs within our communities.

DeMolay International (for young men ages 12 to 21) continues to strengthen in a state of reorganization. Currently, there are 24 DeMolay Chapters throughout Florida in various stages of development and operation, with an overall membership of just under 350. Florida DeMolay has a great presence among DeMolay International as the organization treads its second century of operation. Founded in 1919, the young men of DeMolay are presented seven Cardinal Virtues (filial love, reverence, courtesy, comradeship, fidelity, cleanness, and patriotism), and are the potential future Masons of our next generation; having an exposure to Masonic tenets and ideals will provide them the impetus to join our Fraternity when they attain lawful age.

The International Order of Rainbow for Girls in Florida. Florida Rainbow (for young ladies, aged 10 to 20) has 16 active Assemblies in Florida and continues to develop and institute new programs to increase awareness and membership through service projects and organizational ideals. Through teachings represented by seven symbolic rainbow "bow stations" (Love, Religion, Nature, Immortality, Fidelity, Patriotism, and Service) in the Assembly Room, these young ladies are taught to work together in harmony, synergy, and collaboration. Their chosen charity is Camp Boggy Creek which allows special needs children to enjoy camp without hindrance from physical limitation.

Job's Daughters International (for young ladies, aged 10 to 20) currently has one startup club hoping to be instituted in Florida. In recent years, the membership requirement for Job's Daughters changed to require an exhaustive search for a Masonic relative; but if none can be found, two Majority Members and a Master Mason may sponsor the young lady to membership. The Hearing Impaired Kids' Endowment, referred to as HIKE, is supported throughout Job's Daughters International, and provides hearing devices to children who apply and meet the criteria for selection.

In addition to these three Masonic Youth Groups, The Grand Lodge of Florida proudly supports Scouting and the Florida Sheriff's Youth Ranches. Scout Leaders are recognized by the Grand Lodge with the issuance of a certificate of recognition and formalized presentations to young men and ladies who are earning the top scouting awards.

The Grand Lodge Office produces Certificates of Recognition and awards through the Masonic Youth Activities Committee, as follows:

Outstanding Member/"Grand Master's Youth Award" – Certificate and Pin presented to Masonic Youth Leaders
Adult Leadership Certificates – Certificates presented to Adult Volunteers of Masonic Youth Groups
Boy Scouts/Eagle Scout Awards – Certificates presented to new Eagle Scouts

Working in conjunction with the program selling the Grand Master's Coins, the exposure extended on behalf of our youth has proven beneficial. In February the state adult leaders for DeMolay and Rainbow met with the Masonic Youth Association at the Masonic Home presenting their plans and budgets for their programs in the coming year. Through the generous support of the Masonic Youth Associations, DeMolay and Rainbow each received a contribution to support their annual program budget.

Part of the M.Y.A. Committee Program this year was the continuation of an enhanced education for Zone and District Committee Chairmen about each youth group, their tenets, honors, and organizational histories. Additionally, M.Y.A. Committeemen were offered a list of talking points to reference when visiting Lodges or when making fraternal visits to the local youth groups so that suitable and appropriate remarks could be offered.

The Zone and District Committeemen regularly submitted their reports which were analyzed and reviewed for common themes and trends. One particular advantage of the M.Y.A. Committee is that most of its members are either Senior DeMolays or otherwise active with local Masonic Youth and have a vested interest in their continued success.

The gratitude of this committee and that of The M∴W∴ Grand Lodge of Florida is extended to the adult volunteers who give their time and talent so unselfishly to benefit the youth members across Florida. And special thanks is offered to the Lodges throughout our jurisdiction which sponsor the DeMolay Chapters, Rainbow Assemblies, and Job's Daughters Bethels giving them a place to meet and hold their activities demonstrating their enduring support.

Should any Mason in Florida be interested in volunteering with one of the Masonic Youth Groups, each of them can benefit from your dedicated service. Please contact any of the members of the M.Y.A. Committee listed below for more information. I encourage all Brothers of this Grand Lodge and Masonic Fraternity to meet with a member of our Masonic Youth Groups. Mentorship and increased awareness of our gentle Craft will strengthen the bonds with their sponsoring bodies and encourage them to seek membership when they attain lawful age.

I would like to personally thank M∴W∴ Jeffrey S. Foster, Grand Master, for allowing me the opportunity to serve on his team as the State Chairman for the Masonic Youth Activities Committee. Additionally, my gratitude and congratulations is extended to the Grand Lodge Officers, the District Deputy Grand Masters, the District Instructors, and the Zone and District M.Y.A. Committee Chairmen for their dedicated service and support in disseminating our collaborative message that investing in our youth today will perpetuate the Masonic Fraternity of tomorrow.

For God. For Country. For our Masonic Youth.

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The Endowment Procurement Committee consists of the Let Your Pennies Make Good Cents (L.Y.P.M.G.C.), the Masonic Home Endowment Fund (MH-100), and the Wills and Gifts Committees. We wish to thank you for allowing us to serve you and the Craft this past year.

I would like to thank the Grand Master, M∴W∴ Jeffrey S. Foster, on behalf of myself, the Zone Chairmen, and the District Committeemen for the opportunity to serve the Craft in support of the residents of our Masonic Home.

A special thanks to the Zone and District Chairmen who not only kept me up to date on the activities in their Zones and Districts throughout the year. Through their tireless efforts our Masonic Home (MH-100) was able to realize a much higher rate of donations, exceeding $1,100.00. More especially, our thanks and gratitude should go to you, my Brothers, who contributed not only financially, but those of you who have contributed your time and efforts. *Charity begins at home (our Masonic Home).*

Our Masonic Home is a financial obligation and a responsibility of each of us. Remember your contributions are tax deductible. Donations can be made through the MH-100 Club, Masonic License Plates, Granite Plaques, Tree of Life Leaves, Bricks for the garden at the Home, as well as outright gifts. You can also make a bequest to the Endowment Fund in your will. REPORT OF THE MEMBERSHIP DEVELOPMENT COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

Greetings my Brothers. I hope all of you and your families are doing well.

We have had a great Masonic Year and as Masons we have always adapted and were able to overcome whatever obstacles have been thrown in our way and have progressed forward.

I have been blessed with a great TEAM! We have it set up for me to receive the inquiries from BeAFreemason.org and then the Zone Chairmen usually receive them from me and they immediately turn around and by either contacting the gentlemen themselves or by having a local Lodge reach out and invite them to meet at the Lodge and answer any questions they may have. I would like to thank the Lodges as they have been awesome in their efforts.

The Social Media Members have been INCREDIBLE! Reaching out to all Lodges interested on Social Media and assisting them in getting their pages up and running has been great! Through social media we have had 874 inquiries so far and 114 have petitioned Lodges. I am pleased to say that we have had over 2,452 total inquiries including Social Media and have had 148 Petitions turned in.

The best advertisement we have is YOU! The Brothers are the backbone of our Fraternity who work diligently to ensure the success of our Great Fraternity. The way you carry yourselves and assist those in need in your community are the examples that these men see and want to be a part of.

Please keep up the good work and I expect next year to be even more successful!

We, as a Committee, would like to thank M∴W∴ Jeffrey S. Foster for the honor of serving him this year and the opportunity to assist worthy gentlemen in becoming Freemasons.

We would like to thank the District Deputy Grand Masters and District Committeemen in supporting the goals of our committee.

We would also like to thank the Grand Lodge Office Staff for their continued support of this committee. You all do so much and a thank you just does not seem enough!

Thank you to Shriners International, the Scottish Rite Northern Jurisdiction, and the Scottish Rite Southern Jurisdiction for providing us the materials and knowledge to make this committee work.

Respectfully and fraternally submitted,

REPORT OF THE MUSEUM AND HISTORY COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

During this year we are pleased to report that work is continuing on the scanning of Lodge Minutes for the Particular Lodges. It cannot be stressed enough how important it is that the Lodge Minutes are preserved, especially as a backup due to a loss a Lodge may experience due to a fire and/or a hurricane. These Lodge Minutes are scanned to DVD's and safely stored in a fireproof vault at the Grand Lodge Building in Jacksonville. The original Minutes, along with a DVD copy, will be returned to the Lodge. Any Particular Lodge that has not submitted their Minutes for scanning are

encouraged to do so and, as a reminder, there is no charge for this service. Additionally, any Lodge who previously had their Minutes recorded but have not had them updated in the last five years are also encouraged to do so. If you currently have your minutes on disk, it is recommended that you send a copy of that Disk to Grand Lodge as backup. The following Lodges have recently had their minutes scanned:

Volusia Lodge No. 77	Halifax Lodge No. 81
De Soto Lodge No. 105	Riverside Lodge No. 266
Floral City Lodge No. 133	West Pensacola Lodge No. 296
Siloam Lodge No. 399	

On Saturday, November 20, 2021, this Committee had the honor to conduct a portrait unveiling ceremony for our Past Grand Master, M∴W∴ Thomas L. Turlington, Jr. The ceremony was held in the Grand Lodge Museum at the Grand Lodge Building located in Jacksonville, Florida. The Call to Order was given by R∴W∴ Rudin J. Boatright, Grand Treasurer and Chairman of the Museum and History Committee, who also led the Pledge of Allegiance to the flag of our country. The Invocation was given by W∴ Chester J. Tokar, R∴R∴ Grand Chaplain. The welcome was given by M∴W∴ Richard E. Lynn, P.G.M., Grand Secretary, and recognitions were then given by M∴W∴ Elmer G. Coffman, P.G.M., Grand Treasurer Emeritus and member of the Museum and History Committee. A tribute to the Grand Master was delivered by R∴W∴ Jackie D. Arrington, W∴ Grand Marshal for 2020. The actual unveiling of the portrait was conducted by Mrs. Sandy Turlington, wife of the Past Grand Master. The closing remarks were given by M∴W∴ Tommy L. Turlington, Jr., Past Grand Master, and the final remarks were given by M∴W∴ Jeffrey S. Foster, Grand Master. The Benediction was offered by W∴ Robert J. Eckols, W∴ Grand Chaplain for 2020. The ceremony was well attended to honor our newest Past Grand Master.

We would like to encourage the Brethren and their families to visit the Grand Lodge Museum in Jacksonville whenever in the area. The collection in the Museum includes some items dating back to 1830 (and before) and the formation of our Grand Lodge. Several new donated items have been added to the collection this year. Major renovations have been completed with new LED lighting, restoration of many of the display cases, painting, and new ceiling tiles to name a few. Many of the items on display are one of a kind that tell the story of The Grand Lodge of Florida. The Museum is open daily during Grand Lodge Office business hours.

This Committee would like to offer a special thanks to R∴W∴ Leif Olsen for the hundreds of hours he spent renovating and updating the many displays in the Grand Lodge Museum. Also, a special thank you to R∴W∴ Howard Chase and his wife, Betty, for the many hours they contributed in scanning the Lodge Minutes and the Lodges' Annual Returns.

We would like to thank M∴W∴ Jeffrey S. Forster, Grand Master, for allowing us to serve on this committee.

Do you remember the experience of wonderment? You don't understand something and your imagination runs wild trying to guess, speculate, or figure out what you don't know. As a child, I wondered about an amazing card trick my uncle Jack preformed. How did he do it? I begged him to teach me the secret. Uncle Jack always dutifully reminded me, "Magicians never give away their secrets." It is no secret that the Grand Secretary and his staff, especially Mrs. BeBe Bryan-Hill's assistance and dedication were invaluable and we thank them most sincerely.

Uncle Jack finally did teach me the card trick. Then I knew how to shuffle the cards, cut the cards, and deal the cards – shazam – "Is that your card – of course it is." Because I knew how to do the 'magic,' the one thing I never knew again was the 'wonder.'

Your Penal Affairs Panel reflecting on this year pose these questions to you: Do you truly remember the obligation you took? Can you govern yourself accordingly? Do you understand that we must hold each other accountable? -- "I wonder."

I want to recognize the members of the committee for their hard work, dedication, and diligence in assisting with the arduous labors of this committee. On behalf of the members of the Penal Affairs Panel, I would like to express our appreciation for the opportunity to serve M∴W∴ Jeffrey S. Foster, Grand Master, and the Fraternity.

Respectfully submitted,

R∴W∴ Gregory L. Wynn
Chairman, Penal Affairs Panel

REPORT OF THE PERPETUAL MEMBERSHIP COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

Most Worshipful Grand Master, Elected and Appointed Grand Lodge Officers, Most Worshipful Past Grand Masters, and My Brethren All:

It has been a distinct honor for me to serve the Grand Lodge as State Chairman of this Committee with the Zone Chairmen listed below and to make this report to the Grand Lodge on behalf of the Perpetual Membership Committee.

Through the wise investment practices of the members of the Endowment and Investment Committee and the continued hard work of the Zone and District Chairmen, the Perpetual Membership Fund has continued to grow. In 2021 the Grand Lodge has made payments to the Lodges around the state in excess of $959,000.00 on behalf of the Perpetual Membership fund (nearly 1 million dollars in returns). Special thanks must go out to our Most Worshipful Grand Master, Jeffrey S. Foster, for his leadership abilities in ensuring the Grand Lodge gets maximum returns on their investments.

Below is the status of the Perpetual Membership Fund as of December 31, 2021:

Type:	**Number:**	**Principal Balance $ Value:**
Standard	11,541	$ 10,591,255.11
Honorary	2,431	$ 644,363.27
Standard Plural	295	$ 330,566.95
Memorial	4,139	$ 1,385,389.61
Financed	174	$ 126,787.75
Financed Plural	6	$ 4,496.56
Exempt Members	271	$ 82,601.50
Total 2021	**18,857**	**$ 13,165,460.75**

My Brothers, you who have purchased a Perpetual Membership have made an investment in your Lodge and in The Most Worshipful Grand Lodge. Your investment means you believe that your Lodge will be forever and that you will be an active member even after you have gone to the Grand Lodge on High.

If you have purchased a Perpetual Membership, and your Lodge has since raised its dues, please consider increasing your Perpetual to reflect today's cost. Also, consider the Gold and Platinum Perpetual Memberships.

It would be fantastic if each Lodge could present the Grand Master with an Honorary Perpetual Membership at their District's Grand Master's Official Visit. Each Mason should also consider making their wife a Friend Perpetual Member of their Lodge, along with any other dear family member. Honorary Memorial Perpetual Memberships are also available for your Lodge's departed Past Masters. Remember, these are all good investments for your Lodge.

Most Worshipful Grand Master, on behalf of the Zone and District Chairmen, we thank you for allowing us the privilege of serving The Most Worshipful Grand Lodge and our Great Fraternity for the Masonic Year 2021-2022.

Thank you for appointing this outstanding group of Zone Chairmen. Without their hard work and dedication to the program we could not have had a successful year. It has been an honor for me to have served with them.

Respectfully submitted,

PUBLIC RELATIONS AND PUBLICITY COMMITTEE REPORT 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

Most Worshipful Grand Master, Elected and Appointed Grand Lodge Officers, Most Worshipful Past Grand Masters, and My Brethren All:

It has been my distinct pleasure to again serve as the State Chairman, and with the Zone Chairmen listed below, to make this report of the Public Relations and Publicity Committee.

Since the 2021 Annual Communication, The Grand Lodge of Florida Committee on Public Relations and Publicity has continued to work towards our goal of helping Florida Lodges make the general public aware of who we are and how Freemasonry contributes positively to the community and humanity at large. We have strived to accomplish our goal through this pandemic, as we have in the past with the use of the several successful strategic forms of communications that have been introduced by the Public Relations and Publicity Committee throughout the previous years along with some new ideas that we will, doubtlessly, incorporate into programs of the following years.

Throughout 2021 this committee has observed the following regarding its prescribed steps towards successful Public Relations:

1) **Identifying a Public Relations representative for the Lodge:** While this has not been achieved in many Lodges to the degree of success that we had hoped for, we are seeing positive progress in this endeavor. We believe that progress will proceed as we continue to emphasize the importance of a Lodge Public Relations Liaison.
2) **Websites and Social Media:** This subject has been very successful and has seen extreme growth in the last few years; with the creation of Lodge websites, Lodge Facebook pages, the new Facebook membership advertising incentive, and several Masonic Groups formed on Facebook. Pictures of several events of every type from bicycle giveaways to scholarship presentations have been posted, showing Freemasonry in a positive light. Questions have been asked in groups by non-Masons and myths dispelled. There have even been petitions generated from interest piqued from these sites.
3) **Familiarizing with the local media:** While this is nothing new, Lodges are continuing to do their best in reaching out to the local media.

While the ongoing pandemic of 2020 has hampered most Lodges to this day from hosting events such as Open House programs to provide the community with some basic information about Freemasonry and Freemasons including who we are, what we do, and where we can be found, the Public Relations and Publicity Committee did observe many Lodges putting the face of Florida Freemasonry in a good light by (still) performing humanitarian relief efforts such as food drives and services to their communities via other projects; such as building ramps for the handicapped.

In closing, the Public Relations and Publicity Committee for 2022 will continue to press forward with the plans that we have developed in the previous years to assist and support Florida Lodges in their endeavors to promote Freemasonry.

On behalf of the members of The Grand Lodge of Florida Committee on Public Relations and Publicity, I would like to sincerely thank our Brethren for their hard work and striving to bring Freemasonry to the forefront of public awareness. Your efforts have encouraged us to work harder toward *our* mission of helping you to reach out to the public and share how great a Fraternity we have. We are proud to serve and thank each of you for the opportunity to do so.

REPORT OF THE WILLS AND GIFTS COMMITTEE 2021-2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The Endowment Procurement Committee consists of the Let Your Pennies Make Good Cents (L.Y.P.M.G.C.), the Masonic Home Endowment Fund (MH-100), and the Wills and Gifts Committees. We wish to thank you, the Grand Master, M∴W∴ Jeffrey S. Foster, for allowing us to serve you and the Craft this past year.

The goal of the Wills and Gifts Committee is to educate and inform both Masons and non-Masons on the various methods that are available to help ensure a sound financial future for our Masonic Home.

Gifts through Wills and Trust Requests: These are the most commonly used planned giving approaches; however, the funds received from bequests on behalf of the Masonic Home over the years have decreased. It is therefore imperative that the educational and informational process continue and be improved upon year after year. Planned giving by bequest is a traditional means of giving; it certainly gives the donor supreme satisfaction in knowing that this future gift will reap great benefit for the Masonic Home in the future.

Charitable Gift Annuities: This exciting option will provide you (and/or your spouse) with an attractive income for the rest of your life, avoid capital gains tax, and leave a lasting gift to our Masonic Home. Our Grand Lodge has a brochure entitled "The Charitable Gift Annuity Program" that explains to potential donors how this program works and the advantage of using this gift-giving program that has income and tax benefits for the donor.

Outright Gifts: These gifts include one-time or ongoing donations of cash or other assets that a donor may wish to give to the Masonic Home. Typically, the gifts have a favorable tax advantage that may be received right away. Donations can be made at any time by visiting the Masonic Home of Florida website or The Grand Lodge of Florida website and clicking on the "Donate" button. You may choose to donate on behalf of yourself, your Lodge, or a loved one.

On behalf of the Masonic Home and the Wills and Gifts Committee we would like to extend our appreciation and thanks to those who have felt it in their hearts to leave a charitable donation to our Masonic Home.

Respectfully and fraternally submitted,

INTRODUCTION OF THE NEW MASONIC HOME ADMINISTRAOTR

The Grand Master then introduced Ms. Renee Verrier, the new Masonic Home Administrator, and recognized her for her remarks.

REMARKS

MS. RENEE VERRIER, MASONIC HOME ADMINISTRATOR: Good Afternoon Everyone. Thank you for the opportunity to speak for a few minutes today about our wonderful Masonic Home.

First let me start with what I am sure is on everyone's mind and that is "COVID 19." After 2 years of shutdowns, restricted visitation, restricted programming/social gatherings, and altered medical care models I can confidently stand here and say we have started the movement toward a sense of normal. The big question remains, what does "normal" look like and how are we adapting to reach this new version of "normal?"

Do staff still wear masks? Yes
Do we still require screening for entry into the center? Yes
Do we continue to follow DOH/CMS guidelines? Yes
Do we continue to remain vigilant with IC practices? Yes

Even with all this in place our residents are enjoying outside trips to shops and restaurants; entertainers are back in our activity programming; communal dining in the main dining area has expanded to allow more residents and we have initiated center special events like nursing home week, celebrations/BBQ's, and hopeful to have Christmas in October.

Visitation:
Our residents enjoy open visitation with their family and friends in compliance with Florida mandates. The screening process and mask compliance remain in place; however, this has not deterred our ability to have our residents involved with not only their families but the community as well. With several residents attending local Lodge Meetings monthly as well as worship services.

Vaccination:
I also want to take a moment and review where the Masonic Home stands with relation to vaccination status as this is a large part of protecting our residents from illness related to the pandemic.

- Residents – 98% of our residents are fully vaccinated.
- Employees – 80% of employees are fully vaccinated.
    - Please note – because we do not receive federal funding the 100% employee vaccination requirements you may hear or read about does not apply to the Masonic Home. We can encourage it but, do not require vaccination to be employed by the Home.

Although I have only been at the Masonic Home for a couple of months I am proud of our residents' willingness to adapt to all these changes and the level of dedication and perseverance of all the staff.

Now on to better topics:

Our residents, family members, and staff want to thank Most Worshipful Foster and First Lady Hollyn Foster for all the amazing work on this year's First Lady's Project. This project was no small task and included a renovation of the large interior courtyard, re-landscaping of the memory garden courtyard, and a full upgrade to the lobby bathrooms. We appreciate all those who contributed so generously to this worthy project. Our residents are thrilled with the beautiful new environment.

Technology Update:

- I am happy to report that the Masonic Home has moved to a partial Electronic Medical Record keeping for the Nursing Care residents effective May 1, 2022. This includes all daily note charting for all departments, most nursing assessments (some are still in development), and all resident events (incidents). We are also starting the process of scanning Advanced Directive/POA documents into the medical record for ease of access. This Electronic Medical Record is accessible to the physicians and medical team even when offsite which allows for a more seamless care process. I am proud to say that our nurses have risen to the occasion and have truly embraced this change with nothing but positive outcomes. I look forward to expanding this program further at some point in the future.

Labor Management:

- One of the largest challenges the Masonic Home and many other care centers across the state have faced is the battle for staff, both professional and ancillary. This forced many centers, including ours to utilize Nursing Agencies to meet the care requirements of our residents. Over the past 2 months we revised our recruitment process, the Board of Trustees reviewed, supported, and approved salary adjustments and I am happy to say we are on track to bring on new staff members rather than using contracted personnel. This is a cost savings for the center but more importantly it allows us to provide a higher level of care to the residents we serve.

In closing, I want to thank the Grand Lodge Officers, Masonic Home Board of Trustees, Lodges, Districts, Appendant Bodies, and all Masons across the state for their support, guidance, and appreciation to our residents. Our residents consider themselves fortunate to live at the Masonic Home frequently communicating to me, "There is no place better than here." I am honored to be a part of the Masonic Home family and I look forward to meeting as many individuals as possible over the next few days and having you visit the Masonic Home soon.

GRAND ORATION

R∴W∴ Ernest William Catsulis, Jr.
W∴ Grand Orator 2021-2022

Most Worshipful Grand Master, Elected and Appointed Grand Lodge Officers, Distinguished East, family and friends, guests assembled, and my esteemed Brethren All:

It is no secret within my circle of family, my friends, acquaintances, and more than likely any person I meet in my travels, that I am a proud Freemason.

I became a Mason on February 16, 2009, in Ornan Lodge No. 117, Free and Accepted Masons, in the small town of Williston, Florida. It's a small country Lodge that was Chartered on January 21, 1890.

My personal Masonic journey began in Hammond, Louisiana, while reading a Masonic Bible on a friend's coffee table which piqued my curiosity. Around that same time, another "friend" of mine, who would often stay at my home, had just become a Master Mason himself in Canada. Both suggested that I should look into the Fraternity, as they thought I was well suited for the Work and that I would enjoy it. Both men, who became my Brothers, were there at Ornan Lodge when I was Raised to the Sublime Degree of Master Mason on August 22, 2009, by my Canadian Brother who traveled 1,200 miles each way across an international border for all three of my Degrees. While we don't get together as much as we used to, a simple phone call or the rare visit with either one elicits great Masonic Fellowship between us, as it should. To this day I remember how they both told me that this Fraternity would change my life. That I would… "eat it up!" And while it took longer than it should have to get through the process of finding a Lodge and completing the petitioning process that started me on my path, (we all know anything worth having is not always easy) they were both right. It did indeed change my life. At that time, I was both overwhelmed and amazed that they took the time and made the physical effort to be there as I began my Masonic journey. As I progressed in my Masonic Education, I began to understand what being there for me meant to them, why they were there, and why someday soon I would also travel three times to Alabama for a good friend's Three Degrees and later the same way for others. Because of the wonderful example these Brothers set for me we will be forever linked together by that Brotherly bond.

In my daily walk through life, the question I most often get is, "What is Freemasonry?" My typical answer is probably similar to yours. "Freemasonry is a system of Morality, veiled in allegory and illustrated by symbols," with a brief (well not really brief who am I kidding) explanation of what we do. How we as Masons help our community, how **we take good men and make them better**, help the needy, support our widows and

orphans, support local schools and our valued first responders, whether they be Masons or not. Typically, these objectives are met through work in our Blue Lodge and the Appendant Bodies we may be involved with. Through countless ways, we endeavor to improve our human family and their respective walks through life. These honorable deeds which became part of our Fraternity's story long after Freemasonry was modernized over the past three hundred years, it seems, are the most prevalent subjects in the explanation of what we Freemasons are. Each of us have been charged to continually exemplify the goodness of our Craft, as well as to help form how this ancient and honorable Fraternity is perceived by the general public. Even though we all should know as Masons, our Lodges are Chartered to do one thing…make new Masons. All of these other noble deeds, however fulfilling, are ancillary to that one duty to create new Masons.

Yet, as Freemasons, most of us should know that it is more than just that, much more. I have found that we sometimes forget and lay aside many other important benefits of this magnificent undertaking. It is also a vehicle by which we can better enjoy our own lives, our individual walk through this life through our Masonic relationships.

The actual BROTHERHOOD of men and all the benefits of the intimate relationships we create, help to make our society, our band of Brothers, such a great organization to belong to. Our Work says that, **"Masonry unites men of every Country, Sect and Opinion and conciliates true friendship among those who might otherwise have remained at a perpetual distance."** You see, my dear Brothers, we are all here at this place, at this time, because of one singular circumstance. Because we chose to believe in the obligations we have taken upon ourselves. These obligations are something that we all take most seriously. With each one, we opened our hearts and minds to new ideas, to our newly formed Masonic relationships, regardless of age, race, nationality, wealth, or political ideology. None of us knew, at that particular moment of our Initiation, what being a Mason was really all about. It was therefore in my not so humble opinion, a "**leap of faith**", that the journey we were embarking on was going to make us all better men. The reality is most of us had barely any way of knowing anything about what we were signing up for. Each of our experiences were different due to our own perception. While not exactly the same, all were close enough, that we were all staring at the same exact point and certainly in the same condition. I promise you here today that I certainly did not know the places my **leap of faith** into Freemasonry would take me. The relationships I have formed in Lodge meetings, in nine different states and two countries in the last 13 years became a path I could never have imagined.

I have had the opportunity to travel with several Grand Masters and other Distinguished Brethren in my personal Masonic career. With Entered Apprentices, Fellow Crafts, and Master Masons alike. It is a journey that I encourage each of you to endeavor towards, if you have not had the honor to do so already. I have observed and participated in great events in foreign countries, as well as attending meetings in small rural areas, in tiny old Lodge Rooms and the grandest Masonic Edifices. This path has allowed me to serve the Craft in many different roles, to preside over meetings in my mother Lodge with just three or four Brothers; barely enough to be able to open Lodge. Conversely, to open a Lodge in a National Monument with over 50 distinguished Brethren from several different Grand Jurisdictions, as well as to stand here before you today in this auspicious role that will forever be engraved in my memory. Heady stuff when you hear it. I sincerely do not consider myself special for these particular honors. I do, however, consider myself extremely blessed to have formed relationships with those men, my dear

Brothers, on those trips and in those Lodges comprised of 3, 53, or 1,053. Teaching Catechisms and watching my Brothers enjoy the Masonic Work they get to do; watching them make Masons as I was honored to make them, simply because they made a choice to take that **leap of faith**, learn their Work and put it to good use, which changed their lives, as well as mine and yours. All it took was a little courage to seek out the opportunity to improve ourselves.

*Anais Nin said, "*Life shrinks or expands in proportion to one's courage." So maybe the topic of this oration could be **courage.** *Maya Angelou once said… and I quote "*One isn't necessarily born with courage, but one is born with potential. Without courage, we cannot practice any other virtue with consistency. We can't be kind, true, merciful, generous, or honest." end quote. So, maybe the title should be **Potential**. Both are apropos of course, but for my journey, it seems potential led me to courage and that allowed me to take it, that **leap of faith**.

Regardless of how we got here, what we claim it was that brought us together as Brothers, to this time, to this place, we too must recognize that we are all here because WE, each and every one of us had the same potential, the same courage to take that **leap of faith**. Swearing to obey our obligations to each other. To be good men and Masons, swearing not to the Fraternity and not even to our God, but to each individual worthy Brother whomever and wherever they may be.

My Brothers, each one of us has the power to make those walks better for our fellow man, starting with ourselves. I encourage you to look around and remember those who also took that leap of faith. To cultivate new Masonic relationships across all previously mentioned lines and borders. To FOSTER (pun Most intended) those relationships that already exist, and most importantly set the example by reaching out to reinvigorate that Brotherly relationship which may seem lost, in keeping with the spirit of unity within the Craft.

Travel when you can and where you can. Even if it's just a few feet away to shake hands with the Brother behind you that you have never met; across the table at dinner tonight, in your District, State, or across international borders. Have the courage with the singular goal that the relationships you form from your interaction with your Brothers will improve not only your walk through life, but theirs as well.

I will leave you with a quote that has served me well in this Fraternity, Edward Everett Hale, an American Author wrote, "I am only one, but still I am one. I cannot do everything, but still I can do something; and because I cannot do everything, I will not refuse to do something that I can do."

By following the fine example of Edward Everett Hale, our Fraternity will benefit and we will all be the better because of it. We are all linked together by that indissoluble chain of sincere affection because we have all taken the same giant **leap of faith.**

May the Supreme Architect of the Universe grant his blessing upon each and every one of you here today.

Thank You

[The Grand Master asked that all Ladies and those who are not Master Masons to retire from the Grand Lodge Room.]

[The Grand Master called the Craft from Refreshment to Labor at 2:05 p.m.]

REMARKS

The Grand Master recognized M∴W∴ Jeffery G. Jones, Grand Master, Most Worshipful Union Grand Lodge, Prince Hall Affiliated, for his remarks.

M∴W∴ JEFFERY G. JONES, GRAND MASTER: Brothers, good afternoon. Protocol already having been established, I have to still pause to give honor to my Lord and Savior Jesus Christ and to this Most Worshipful Grand Master, Jeffrey S. Foster, his Elected Line, Officers, and to each of you Brothers here assembled I say again to you, good afternoon.

First let me just say it is indeed an honor and privilege to finally have been able to make it here with you Brothers. It has taken us 152 years of our organizations' existence for us/me to finally be here, but I am so elated and happy that it is me, as the 19th Most Worshipful Grand Master of the Most Worshipful Union Grand Lodge of Florida, Belize, Central America, Jurisdiction Incorporated Prince Hall Affiliated. I am equally as happy to be accompanied by my Grand Line, who you all have already met; but I have with me my entire Grand Line in addition to two of my security officers as well as our Honorable Master Mason of the Year.

I am also elated to be accompanied by the 15th Most Worshipful Grand Master, the Honorable Bishop Doctor Michael R. Moore. Who most may not know that actually this road to recognition and mutual agreement started with him. Our 17th and 18th Grand Masters asked me to wish you all well and apologize for not being able to be here today; they are both members of the Elected Nine Scottish Rite Masons and they are with our Sovereign Grand Commander, the Honorable Corey Hawkins, celebrating with the Northern Jurisdiction in Philadelphia this week.

I also wanted to bring apologies on behalf of our Grand Chancellor Carl Finneson who wanted to be here so badly, but unfortunately tragedy struck his family, they lost 3 family members to a car accident last evening. So he is not able to be here but he does send his most sincere wishes for a harmonious session.

As I stated, it has taken 152 years for us to get here, but like the old adage says "In God's time things are all possible." And we are here in his time. There's an old painting that some of our French Brothers may be familiar with that was commissioned in the late 1800's by an artist by the name of Jean Leon Gerome and the painting is a picture of a woman coming out of a well with a horrified face. The story behind this painting is this, the lady is called The Truth but she is often accompanied by The Lie. And The Lie said to The Truth let us bathe in the well for the water is nice. The Truth being suspicious of The Lie tested the water and found that it was nice so they both bathed in the well. But soon The Lie leapt up out of the well grabbing the clothes of The Truth and running off on her way. The Truth, being horrified, leapt out of the well to chase The Lie but was unable to catch The Lie because as she noticed while running the world looked at her with disgust. So she climbed back into the well where she remained forever as The Lie ran around clothed as The Truth. Because the world has no desire to know the naked

truth. What that story tells us is that it has been said; it had been felt; it had been thought that this could not and would not ever happen. That is the lie because I stand here today as the 19th Most Worshipful Grand Master with the truth clothed that good men come together to do what is right in the sight of the Lord, all things are possible.

When your Grand Master and his team visited us in Jacksonville last month I said in my allocution that Masons, we the Masons, of the world have the tools to make the world a better place. If we practice what we know as Masons we can set the example for others to follow. Florida has taken that step and many other jurisdictions have done the same, but I know that because of the steps we are taking to be a true Brotherhood regardless of race, color, creed, political views, religion, etc., we as men can come together because we are all Brothers and Sisters in Christ.

I love each of you, may God Bless You and keep you in my prayers. Thank you.

MOTION

M∴W∴ Richard E. Lynn, P.G.M., Grand Secretary, moved that the remarks made by M∴W∴ Jeffery G. Jones, Grand Master, Most Worshipful Union Grand Lodge, Prince Hall Affiliated, be included in our Proceedings so this momentous occasion can be embossed in our memory forever. Motion carried.

GRAND MASTER'S REPORT
2021-2022

Distinguished East, Distinguished Guests, Masters and Wardens, and my Brothers all, good morning and welcome to the 193rd Annual Grand Communication of The Most Worshipful Grand Lodge of the State of Florida. To our visiting Brothers, I hope that you are enjoying our hospitality and thank you for visiting with us. If you require anything, please don't hesitate to let us know.

The task of organizing, scheduling, arrangement, and making sure that everyone is properly accounted for here at our Annual Grand Communication is a monumental task and the preparation starts many months prior to any of us arriving here. I wish to extend my sincere gratitude to Most Worshipful Richard E. Lynn, P.G.M., Grand Secretary, the Grand Lodge Office Staff, the Arrangements Committee, and Returns and Credentials Committee for their hard work and dedication ensuring that we have a successful Annual Grand Communication.

To my fellow Elected Grand Lodge Officers, the time has come, much too quickly, for my term to end and your time has come to rise to a new station and serve the Craft. I am confident that you will serve the Craft with the heart of a servant, cautious not to use undue authority, but act with the wisdom of Solomon. To my friend and Brother, our Deputy Grand Master, as you take the weight of the Fraternity upon your shoulders, know that I will always be there to support you.

To my Brothers, one year ago, you bestowed upon me the greatest honor within your power and I hope that my labors this year have proven it a wise decision. I could not have performed these arduous duties by myself, so if history records this as a successful year, then the credit doesn't belong to me, but to the Brothers that accepted an appointment and served on the various committees of our Grand Lodge.

To the Appointed Grand Lodge Officers, I will always be grateful for your support and encouragement. We have traveled many miles, visited each Masonic District, and visited as many Lodges as time would permit. One Officer has almost always been by my side, and that is our Grand Marshal, R∴W∴ Haskell Vest. He has earned the love and respect of the Craft by always going the extra mile when rendering assistance. I thank him, not only for his dedication to me, but to the Fraternity.

To the Right Worshipful District Deputy Grand Masters, a more dedicated group of men I could not have found. They affectionally call themselves "Foster's Fleet", and I could not be prouder of the work that they have accomplished this year, and it certainly eased my burden.

To the Right Honorable District Instructors, I can't thank you enough for your hard work and dedication. To selflessly give your time in instructing the Craft in the proper conferment of our Esoteric Work is arduous and demanding, but I assure you that your work has not gone unappreciated.

I wish to thank all our State and Zone Chairmen for working hard and informing the Craft of our programs. Brothers, their reports are presented here at this Grand Communication but know that these reports will not adequately express the amount of work that they took upon themselves this year. I would like to make special mention of a couple of committees, but each committee has performed exceptionally well this year.

The Endowment and Investment Committee, under the leadership of R∴W∴ William S. McCloud, has continued to provide sound advice to the Corporate Board concerning the management of our Endowment Fund. Their foresight and acumen have proven to be the best as they continue to guard our interests in a market that can change very quickly.

The Committee on Work, under the leadership of R∴W∴ A. Gary Cavanaugh, is one of the hardest working group of men who spend countless hours behind the scenes, assisting the District Instructors and Lodges. As you will hear in their report, they have issued 10 Gold Cards and 92 Blue Cards to learned Brothers this year.

To the Membership Development Committee, who has worked diligently through various avenues to help rebuild our membership under the leadership of R∴W∴ John Paniccia. Our social media marketing and reimbursement program was facilitated by Brother Christopher Burns. When we approached Brother Burns about assisting Lodges around with state with building their membership he didn't hesitate. He took a program that was successfully working in his Lodge and developed a program that he could share with the other Lodges in our jurisdiction. His quarterly reports prove that there are young men of faith and quality looking for what our Fraternity has to offer.

There is a Brother that does a tremendous amount of work each year, but only a few see it. That is R∴W∴ Stephen R. Gladstone. He is General Counsel to the Corporate Board, he reviews all contracts that the Grand Master signs, and handles all legal issues that come against the Fraternity. I cannot express my gratitude for all his hard work and dedication to the Fraternity.

Sadly, we said goodbye to Mrs. Lisa Tsotsos, as she retired this past March after being with us for such a long time. We sincerely thank her for all that she did for the Masonic Home and our residents and wish her success in whatever the next chapter brings to her and her family. I want to welcome Ms. Renee Verrier to our family. She has been hired as the new Masonic Home Administrator and I have no doubt that our Home is in great hands.

The First Lady's project of renovating the lobby restrooms and courtyards at the Masonic Home is well underway despite the number of obstacles that our world today is experiencing, and I thank each and every one of you for your amazing support.

To the Past Grand Masters who whispered wise counsel and have availed themselves whenever called upon this year, thank you. Each of you have influenced me along my journey and you have my undying gratitude. M∴W∴ Thomas L. Turlington and Lady Sandy, thank you for your friendship and love that Hollyn and I will always cherish. To M∴W∴ Danny R. Griffith, thank you for starting me along this path and being the example that I have tried to emulate. To M∴W∴ Elmer G. Coffman, thank you for always being there, giving me counsel, and helping me along the way. To M∴W∴ Richard E. Lynn, it isn't enough to say, "thank you", that would not express my gratitude adequately for what you have done.

The historical significance of this Annual Grand Communication will forever be etched in the annals of our Proceedings. In April of this year, the Grand Lodge Officers were invited to attend the Annual Grand Communication of the Most Worshipful Union Grand Lodge, Prince Hall Affiliated, in Jacksonville. Today, I am extremely proud to have the Honorable Jeffery G. Jones, Most Worshipful Grand Master of the Most Worshipful Union Grand Lodge, Prince Hall Affiliated, and his Grand Line here with us. This year marks the first time that our Grand Lodges have visited each other since the agreement between M∴W∴ John E. Karroum and M∴W∴ Walter Gulley, Jr., was signed in 2018. I want to thank the Foreign Affairs Committees, from both Grand Jurisdictions, who have been meeting quarterly and working diligently to ensure that our future together as equal, but separate Fraternities, will be one of peace and harmony.

Brothers, as I close my report and submit it for your approval, I want to thank my wife of 38 years, without her I could not have done any of this. I want to thank the Brethren for all of their unending support, their unhesitant assistance, and for shining the light of Freemasonry.

Respectfully submitted,

M∴W∴ Jeffrey S. Foster
Grand Master

MOTION

R∴W∴ Donald W. Cowart, Junior Grand Warden, moved that the entire report of the Most Worshipful Grand Master be accepted as presented and/or printed and distributed and referred to the appropriate committee for review. Motion carried.

DIRECTIVES 2021-2022

DIRECTIVE NO. 1 – Issued June 2, 2021

This is my permission and written Directive authorizing you, R∴W∴ A. Gary Cavanaugh, State Chairman of the Committee on Work, or R∴W∴ Larry W. Your Request for Dispensation to allow Peninsular Lodge No. 85 to ballot on the Petition for the Three Degrees of Freemasonry of Mr. Maxwell-Yu Chen Tao prior to his meeting the ninety day residency requirement for active military of Regulation 31.08 of the Digest of the Masonic Law of Florida is hereby refused. Your Request for Dispensation has been received; however, it is hereby refused. There are no provisions for short of time conferral of the Three Degrees of Freemasonry this Grand Lodge Year. The only general exceptions I will be making are for military personnel who are on active duty and for those who will be leaving to serve our country. While I understand the candidate listed on the request will be moving out of state to go to college, I feel that the candidate will profit greatly from being able to absorb the Lectures of the Degrees at a more moderate pace by allowing the normal layover time between Degrees.

EXECUTIVE ORDER NO. 7

January 31, 2022

To: All Particular Lodges

Re: IRS – 990-N (Electronic Filing Requirement)

I, M∴W∴ Jeffrey S. Foster, Grand Master of Free and Accepted Masons of the State of Florida, do hereby issue the following Executive Order:

WHEREAS, most of you have received the letter the IRS sent to each Particular Lodge notifying us of the Annual Electronic Filing Requirement for the 2021 Tax Year; and

WHEREAS, this filing requirement applies to **ALL LODGES** as follows:

Form 990-N – If an organization normally has gross receipts of $50,000 or less, it **must submit** Form 990-N, Electronic Notice (e-Postcard). **The IRS WILL NOT accept a paper form for this filing**.

In order to file the **Form 990-N** you can log on to the IRS e-card website at https://www.irs.gov/charities-non-profits/annual-electronic-filing-requirement-for-small-exempt-organizations-form-990-n-e-postcard ***(Scroll down to "Ready to file?" and then click the link "Form 990-N Electronic Filing System (e-Postcard)")***; and

Form 990-EZ – For tax years beginning in 2011, if an organization has **gross receipts** less than $200,000 and **total assets** at the end of the tax year less than $500,000, it can choose to file Form 990-EZ, Short Form Return of Organization Exempt Form Income Tax, instead of Form 990. (You would probably use the services of a CPA to file this form or the regular **Form 990**.) ***For more information on instructions for filing the Form 990 log on to*** www.irs.gov/instructions/i990/ch01.html

WHEREAS, **the Grand Lodge Office must be notified of your filing** to ensure our Lodges maintain their 501(c)(10) status, you are ***required*** to send us a copy of the completed Form 990-N, Form 990-EZ, or Form 990, which your Lodge is required to file. Inasmuch as the Subordinate Lodges' Federal Identification Numbers are listed under The Grand Lodge of Florida's Tax Exemption we are responsible to assure that each Lodge files their form.

NOW THEREFORE, I, M∴W∴ Jeffrey S. Foster, Grand Master, do hereby ORDER AND DIRECT the Worshipful Master and Secretary of each Particular Lodge, Memorial Lodge, and the Florida Lodge of Research to comply fully with the Internal Revenue Code of the United States and the Regulations of this Grand Lodge and file a United States Internal Revenue Service Form 990, Form 990-EZ, or 990-N (e-postcard) with the IRS on or before May 15, 2022, and to forward a copy thereof to the Grand Secretary at your earliest convenience.

DONE AND ORDERED at Jacksonville, Florida, this 31st day of January A.L. 6022, A.D. 2022.

Love of country and our flag being a principle basic concept of Freemasonry in America and freedom of assembly, thought, and religion being essential to the practices of our Masonic tenets, it is fitting that we take time to show our appreciation for our great heritage and as Masons to exemplify and promote patriotism and demonstrate our dedication to the great democratic principles which have made us a great nation.

THEREFORE, I DO NOW PROCLAIM AND DIRECT:

That the month of February 2022 be designated as "AMERICAN CITIZENSHIP MONTH" for the Masons of Florida and that all Particular Lodges participate in special programs to emphasize our loyalty and continued support of our American institutions and our democratic way of life.

It is up to us, as Masons, to meet the challenge of helping prepare them for the years ahead by devoting some of our time and talents in conveying to them a knowledge of the high ideals and ideas which we cherish and hold so dear; and

If there was ever a time in the history of our Fraternity or of our Country when Masonry should be in close contact with the youth that time is TODAY, for the youth of today are going to accept and follow some type of leadership.

THEREFORE, I DO NOW PROCLAIM AND DIRECT:

That the month of March 2022 be designated as "MASONIC YOUTH MONTH" for all Masons in Florida, and do request that each Particular Lodge participate in a special project of supporting all of our youth organizations in every way possible, with special programs, visitation to their meetings and affairs, and timely assistance with expressions of encouragement; and

W∴ KURT D. MARSH: The following poem is dedicated to M∴W∴ Brother Thomas L. Turlington, Jr., Past Grand Master of The Grand Lodge of Masons of Florida. We at Bethlehem Lodge No. 276 looked to M∴W∴ Brother Turlington as one of the many bridge builders who built and maintained this mighty bridge of our Fraternity, before us and the Brothers who came after them, so that we can continue building and maintaining for those who shall come after all of us.

The Bridge Builder
By Will Allen Dromgoole

An old man going a lone highway,
Came, at the evening cold and gray,
To a chasm vast and deep and wide.
Through which was flowing a sullen tide through.
The old man crossed in the twilight dim,
The sullen stream had no fear for him;
But he turned when safe on the other side
And built a bridge to span the tide.

"Old man," said a fellow pilgrim near,
"You are wasting your strength with building here.
Your journey will end with the ending day,
You never again will pass this way;
You've crossed the chasm, deep and wide,
Why build this bridge of evening tide?"

The builder lifted his old gray head;
"Good friend, in the path I have come," he said.
A youth whose feet must pass this way.
This chasm that has been as naught to me
To that fair-haired youth may a pitfall be,
He, too, must cross in the twilight dim,
Good friend, I am building this bridge for him.

FIRST REPORT OF THE COMMITTEE ON MASONIC JURISPRUDENCE

M∴W∴ Stanley L. Hudson, P.G.M., Chairman of the Jurisprudence Committee, presented the following report and moved for its adoption. Motion carried.

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The Committee on Masonic Jurisprudence is authorized by Article IX, Sections 1 and 2, of our Masonic Constitution to review all matters of Grand Lodge that are Fraternal and Corporate. The Jurisprudence Committee this Grand Lodge Year is comprised of all living Past Grand Masters together with ten (10) members of the Craft appointed by the Grand Master.

The Committee held its first meeting on February 5, 2022, at the Rosen Plaza Hotel in Orlando, Florida. Newly Proposed Legislation was reviewed to enable the Jurisprudence Committee to make recommendations to the voting Delegates at the Annual Grand Communication. The Proposed Budget and Statement of Condition were tabled until the Grand Communication when the final audited figures would be available. At this meeting Right Worshipful Deputy Grand Master Robert J. Lambert, presented his plans and program for the coming Grand Lodge Year.

The Legislative Meeting was held via video conference for the purpose of presenting the Proposed Legislation by the Chairman. This meeting was held for the purpose of informing the Craft of the legislation which will be voted on at this Grand Lodge Communication and to assist in this important decision-making process.

I am grateful that the majority of the members of the Jurisprudence Committee is present at this Grand Communication and is continuing to fulfill dutifully its obligation to review Fraternal and Corporate matters. On behalf of the members of the Committee, I wish to extend our most sincere gratitude to the Grand Secretary and his Grand Lodge Staff for the outstanding service that they have provided throughout the year and especially for the job that they have done in preparing for this Grand Lodge Communication.

This year our Grand Master, Most Worshipful Jeffrey S. Foster, has fulfilled his many duties and obligations to the Craft and Grand Lodge. He has performed with pride and dignity. Most Worshipful Foster supports our Masonic Youth and has recognized that they are indeed the future of our Fraternity. His presence at many of our Masonic Youth meetings has not gone unnoticed. While traveling thousands of miles within and without

the Jurisdiction of Florida, he has also attended and presided at several Lodge Installations. In all cases he has shown that in him your trust has been well-founded. We all say to him, "Well done good and faithful servant."

Once again, it is the responsibility of the members of the Jurisprudence Committee to review all Fraternal and Corporate matters including the actions of the Grand Master, the Board of Trustees of the Masonic Home, the Corporate Board and, also, to review all proposed legislation and then make recommendations to you, the Craft. You, the Craft, are the final decision-makers in this process. The Jurisprudence Committee recommends; the Craft will decide.

As each Resolution is presented, I will make known the Jurisprudence Committee's recommendation and the reason or reasons for that recommendation. In each case, regardless of the recommendation, I will move for the adoption of the Resolution so as to bring it to the floor for discussion. After discussion, we will vote. Keep in mind that you are voting on the Resolution, not on the Jurisprudence Committee's recommendation.

Each Resolution will be decided by a "yes" or "no" vote. A "yes" vote means that you are in favor of the Resolution. A "no" vote means that you are opposed to the Resolution. Vote for the good of the order.

My Brothers, in the same manner as last year all Delegates have been issued a voting fob and all Past Masters have been issued a BLUE voting card. Remember, only Delegates and Past Masters are eligible to vote. Please bring the fob with you to all Sessions.

Respectfully submitted on behalf of the Jurisprudence Committee,

M∴W∴ Stanley L. Hudson, P.G.M., Chairman

In balloting for Grand Officers, each Lodge is entitled to three (3) votes; if there be but two (2) of the three (3) principal Officers of a Lodge present, the Officer highest in rank shall cast two (2) votes; the Officer present shall have precedence over the proxy of an Officer higher in rank, but if two (2) or more of the Officers are represented by proxies, such proxies shall have precedence according to the rank of the Officers they severally represent; and if there be but one (1) Officer or proxy present, he shall cast the three votes of his Lodge. (Art. III, Sec. 2).

Respectfully Submitted,

R.·.W.·. James W. Demenkow, P.D.D.G.M., Harbor City Lodge No. 318

The Jurisprudence Committee unanimously recommended rejection of this Resolution as the system as it stands affords equal votes to all of the Lodges. To extend the vote to the above mentioned would take away equal representation and afford the area where Grand Lodge is held an unfair advantage.

(Rejected by electronic written ballot.)

RESOLUTION AS TO ELIGIBILITY OF WORSHIPFUL MASTERS AND SENIOR WARDENS OF PARTICULAR LODGES

WHEREAS, the Digest of the Masonic Law of Florida stipulates and defines the limits of the responsibilities and authority of the Principal Officers of Particular Lodges; and

WHEREAS, since time immemorial it has been the tradition for the Lodges of the Fraternity of Free and Accepted Masons of Florida to be governed within the boundaries as set forth in the Digest; and

WHEREAS, the election taking place only allows for one member per seat of Office by majority vote. WHEREAS, no provisions in the Digest explain the recourse if said election took place and an Officer was elected without proper required training and could not be installed; and

WHEREAS, failure to complete said training would cause issues in other elected Offices and would be unable to be installed to the elected office if the Officer elected to his Office did meet the requirements of the training.

NOW THEREFORE BE IT RESOLVED that in the Digest of the Masonic Law of Florida, Chapter 19, under Eligibility, Regulations 19.03.2 and 19.03.3 (page 183) be amended as follows:

19.03.2 Every Brother who is nominated and elected to the office of Junior Warden, Senior Warden, and Worshipful Master of any Particular Lodge shall have completed and passed and Master Mason Exam I, Master Mason Exam II, and Master Mason Exam III before his ~~installation~~ nomination to that office. (2022)

19.03.3 Every Brother who is nominated and elected to the office of Worshipful Master, Senior Warden, or Junior Warden of any Particular Lodge shall have completed the Masonic Leadership Training and his completion be recorded on his profile at Grand Lodge before his ~~installation~~ nomination to that office. This shall be done by the Senior Warden by January 2022 and the Worshipful Master by January 2023 in order to provide time to accomplish compliance with this Regulation. (2022)

Respectfully submitted,

Brother Leonard Morreale
Landmark Lodge No. 383

The Jurisprudence Committee recommended the adoption of this Resolution as this would eliminate the possibility of an Elected Officer not being installed due to lack of the required training, thereby requiring a new election.

(Adopted by a show of hands.)

RESOLUTION TO CHANGE THE ELECTION OF LODGE OFFICERS

WHEREAS, By-Law Section 7.02 of Regulation 24.05 of the Digest of the Masonic Law of Florida, Uniform Code of By-Laws has caused confusion during the election process; and

WHEREAS, this has led to qualified Brothers not seeking leadership positions within the Lodge due to the possibility of not being elected to the next Station; and

WHEREAS, this has led to the necessity of having special Dispensation from the Grand Master to allow for late nominations and/or elections.

THEREFORE BE IT RESOLVED that By-Law Section 7.02 of Regulation 24.05 of the Digest of the Masonic Law of Florida, Uniform Code of By-Laws, be amended as follows:

Respectfully Submitted,

M∴W∴ Jeffrey S Foster, Grand Master

The Jurisprudence Committee recommended the rejection of this Resolution as the Committee felt that this would not be a solution to the problem as stated.

REPORT ON THE SUB-COMMITTEE ON FOREIGN RELATIONS

M∴W∴ Jorge L. Aladro, P.G.M., Chairman of the Jurisprudence Sub-Committee on Foreign Relations, presented the following report and moved for its adoption. Motion carried.

To the Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

Your Sub-Committee on Foreign Relations has reviewed all the Proceedings received by our Grand Secretary's Office from Jurisdictions from around the Masonic world for our review.

We start with the 2022 Report of the Grand Masters Conference of North America held in February in Milwaukee, Wisconsin. Which we submit for printing and distribution in our Proceedings.

<u>My service in the Commission on behalf of the Southeastern Masonic Conference</u>

To the Brethren of the Southeastern Masonic Conference, it has been an Honor to represent you it in the Commission on Information for Recognition. In February last, I started my seventh year and are currently serving as Chairman of the Commission; some of you have asked me to stay on and have praised the service I have provided, your kind words were much appreciated, but the By-Laws of the Commission do not permit it and I believe new blood is needed anyway.

This coming August, at our next Conference in Hot Springs, Arkansas, you must select my replacement. This Most Worshipful Brother should be from a state that has not served in the Commission in sometime, someone that enjoys reading, and being somewhat of a detective to follow the winding roads which the stories of the different Grand Lodges will take them and most of all not to be influenced by undo pressure, names, or titles of the presenters but instead to let the facts lead you and never to make a decision until both sides and in some cases five and six have been read, understood, and the truth as seen guides you to the right decision. Bought influence should never have a place in the Commission. This will probably be your greatest challenge, stay true to Masonry, meet them on the level, be kind but let your rectitude of conduct be your badge of honor.

I'm humbled that you gave me the privilege to serve you, and I remain your humble servant when needed, feel free to reach out to me. Thank you, Thank you, Thank you for the trust bestowed on me. I pray the Lord has guided my steps in my service and that I have served you well.

Foreign Relations Sub-Committee Report

We have studied the birth of several Grand Lodges with great interest, it seems that personalities, egos, and third-party conflicts have blemished the birth of several Grand Lodges. Unfortunately, this seems to be the norm with Grand Lodges being created in the last decade, not by the Grand Lodges created but by those who created them, bringing their sins to their creations.

We are witnessing unprecedented times within Masonry, of supposed leaders that apply rules for thee but not for me and are allowed to get away with their actions because of who they are or what Grand Lodge or organization they belong to or come from. Bullying and threatening of the strong on the weak has no place in Masonry, especially when is done for personal gain or to increase their standing within Masonic Organizations while everyone goes about their business as if nothing happened, just happy it was not them.

My Brothers "Evil succeeds where good is indifferent." Never hesitate to stand up for what is right or go against the popular trends, regardless of the personal or institutional cost. We as Masons are on the level and should treat each other as such, more especially a Brother Mason and Grand Lodges regardless of their rank and stature.

Most of Masonry's problems are not from outside but from within, by members who place themselves above the law and common practices, whose egos cause them to create schisms within their Grand Lodges or within their organizations to satisfy their egos, to rise to the top not with the purpose in mind to improve the institution, but to simply say they were there and done that. Look at their accomplishments and other than that they have reached the top or made themselves known, they have nothing to show for all the troubles, discontent, and division they have created in their own Lodges.

If you are a leader of any Grand Lodge or Masonic Organization and you are ignoring or not engaged with the current affairs of Masonry worldwide this too will sooner or later come to your doorstep. Stay informed, do the due diligence, listen to all sides, do your own research; you will be the better for it. Do not be fooled or be used by someone that may have many titles, experience has taught me that they are most easily influenced by favors and not by facts and more often than not, these unscrupulous individuals spin the truth to meet their narrative, for them the ends justifies the means.

We recommend that The Grand Lodge of Florida adopts a policy of not taking into consideration for recognition any Grand Lodge who has been created for less than seven years. This will give the new Grand Lodge an opportunity to prove its worthiness, by their conduct among its sister Grand Lodges and the practice of the Rites and Masonic Principles required for recognition. This is a practice used by other Grand Lodges and it reduces the chances of making the wrong call and gives us an opportunity to judge them on their previously established record.

The Regular Grand Lodge of Tahiti and Archipelagos or Grand Lodge of Tahiti
After ten years of the creation of this Grand Lodge, the National Grand Lodge of France has brought grievances before the commission.

Based on the previous three reports of the Commission on Information for Recognition, it is the consensus of this sub-committee that no real amicable solutions have been presented. All involved have made mistakes. The Commission did not have the wisdom of Solomon, nor did they have the vision to look into the future.

Whether or not to kill a Grand Lodge after ten years of impeccable conduct among the Grand Lodges of the world is not an easy thing to do. The question is how does one unring a bell?

The National Grand Lodge of France who was represented at the Commission according to most of the members polled of the Commission at the time recall no objection on the creation of The Grand Lodge of Tahiti, nor did they object after the report was made public, nor did they object the following year after the National Grand Lodge of France regained its recognition, after being rejected by most of the Grand Lodges of the world. It took ten years to raise such an objection. However, there is nothing presented that The Regular Grand Lodge of Tahiti has not practicing regular Masonry for the last ten years.

We believe that the National Grand Lodge of France had many opportunities to voice their objection not having done so before now, and not presenting a reasonable solution to a problem of their own making by the loss of their recognition, we cannot in all honesty snuff the life of this Grand Lodge. We must work to find better solutions between both parties without outside interference.

There are rumors being circulated that the National Grand Lodge of France has made statements that they will withdraw recognition of any Grand Lodge that remains in amity with the Regular Grand Lodge of Tahiti. However, I have been assured by their Grand Chancellor that such is not the case.

Notwithstanding the statement above we have received a copy of a petition of the members of Zone 2 of the Interamerican Masonic Conference better recognized as the CMI dated December 2, 2021, whose members are The Grand Lodge of Cuba, The National Grand Lodge of France, The Grand Orient of Haiti, The Grand Lodge of Puerto Rico and The Grand Lodge of the Dominican Republic requesting the Executive Board of the CMI that, and we quote:

4. “TO FORMALLY REQUEST THE EXECUTIVE COUNCIL OF THE CMI, WHICH, FAITHFUL TO THE PRINCIPLES THAT UNITE US, TO PUBLICLY SUPPORT THE NATIONAL GRAND LODGE OF FRANCE IN THE FACE OF THE ALLEGED DIVISION OF FRENCH REGULAR FREEMASONRY AND

CONSEQUENTLY TO RECOMMEND AND **PROHIBIT** ALL THE GRAND LODGES THAT MAKE UP THE CMI, NOT TO RECOGNIZE OR ESTABLISH ANY PACT WITH THE SO-CALLED REGULAR GRAND LODGE OF TAHITI AND ARCHIPIELAGOS (GRANDE LOGE RÉGULIÉRE DE TAHITI ET DES ARCHIPELS (GLRT)"

The fact that they are requesting a Confederation to **prohibit** a Grand Lodge from recognizing another, cuts against the established norms of recognition and sovereignty of the member Grand Lodges of the CMI. And leads to disbelief that such long establish Grand Lodges would think this action to be correct and frankly, it demonstrates poor judgement. Which can lead reasonable minds to believe they have yielded their sovereignty to a conference, calling their very own recognition into judgment for their lack of sovereignty. We are please to find that the Executive Council rejected such a petition.

It is our recommendation that until such time as both parties come to an amicable solution that we maintain recognition of the Regular Grand Lodge of Tahiti.

The Equinoctial Grand Lodge of Ecuador - La Gran Logia Equinoccial del Ecuador
This Grand Lodge has been in dispute since it was created by The Grand Lodge of Ecuador. This year this Grand Lodge appeared before the Commission on Information for Recognition to request a finding that they meet the Standards of Recognition.

After the Conference we have continued to investigate this matter, obtaining information from both sources as well as looking into independent sources.

We encourage The Grand Lodge of Ecuador to enter into a mutual treaty of sharing the territory for the betterment of Masonry in the Republic of Ecuador, as well as Masonry in South America, by making this historic event happen in an effort to unite the Ecuadorian Brethren.

Mexico
The following Grand Lodges in Mexico are recommended for recognition:

Muy Respetable Gran Logia Regular y Confederada del Estado de Chiapas. **The Grand Lodge of Chiapas.**

Muy Respetable Gran Logia del Estado de México. **Grand Lodge of the State of Mexico.**

Muy Respetable Gran Logia Michoacana "Lázaro Cárdenas." **Grand Lodge of Michoacán.**

Muy Respetable Gran Logia del Estado de Nayarit. **Grand Lodge of Nayarit.**

Muy Respetable Gran Logia "Benito Juárez García" de L y A.M. del Estado de Oaxaca. **Grand Lodge of Oaxaca.**

Muy Respetable Gran Logia "Benemérito Ejercito del Oriente" de A.L. y A.M. del Estado de Puebla. **Grand Lodge of Puebla.**

Muy Respetable Gran Logia del Estado de Querétaro de A.L. y A.M. del R.E.A. y A. **Grand Lodge of Queretaro.**

Gran Logia de Estado Soberana e Independiente "El Potosí de A.L. y A.M.. **Grand Lodge of San Luis Potosi**

Muy Respetable Gran Logia de Estado "Restauración" de A. L. y A.M. del R.E.A. y A. de Tabasco**. Grand Lodge of Tabasco.**

Gran Logia Unida "La Oriental Peninsular" del Estado de Yucatán. **Grand Lodge of Yucatan.**

The above Grand Lodges have each sent a request for recognition, we have examined their documents and determined that these Grand Lodges meet all the Standards of Recognition. These Grand Lodge are members of the Confederation of Regular Grand Lodges of the United Mexican States a body determined by the Commission on Information for Recognition of the Conference of Grand Masters of North America to be regular.

It is the recommendation of the Foreign Relations Sub-Committee that The Grand Lodge of Florida extends recognition to all the Grand Lodges listed above, The acceptance of this report will have achieved the recognition of thirty of the thirty-one Grand Lodges of the Confederation of Regular Grand Lodges of the United Mexican States, a project we set out to assist them with three years ago.

We very much appreciate the support of M∴W∴ Ándres Magaña, P.G.M., of The Grand Lodge of Colima, and current Secretary of the Confederation, M∴W∴ Ismael Gutierrez, Past Grand Master of Zacatecas, Past President of the Confederation and currently the Chairman of the Foreign Relations Committee of the Confederation and M∴W` Fernando Martinez, P.G.M., of The Grand Lodge of Chihuahua, Past Secretary and Current President of the Confederation, together with the Grand Masters and Grand Chancellors of the various Grand Lodges recognized.

The Grand Lodge of Free and Accepted Masons of Lebanon
Last year we recommended to wait until information was presented to the Commission on Information for Recognition. (The Commission)

This year information was presented to the Commission which involved the Grand Lodge of New York, Scotland, District of Columbia, and the National Grand Lodge of France. This gets interesting.

At the time of the creation of The Grand Lodge of Lebanon by The Grand Lodge New York, there were three Grand Lodges that had Lodges within the territorial boundaries of Lebanon. The National Grand Lodge of France was not one of them and this was proven by The Grand Lodge of New York which presented evidence to the fact. The National Grand Lodge of France did not have any Lodges listed in said territory until 2020, two years after the creation of The Grand Lodge of Lebanon. This claim by The National Grand Lodge of France should be null and void as they came into this territory without permission from The Grand Lodge of Lebanon whose territory is the Republic of Lebanon.

Next the claim that the Grand Lodge Scotland was not notified of the actions The Grand Lodge New York was taking in creating a Grand Lodge in Lebanon is totally irrelevant as this is not a requirement of law of any kind by any Grand Lodge as each of them are sovereign. By the way, at the time of the creation of said Grand Lodge there was no amity between these two Grand Lodges which situation continues to the present. The same requirement of notification is also not required of The Grand Lodge of the District of Columbia as well, as the Commission reported:

"*However, that need for consultation, while a custom [in Europe], and even a well recommended custom, is not a requirement for forming a Grand Lodge."* [added]

If this is to be true it must apply to all parties involved, and even further if this is such an established custom in Europe why did the National Grand Lodge of France not comply and notify The Grand Lodge of New York and The Grand Lodge of Lebanon prior to creating a Lodge in an already occupied territory by The Grand Lodge of Lebanon and the Chartering Grand Lodge of New York.

To shed light on this situation the Commission quoted from a booklet title "Grand Lodge Recognition" written in 1956 to serve as a guide for the Commission then and in the future by some of the best minds regarding Regularity and Recognition and it quoted the following:

"As a source to resolve the dispute, we would draw your attention to Grand Lodge Recognition, The Commission on Information for Recognition (Macoy, 1956). The inestimable Roscoe Pound, a Deputy Grand Master of Massachusetts and a legal scholar still studied by U.S. law students, cited with approval Dr. Mackey's statement: [I]t is competent for any Grand Lodge to grant a warrant of constitution and establish a Lodge in such unoccupied territory….And this right of granting warrants inures to every Grand Lodge in the World and may be exercised by as many as choose to do so, as long as no Grand Lodge is organized in the territory. 19-20, citations omitted.

The National Grand Lodge of France established a Lodge after the territory of the Republic of Lebanon was in its entirety taken by The Grand Lodge of Lebanon.

We need to look further into what Dr. Albert G. Mackey had to say on this subject, in the book "A Text Book of Masonic Jurisprudence Illustrating the Written and Unwritten Laws of Freemasonry" Fifth Edition, 1863, which was quoted by R∴W∴ Roscoe Pound.

In Book V "Laws relating to Grand Lodges" in Chapter I "The Nature of a Grand Lodge," we find the following in page 424, second paragraph, regarding the organization of a new Grand Lodge that can be most helpful in better understanding this situation.

The Grand Lodge thus formed, by the union of not less than three Lodges in convention, at once assumes all the prerogatives of a Grand Lodge and acquires exclusive Masonic jurisdiction over the territory within whose geographical limits it has been constituted. No Lodge can continue to exist, or be subsequently established in the territory, except under its authority; and all other Grand Lodges are precluded from exercising any Masonic authority within the said territory.

These are all principles of Masonic law which have been accepted by universal consent and sanctioned by constant usage by Masonic Organizations since 1859.

There was a complaint raised by The Grand Lodge of Scotland about a Lodge which formed part of The Grand Lodge of Lebanon that had a Charter in their possession that belong to The Grand Lodge of Scotland, and that it should be returned to said Grand Lodge. This was a contention between the Grand Lodges of Scotland and Lebanon, although Lebanon never had the Charter in its control or possession.

This last Thursday, May 26th, we received communication from The Grand Lodge of Lebanon that said Lodge under the auspices of The Grand Lodge of Lebanon was given instruction on returning the Charter in question to its rightful owner, upon refusal the Grand Master gave them an option to return the Charter or lose their current Charter with The Grand Lodge of Lebanon. The parties involved chose not to return the Charter to Scotland and consequently lost their Charter from The Grand Lodge of Lebanon for their refusal to comply with a legitimate order of the Grand Master of Lebanon.

Because of the actions taken by The Grand Lodge of Lebanon in resolving the conflict, and the fact that they were legally constituted we now recommend that The Grand Lodge of Florida recognize this Grand Lodge and welcomes them into Regular Masonry as one of the newest Sister Grand Lodges in the World. We continue to pray that the Grand Lodges involved in this conflict, stop using The Grand Lodge of Lebanon as a child in a divorce case being pulled from all sides, while they settle their own disputes.

The Most Worshipful Union Grand Lodge Most Ancient and Honorable Fraternity, Free and Accepted Masons, State of Florida and Belize, Central America, Jurisdiction, Incorporated Prince Hall Affiliated

We have been in amity now for four years with our counterpart Union Grand Lodge in an effort to continue to move our fraternal relations further to the point where we can achieve Lodge visitation, which is our Grand Lodge and membership's goal to see the Brethren dwelling together in unity.

Due to the unfortunate events that 2020 brought us with the COVID pandemic our actual meetings and negotiations slowed down because of having to comply with the requirements set for us by the government agencies. Nonetheless, we continued the communications and as of 2021 quarterly meetings between the two bodies were held.

The Grand Lodge of Florida received an invitation from The Most Worshipful Union Grand Lodge Prince Hall Affiliated for the Grand Lodge Officers of both Grand Lodges and their respective Committees to meet on March 11, 2021. This was a historic meeting where for the first time the Officers of both Grand Lodges would meet face to face. After a frank and harmonious discussion this wonderful meeting concluded with all the Brothers breaking bread together in peace and harmony, where Brotherly Love and Affection prevailed. Many personal connections were made that evening which brought us even closer to our goals. We further agreed to attend each other's Annual Grand Communications this year. We looked forward to this event.

On April 22, 2022, history was once again made when we attended the public festivities of that day. The following day we were escorted to the distinguished guest reception room where we shared the room with several Prince Hall Grand Lodges from around the country who were visiting the Union Grand Lodge.

In due time all distinguished guests were received into their Annual Communication and as M∴W∴ Grand Master Jeffery G. Jones informed the Craft that "we have been waiting for this day to come for 152 years." We were received with so much Brotherly Love and Affection that there is no doubt the reunion of these two Grand Lodges was met with great approval by the Grand Architect of the Universe. For it is said "that where two or three are gathered together in Thy name, Thy will be in their midst and bless them." Brethren, we were Blessed that day and we are Blessed here today.

Today, we completed the first cycle of visits between Grand Lodges, and I hope that all of you can take in the enormity of this momentous occasion, which I pray is the beginning of a beautiful friendship that will endure the test of time. "Behold how good and how pleasant is for Brethren to dwell together in unity." Thank you, Lord, this is an opportunity I have long sought.

During the past year the members of the committees representing their respective Grand Lodges were as follows:

Representing the Union Grand Lodge were the following Brothers:

R∴W∴ Carl Finerson Grand Chancellor, Chairman
M∴W∴ Anthony T. Stafford, P.G.M.
R∴W∴ Kendall T. Moore, Senior Grand Warden
R∴W∴ Tommie Wright, Grand Secretary
R∴W∴ Judge Matthew Stevenson

Representing The Grand Lodge of Florida were the following Brothers:

M∴W∴ Jorge L. Aladro, P.G.M., Chairman
M∴W∴ Richard E. Lynn, P.G.M., Grand Secretary
R∴W∴ Edward M. Sexton, P.D.D.G.M.
R∴W∴ Haskell R. Vest, Jr., Grand Marshal

Again, I would have loved for R∴W∴ Carl Finerson to be here today with us, to share this moment, because he has been an invaluable part in the successes of the negotiations between our Grand Lodges, we are Brothers but even more we have become friends and I pray the GATU wraps His loving arms around him and his family and gives them comfort.

We want to thank both committees for their diligence in the negotiations and look forward to the day when our respective Most Worshipful Grand Masters agree to Lodge visitations. If the reception by the Craft at the Union Grand Lodge Annual Communication and their reception here yesterday is any indication of the will and pleasure of the Craft, I'm sure that the day of inter-visitation will happen in a not too distant future. May our words and actions be heard by the Almighty and His will be done.

Most Worshipful Grand Master this committee thanks you, the Grand Secretary, and his staff for all the assistance they provide this committee. It is truly a pleasure to serve the Craft and this Grand Lodge. May God Bless you all.

Fraternally,

M∴W∴ Jorge L. Aladro, P.G.M. Chairman
R∴W∴ Tali Atala, Member

MOTION

R.∴W.∴ Glen B. Bishop, Senior Grand Warden and Chairman of the Finance and Accounts Committee, presented the following Statement of Condition with changes and moved for its adoption. Motion carried.

STATEMENT OF CONDITION

Pursuant to Chapter 14, Regulation 14.12, 2(d), of the Digest of the Masonic Law of Florida, the Proposed Budgets for the 2022-2023 Grand Lodge fiscal year are attached.

Below are summaries of the **expenses anticipated and income needed** to fund both the Grand Lodge Administrative Budget ("A" Budget) and the Masonic Home of Florida Budget ("D" Budget) for the Grand Lodge Year ending March 31, 2023.

GRAND LODGE ADMINISTRATIVE "A" BUDGET:

The proposed Grand Lodge Administrative Budget for 2022-2023 totals $1,762,629, including the contingency reserve of $147,883. The value of the Fraternal Administrative Endowment Fund as of December 31, 2021, was $1,533,296, the value of the Perpetual Membership Fund December 2020 was $16,868,380 and as of December 31, 2021, was $19,181,257, and the 2021 interest distribution to the Lodges calculated a 7.441 percent return or $959,054.

We currently have approximately 4,421 Brothers that are exempt from paying dues, which affects our gross income and revenues. We have approximately 30,339 members; however, of this number only approximately 25,918 pay dues and per capita which includes Perpetual Members.

The Grand Secretary, the Grand Treasurer, and the Grand Lodge Staff continue to do an outstanding job in controlling costs and at the same time providing an extremely high level of service to the Craft.

MASONIC HOME OF FLORIDA "D" BUDGET:

The Proposed Budget for the Masonic Home of Florida for 2022-2023 totals $8,934,169. This includes a contingency reserve of $407,209. It is important to know that the Masonic Home of Florida is funded by voluntary contributions. No monies from dues or per capita tax fund the Masonic Home. We must keep in mind that a High Market does not necessarily mean additional income to the Masonic Home. We can only budget income derived from Realized Capital Gains and Dividends. This past year the withdraw was 3.5% following the recommendation of the Endowment and Investment Committee; the withdraw was below the 5% recommended ceiling. The combined value of the Masonic Home Invested Funds as of March 31, 2022, was $72,622,500. Aging equipment continues to be challenging; however, the Board of Trustees is actively engaged in reviewing programs and additions that will create a revenue stream for the Masonic Home, thereby reducing the required withdraws from the Endowment Funds.

Our Administrator and her staff, the members of the Board of Trustees, and the Masonic Home Budget Committee are to be commended for their efforts in providing and maintaining a well-run facility. The Administrator and Staff have gone above and beyond all of our expectations. In May of 2022 is when the Finance and Accounts Committee will finalize any changes in the revenue and expense figures. All changes will be read into the Minutes of the 193rd Annual Grand Communication for approval of the Craft.

The Proposed Budgets have been reviewed and recommended by the undersigned members of the Corporate Board of The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida and is presented to the Particular Lodges and their Delegates for consideration and approval.

Respectfully submitted,

M∴W∴ Jeffrey S. Foster, Grand Master
R∴W∴ Robert J. Lambert, Deputy Grand Master
R∴W∴ Glen B. Bishop, Senior Grand Warden
R∴W∴ Donald W. Cowart, Junior Grand Warden

WHEREAS, the Grand Lodge, by Regulation, may further regulate the use of such duplicate copies and Ciphers (Art. XV, Sec. 2) currently in English and Spanish; and

There shall be one Spanish Translation and three (3) duplicate copies of the Spanish Translation of the Forms and Ceremonies. There shall also be one (1) digitized copy of the original and Spanish Translation of the Forms and Ceremonies. (2019); and

WHEREAS, Chapter 38 Ritual and Ceremonies, Regulation 38.04 states in part: "…use is specifically authorized by appropriate Resolution of Grand Lodge, which Resolution shall specify in detail the use to be made of such original and the terms and conditions governing such use." (1992); and

WHEREAS, in the last 7 years Brazilian communities have been growing in several areas of the State of Florida, especially Orlando, Miami Dade, Broward, and Palm Beach Counties; and

WHEREAS, The Grand Lodge of Florida could host these new different groups of incoming Brothers, allowing them to work in their native language (Brazilian Portuguese) and forming a Brazilian Portuguese speaking Lodge since they are willing to work, contribute, and grow within Freemasonry; and

WHEREAS, there are not any Forms and Ceremonies translated to Brazilian Portuguese available, allowing this potential group to work, in Brazilian Portuguese, under The Grand Lodge of Florida Ritual and Ceremonies; and

WHEREAS, a volunteer group composed by five Past Masters, members of Lodges under The Grand Lodge of Florida jurisdiction, who know the Three Degrees, Lectures, Charges, and who are fluent in Brazilian Portuguese, Spanish, and English and are willing to start the translation work under Grand Lodge of Florida Jurisdiction, direction, and control. The translation plan includes to work at every open books day, no less than two hours, and at the end of that workday, deliver to the District Instructors all the material produced and translated until the next open books and until everything gets done. After which that translation will be reviewed and submitted to the Committee on Work, for their final approval.

NOW, THEREFORE BE IT RESOLVED that the group of volunteers be authorized to start the translations under The Grand Lodge of Florida Jurisdiction and under the Committee on Work's direction and control. The translation includes all the Degrees and Forms and Ceremonies.

RESOLUTION FOR TRIAL COMMISSION MEMBERS

WHEREAS, in Masonic Trials, the main points of law shall be: First, a charge plainly stated; second, a reasonable notice to the accused; and third, a speedy and impartial trial; and

WHEREAS, these main points are guaranteed by the Digest of Masonic Law (R. 44.47) and Chapter Two, "The Masonic Rights of the Accused," of the *Administration of Masonic Justice in Florida;* and

WHEREAS, in Regulation 44.63 it points out that where there is a need for a "Trial Commission" the Grand Master shall appoint 5 members to the commission and appoint one as the chairman; and

WHEREAS, the Grand Master when he sets up the "Trial Commission" should have already determined that there is something to be investigated; and

WHEREAS, this could unintentionally bias the members of the "Trial Commission" by being appointed directly by the Grand Master; and

WHEREAS, the members will often be familiar with one another and communicate about the trial in advance of all the evidence and form an opinion prior to the actual Masonic Trial; and

WHEREAS, this bias could interfere with a "Fair and Impartial Trial" as guaranteed in the Constitution; and

WHEREAS, it is the right of every Mason to defend his Masonic life before an impartial panel of his peers.

THEREFORE BE IT RESOLVED that a program be initiated at Grand Lodge for a random selection of the members of the Trial Commission based upon the membership I.D. numbers of Past Masters; and the Grand Master shall pick a chairman from the randomly selected members.

Changes would be as follows:
44.63 (d) If the Grand Master grants the request for trial by Trial Commission he shall, in his order granting the request, appoint ~~five (5) Florida Master Masons as a Trial Commission to conduct further proceedings, designating one of them as Chairman, and giving address and telephone number of all of the members of the Commission~~ and including in his order directions in respect to further proceedings as he shall deem appropriate. One (1) copy of the order shall be delivered to the Lodge, a copy to the Grand Secretary, a copy to the District Deputy Grand Master, a copy to the accused and a copy to the accuser or one of the accusers and to the members of the Trial Commission.

44.63 (d) If the Grand Master grants the request for trial by Trial Commission he shall in his order granting the request appoint ***a Chairman out of 20 randomly selected Past Masters that were chosen to serve on the Trial Commission. Four of the twenty members selected from the lottery will serve at a time to sit on the Trial Commission during its proceedings. Remaining Past Masters from the lottery shall serve as potential alternates. The Chairman shall provide address and telephone numbers of all the sitting members of the Commission*** and including in his order directions in respect to further proceedings as he shall deem appropriate. One (1) copy of the order shall be delivered to the Lodge, a copy to the Grand Secretary, a copy to the District Deputy Grand Master, a copy to the accused and a copy to the accuser or one of the accusers and to the members of the Trial Commission.

Respectfully Submitted,

R∴W∴ John R. Stokes, P.D.D.G.M.
W∴ J. Hansford Joiner, Past Master

The Jurisprudence Committee unanimously rejected this Resolution because when seeking members to serve on a Trial Commission the Grand Master selects Brothers that have a knowledge of the Digest of the Masonic Law of Florida and the Administration of the Masonic Justice Manual.

(Rejected by a show of hands.)

RESOLUTION TO AMEND BY-LAW SECTION 1.01 CHARTER

WHEREAS, Article V, Section 4, of the Constitution of the Digest of the Masonic Law of Florida states: "The Grand Lodge has the power to constitute new Lodges, and grant Charters or Warrants of Constitution for the same, and has the supervision and approval of the By-Laws of the Particular Lodges, and therefore may adopt a Uniform Code of By-Laws for their government; *provided,* that local Regulations for the benefit of the Craft be not interfered with."; and

WHEREAS, a Lodge is not permitted by Masonic Law to operate without a Charter; and

WHEREAS, the name and number of the Lodge is very predominate on the Lodge Charter; and

WHEREAS, the Uniform Code of By-Laws Section 1.01 contains the date and location of the Lodge Charter but does not contain the name and number of the Lodge.

THEREFORE BE IT RESOLVED that Regulation 24.05, By-Law Section 1.01 Charter on page 175 of the Digest of the Masonic Law of Florida be amended to read as follows:

1.01 Charter.-This Lodge exists by virtue of a Charter, dated ____ and named _____ Lodge No. _____ from The Most Worshipful Grand Lodge of Free and Accepted Masons of the State of Florida, and is located *_____ in the county of _____ in this state.
(NOTE: *Fill in the most accurate description of the location as follows:
(a) Street address (if any) in the (City or Town) of (Name)_____, or if in a rural area in the (Fractional) of Section _____ Township _____, Range _____ on road (Name or number) (Distance) miles (Direction) of (Nearest Town).

Respectfully submitted,

M∴W∴ Richard E. Lynn, P.G.M.
Grand Secretary

The Jurisprudence Committee unanimously recommended the adoption of this Resolution as the Uniform Code of By-Laws currently only requires the physical address of the Lodge to appear in the By-Laws and should include the name and number of the Lodge.

(Adopted by a show of hands.)

INTRODUCTION
W∴ JEREMY BARNES, AMITY

The Grand Master introduced W∴ Jeremy Barnes, co-creator of the new Amity Membership program.

M∴W∴ JEFFREY S. FOSTER, GRAND MASTER: Our next speaker is W∴ Brother Jeremy Barnes, who is one of the founders of the Amity mobile application.

W∴ Brother Barnes was Raised to the Sublime Degree of Master Mason in 2004, by Potomac Lodge No. 5 in Washington, DC. Of course you know that Potomac Lodge is the custodian of the George Washington Gavel, which was here at Grand Lodge just a few years ago. Jeremy has joined the Gavel on trips around the country, and has been interviewed in print, on radio, and on TV about its history and its connection to our Craft.

Jeremy served his Lodge as its Master in 2009, which – coincidentally – was the same year that the Lodge was named in Dan Brown's book, *The Lost Symbol*. After leaving the East he served as a Lodge Trustee from 2010-2012, as Secretary from 2012-2015, and since 2021 has been a Trustee again.

He has also served the Grand Lodge of DC in several roles over the years, including: Grand Director of Ceremonies; Grand Sword Bearer; Grand Tiler; and Grand Marshal. This year he is also chairing the Grand Lodge's Audit Committee.

Professionally, Jeremy has been a software developer for almost 30 years. He's worked at every level of a company, from founding startups to executive roles at publicly-traded companies. He is also a repeat entrepreneur and has started over a dozen businesses, from nonprofits to real estate investment groups.

Jeremy loves to travel, and in 2019 – as working with Amity became his full-time job – he put his things in storage in Virginia and hit the road full time. He's visited Lodges around the world, and in fact spent most of the last few years in Mexico. (He'll say it was COVID, but maybe it was the tequila?)

Jeremy brings his understanding of how business works, and how Freemasonry works, together to support The Grand Lodge of Florida with Amity. Together with his best friend Michael – they've known each other since they were 3! – they have created a tool for Masons that is unique in the world. But I'll leave it to Jeremy to tell you more about that.

It's my pleasure to introduce Jeremy to you!

PRESENTATION BY AMITY

W∴ Jeremy Barnes presented the new Amity Membership System to the Craft via a PowerPoint Presentation. He highlighted key features of the Amity App that will be beneficial to Lodges in checking member statues and showing which Out of Jurisdiction Grand Lodges and Lodges under those Grand Jurisdictions are recognized by The Grand Lodge of Florida.

REPORT OF THE SUB-COMMITTEE ON LODGE CHARTERS

M∴W∴ Stanley L. Hudson, P.G.M., Chairman of the Jurisprudence Committee, presented the following report and moved for its adoption. Motion carried.

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

There was one consolidation this Grand Lodge Year: Coral Springs Lodge No. 373 and North Broward Lodge No. 404 consolidated to form Cornerstone Lodge No. 416, effective August 21, 2021.

There were four mergers this Grand Lodge Year: Tropical Lodge No. 56 merged with Lehigh Acres Lodge No. 344, with Tropical Lodge No. 56 being the continuing Lodge, effective August 31, 2021; Inglis Lodge No. 324 merged with Dunnellon Lodge No. 136, with Inglis Lodge No. 324 being the continuing Lodge, effective September 30, 2021; Bethlehem Lodge No. 276 merged with Esther Lodge No. 144, with Bethlehem Lodge No. 276 being the continuing Lodge, effective April 30, 2022; Concord Lodge No. 50 merged with Thomas A. McQueen Lodge No. 341, with Concord Lodge No. 50 being the continuing Lodge.

The Grand Master arrested the following Charter: Memorial Lodge No. 7, effective December 13, 2021.

There was one Lodge Under Dispensation and after careful review of the records by this Committee and the Grand Secretary's Office, it is the recommendation of this Committee that John E. Karroum Lodge, U.D., be granted a Charter.

After careful review of the actions of the Grand Master this Committee finds that the Grand Master acted in accordance with the Digest of the Masonic Law of Florida.

Respectfully submitted:

M∴W∴ Richard G. Hoover, P.G.M., Chairman
M∴W∴ Steven P. Boring, P.G.M.
M∴W∴ Danny R. Griffith, P.G.M.

The Grand Master recognized the Officers and members of John E. Karroum Lodge, U.D. He commended them on their efforts.

REPORT OF THE SUB-COMMITTEE ON RULINGS AND DECISIONS

M∴W∴ Richard G. Hoover, P.G.M., presented the following report and moved for its adoption. Motion carried.

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

The Grand Master did not issue any Ruling and Decisions during the Grand Lodge Year 2021-2022; therefore, there were no Ruling and Decisions for the Sub-Committee to review.

Fraternally,

M∴W∴ Danny R. Griffith, P.G.M., Chairman

REPORT OF THE ENDOWMENT AND INVESTMENT COMMITTEE

R∴W∴ William S. McCloud, Chairman of the Endowment and Investment Committee, presented the following report and moved for its adoption. Motion carried.

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

Most Worshipful Grand Master, Elected and Appointed Grand Lodge Officers, and My Brethren All:

The summary of all accounts in our portfolio at the end of our fiscal year on March 31, 2021, is as follows: total value of $112,108,678. The majority of our assets are in the following accounts: the Masonic Home "E" Fund is valued at $43,608,387, the Masonic Home Endowment, Inc., is valued at $40,006,385; the Perpetual Membership Fund is valued at $17,360,872; Depreciation and Museum Reserve is valued at $3,763,766; and the Administrative Endowment Fund is valued at $1,914,166.

There are several special notes this year:

The total return of our combined accounts at BNY Mellon for the period 04/01/2021 thru 03/31/22 was 4.5% net of fees. This is significantly below our target return and is due to the impact of the current US economic and global conditions related to rising interest rates, raising inflation, the Ukrainian war, and the current Fed tightening policy. As of April 30th our combined portfolio was valued at $104,286,992.

Our combined withdrawal amount for all accounts was $6,003,291 or 5.4%; however, when adjusted for contributions our withdrawal rate was 3.5% and for the third year in a row is below our recommended target rate of 4.50%. The $6,003,291 withdrawal was however a significant increase over the previous fiscal year by nearly 45% or $1,859,939. We caution that such increases are not sustainable especially in light of the current market and economic conditions and we need to remain diligent in pursuing cost savings measures, increased contributions, and additional revenue sources for the Home.

We continue to strive to reduce our asset allocation risk each year and will continue to be prudent in our responsibilities in monitoring our investment managers, our ongoing cost, and portfolio performance.

We commend the Grand Master and the Corporate Board in their ongoing goal of creating additional revenue sources for the Home in light of the need to maintain the sustainability of both the Home and the Endowment for future generations.

The Committee would like to encourage the Craft to give generously to the Masonic Home and our Charitable Gift Annuity.

We would also like to thank the Grand Master and Corporate Board for the opportunity to serve the Craft.

Respectfully submitted,

R∴W∴ William S. McCloud, Chairman

REPORT OF THE SUB-COMMITTEE FOR THE MEMORIAL SERVICE
May 29, 2022

To The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida:

R∴W∴ A. Gary Cavanaugh, State Chairman of the Committee on Work, presented the following report and moved for its adoption. Motion carried.

Most Worshipful Grand Master, Elected and Appointed Grand Lodge Officers, and My Brethren All:

The Memorial Service for the One Hundred Ninety-Second Grand Communication of the Grand Lodge of Free and Accepted Masons of Florida was held on Sunday May 29, 2022, at approximately 11:30 a.m. in Ballroom C of the Rosen Plaza Hotel, located in Orlando, Florida, with R∴W∴ A Gary Cavanaugh presenting the service.

R∴W∴ Cavanaugh made some welcoming remarks, and informed everyone present that during the past Masonic Year, 1,038 of our members transitioned from this life in the flesh to their deserved place in the Celestial Lodge Above.

An opening prayer was offered by the R∴R∴ Grand Chaplain, W∴ Chet Tokar. R∴W∴ Cavanaugh then called the District Deputy Grand Masters to come forward as their District was called and placed a red rose upon our Altar in memory of the departed Brothers from each of their respective Masonic Districts that have been reported as passing away during the past Grand Lodge Masonic Year.

R∴W∴ Cavanaugh offered a few words of comfort, and then presented the following Brothers:

R∴W∴ Jason Johnson who delivered the eulogy for R∴W∴ Luther "Chop" Bodiford, III

R∴W∴ Gary Gamache, who delivered the eulogy for R∴W∴ Alan Eugene Heist

M∴W∴ Jorge L. Aladro, P.G.M., who delivered the eulogy for R∴W∴ Nestor O. Rodriguez

R∴W∴ David LaHart who delivered the eulogy for R∴W∴ Jehremie Michael Woods

Among the 1,038 beloved Brothers that had transitioned during the past year, were thirty-three of our Past Grand Lodge officers, Past District Deputy Grand Masters, and District Instructors. A list of these Brothers with a short Masonic history of each was compiled and distributed to all present as a Book of Remembrance.

A moment of silence was then held in memory of these departed Brethren.

R∴W∴ William "Joe" Paul then graced the service by singing "The Lighthouse."

W∴ Robert St. John then preformed a stirring rendition of "Amazing Grace" on the bagpipes.

The District Deputy Grand Masters were then called to come forward, with each picking up a rose, and distributing them to anyone that was holding up their hand who had lost a loved one recently, were suffering in worry about a serious illness of a loved one, or were going through a very rough time themselves.

R∴W∴ A Gary Cavanaugh then thanked R∴ W∴ Larry Thomas, as the Co-Chairman of this Committee; W∴ Robert St. John, Jr., for playing the bagpipes; R∴W∴ Joe Paul for singing a song and taking care of the sound system along with R∴W∴ Woody Jones, R∴W∴ Yogi Bishop, R∴H∴ Ed Metcalf, and W∴ Oliver Piercy and anyone else that assisted in any way with this Memorial service.

R∴W∴ Cavanaugh then offered an Irish Poem, a prayer of healing, and then offered the benediction.

R.·.W.·. Cavanaugh then thanked everyone for attending and ended the Memorial Service.

Respectfully Submitted,

FAREWELL REMARKS
M∴W∴ JEFFREY S. FOSTER, GRAND MASTER

Good Morning again, my Brothers. I just want to tell each and every one of you as I was walking around the hotel, everyone would shake my hand and say "What a great year you had." I had a great year, but only because of you, each and every one of you. I could not have done it if it had not been for the 30,000 Masons of this state. Your support, your efforts, and I appreciate it. Worshipful Masters please go back to your Lodges and express my heartfelt appreciation to every member that is in your Lodge.

To my District Deputies, I don't know how many of you are left in attendance as I've seen a bunch of you disappeared on me. To my District Deputies, the ones who represented me throughout the state this year, you guys are wonderful. Everybody says they pick the best District Deputies but I've had a great team. And in my book, you guys are the best.

To the District Instructors that are still here, thank you guys. Our Esoteric Work is what separates us from the other clubs, the other Fraternities. And I really appreciate your efforts in ensuring our Lodges receive proper instruction to properly perform and confer our Degrees. Your work has not gone unnoticed. You have one of the most arduous duties and each and every one of you has fulfilled that duty with pride and absolute mastery. I thank you.

To all my Zone and State Chairmen that took on the responsibilities of spreading the messages of the Grand Lodge Programs this year, thank you. I think we have done exceptionally well this year and I have to ask one question, how many ties did you receive? Thank you guys again for all of your hard work. I appreciate it.

To my Appointed Officers who represented Grand Lodge this year, you guys have done an outstanding job and you represented well and I don't have the words to say how much I appreciated all of your support.

To my fellow Elected Grand Lodge Officers, for another hour, thank you, my friends, I am proud of you.

May God Bless each and every one of you. Thank you.

INAUGURAL ADDRESS
M∴W∴ ROBERT J. LAMBERT, GRAND MASTER

First and foremost, I want to introduce my wife Carol Lambert, and thank her for everything she has done and tolerated through the years.

I also want to introduce the rest of my family: my daughter Jessica Meyer and her husband Joseph with my granddaughter Lillian and my grandson Joey; my youngest daughter, Marybeth; my baby sister Susan with her daughter Melinda; and another special sister Sandy Turlington.

I also want to thank my installing officer M∴W∴ Elmer Coffman, I appreciate you very much. M∴W∴ Foster, I know you got your steps in today and I really appreciate the job you did and it was probably a learning experience for you too.

I do want to thank all the Past Grand Masters, every one of them has been an inspiration to me and you've talked to me about many things and I hope to carry those messages and carry those teachings into the year.

To the Brothers from the Bahamas, I can't thank you enough for being here today. It's my second home over there and I really am happy you came to see me. I was there many years ago at your Installation and M∴W∴ Karroum was also there. It was quite a beautiful event. Thank you.

I also want to thank M∴W∴ Lynn for not hitting the delete button on me.

Each year Grand Masters talk about their focus and what he wants to accomplish. I feel this is a road to failure. We have gotten into the habit of starting a new endeavor and allowing previous projects in their infancy to die of neglect. This year we are going to take a different approach. Take what's been started and build on it. We are going to continue with the reimbursement for the marketing program and I ask if your Lodge is not participating or is not getting results to look and learn from the Lodges that are using it with success and ask for help to make it so you too can reap the rewards of your hard work.

To build on this we need to do the next thing and give the Brothers what they came for and that is education and to be a true value to the community. I have asked our Masonic Education Chairman, with the help of the Scottish Rite, to build a mentoring program. Not Catechism Instructors; but real mentors to teach the meaning of the Esoteric Work

of this great Fraternity. Giving them the opportunity to understand the deeper meanings of who we are and the symbolism that we use. Our Brothers want to discuss philosophy and their relationship with everything around them. We are taking our website to the next level to make it a tool for real education.

There are those who feel that the Child ID Program has reached its end and should be dropped. It is evident that the way we are doing it today needs to change or future Grand Masters will have no choice but to shut it down. The process that we are using has fallen behind what is considered usable by Law Enforcement. They can no longer accept CD's and thumb drives for fear of viruses and malware. I have asked the State Chairman of the Child ID Program to reach out to the FBI and use the program that they have implemented and it is perfectly acceptable by Law Enforcement. This does not require that we have laptops or any type of cameras to ID the children. More information will be coming from the State Chairman when we get approval and instruction from the bureau.

I know that many Lodges already do some type of outreach and others are working on more things to get out and be visible in the community. A Brother told me a story about a young Brother that approached his minister and told him he was becoming a Mason. The minister told him you don't want to be a part of them they are devil worshipers. He told him if you want to join a group of good God-fearing men, he should join the Shriners. We must get better at letting the world know who we really are. This is one more example that the world no longer knows who we are.

Getting outside of your Lodges and inviting the uneducated to see who we really are does take a lot of work. A daunting task, one that some Lodges feel is impossible to complete. Gene Krantz, the mission control officer during the Apollo 13 mission, was attributed to having said: "Failure is not an option." What was really said during an interview for the Apollo 13 movie was, "We just calmly laid out all of the options and failure was not one of them."

I have a favorite quote from St. Francis of Assisi; I keep it hanging on my office wall, "Do what is necessary then do what is possible suddenly you are doing the impossible."

May God bless you and your families, our beloved Fraternity, and all who serve to protect our safety and our liberties wherever they may be in this world, and may God Bless the U.S.A.

I also want to introduce my father James Lambert.

[The Ladies and those who are not Master Masons were asked to retire from the Grand Lodge Room. The Grand Master reconvened Grand Lodge at 1:06 p.m.]

MOTION

M∴W∴ Richard E. Lynn, P.G.M., Grand Secretary moved that the Minutes of the 193rd Annual Grand Communication be not read, but be approved and written in the Proceedings after approval by the Grand Master and immediate Past Grand Master. Motion carried.

The closing prayer was given by R.·.W.·. David E. Mangrum, R.·.R.·. Grand Chaplain.

[There being no further business appearing before the Grand Lodge, the 193rd Annual Grand Communication was closed in Ample Form by Grand Master Robert J. Lambert at 1:08 p.m.]

Fraternally,

Jeffrey S. Foster
Past Grand Master

Fraternally,

Robert J. Lambert

SPECIAL APPENDIX

In Memoriam

Our Fraternal Dead

"No one hears the door that opens
When we pass beyond the call;
Soft as loosened leaves of roses
One by one our loved ones fall.
From our chain these links have fallen,
In our land their stars have set.
But enshrined in memory's tablet,
Their true worth we'll ne'er forget."

IN MEMORIAM

R∴W∴ LUTHER "CHOP" BODIFORD, III
PAST DISTRICT DEPUTY GRAND MASTER
ROBERT BUTLER LODGE NO. 305

Born: May 18, 1960
Tallahassee, Florida

Died: January 11, 2022
Havana, Florida

R∴W∴ LUTHER "CHOP" BODIFORD
PAST DISTRICT DEPUTY GRAND MASTER
ROBERT BUTLER LODGE NO. 305

Right Worshipful Luther Bodiford, III, was born in Tallahassee, Florida, on May18, 1960, to Luther Bodiford, Jr., and Hazel Sue Tharpe. He grew up in Tallahassee and graduated from Rickards High School in 1978. He met and married his wife of 27 years, Elizabeth Danner Bodiford, in September of 1979. They have two children together, Ashley and Kaylan.

During his adult years he joined the Freemasons and sprouted a 30 year community of family and friends. Through the years he stayed very dedicated to Masonic affiliated Fraternities, as well as the Masonic Youth Groups.

He worked as a welder, owned a printing shop, was a transporter, worked on boat trailers, and did landscaping work. Most of his friends knew him by his nickname, Chop.

Later in life he met his loving partner Sharon Rines and welcomed her family into his own. Enjoying his time traveling, being a part of the Masonic Communities, and watching the Florida State Seminoles sports is how he spent his amazing years with us all.

His Masonic Career in included Worshipful Master of Robert Butler Lodge No. 305 in 1995; Secretary for over 22 years; District Deputy Grand Master in 1997; and District Instructor in 1996. He was a 33rd Degree Scottish Rite Mason and of late was the Personal Representative of the Scottish Rite Valley of Tallahassee.

Chop laid down his working tools on January 11, 2022, in Havana, Florida. He is survived by his children, Ashley Bodiford, Kaylan Morrison and her husband Joshua Morrison, his loving partner Sharon Rines and her children Renee Armstrong, Kenny Rines and wife Jena, five Grandchildren, and two Great Grandchildren.

A Celebration of Life was held on January 29, 2022, in Tallahassee, Florida.

Brother Chop was a friend, Brother, mentor, and coach to many many people within his large circle of friends and Brothers. His influence and example of what a Brother should be are sorely missed, but there is no doubt that his trials and difficulties with illness are now over, and that the Celestial Lodge Above has gained a valuable member.

Alas, my dear Brother.

Died: August 16, 2021
Groveland, Florida

R∴W∴ ALAN EUGENE HEIST
PAST DISTRICT DEPUTY GRAND MASTER
CLERMONT LODGE NO. 226

Right Worshipful Alan Eugene Heist of Groveland, Florida, a devoted family man, mentor to many, and a friend to all – passed to his heavenly Father on August 16, 2021. Alan is survived by his two daughters, Rachel Jane and Ryleigh Garnett, his mother, Mary Jane Boring, his step-father, Most Worshipful Steven P. Boring, two sisters, Anita Cambron (Emily and Caleb), and Laura (Kyle) Bassett (Aubrey and Alexandra) and several beloved aunts, uncles, and cousins. Brother Alan was preceeded in death by his beloved father, Earl Eugene Heist.

He was born in DeLand, Florida, on July 2, 1969, and graduated from DeLand High School in 1987. As a boy it was clear that Alan inherited a natural curiosity from his father to know how things worked. He spent countless hours tinkering in his garage and found his happy place behind his custom workbench. He enjoyed working on engines and never met a motor he didn't like. He was an avid hunter and traveled to many states with family members pursuing his penchant for the outdoors.

Alan married the love of his life, Cheryl Elizabeth Fenton, on July 19, 2002. They had two beautiful daughters, Rachel and Ryleigh, and settled in Groveland, Florida, where they were members of The First United Methodist Church of Clermont.

He was an extremely active and dedicated member of the Masonic Fraternity and was a Perpetual Member of Clermont Lodge No. 226 and Orlando Scottish Rite Bodies. He was a Past Master of Clermont Lodge, Past District Deputy Grand Master in 2015, District Instructor for 2 years, and served on several Grand Lodge Committees. He was also a member of the three York Rite Bodies, and an adult worker with the International Order of the Rainbow for Girls and a recipient of the Grand Cross of Color.

Alan graduated from the University of Central Florida with a degree in Business and worked in finance at Disney for several years. He took this experience and combined it with his passion for motorcycles and spent the better portion of his career working at Harley Davidson. Most recently, Alan's entrepreneurial spirit and financial expertise inspired him to co-found a Real Estate Appraisal business as well as an e-commerce web solutions consulting company. His memory will be cherished and kept alive by his adoring daughters and family.

Services were held at Clermont Lodge No. 226 on September 4, 2021, at 11:00 a.m.

In lieu of flowers the family asked that memorial donations be made to the special account that has been established for Rachel and Ryleigh.

Rest in Peace, Right Worshipful…Alan Eugene Heist.

R∴W∴ NESTOR OSVALDO RODRIGUEZ
PAST DISTRICT DEPUTY GRAND MASTER
RENACER LODGE NO. 410

Born: February 26, 1936
Cuba

Died: January 13, 2022
Miami, Florida

R∴W∴ NESTOR OSVALDO RODRIGUEZ
PAST DISTRICT DEPUTY GRAND MASTER
RENACER LODGE NO. 410

Good morning. I'm honored to have been given this privilege to not only speak to all of you, but also to speak about R∴W∴ Nestor Osvaldo Rodriguez, who was not only a Brother and a friend, but a person who remains a shining example of what a Mason should be.

He was born in Cuba on February 26, 1936, and was known by many as a source of Masonic knowledge and wisdom. He began his Masonic journey by being Initiated in Coconut Grove Lodge No. 258 on February 27, 1978, passed to the Degree of Fellow Craft on April 24, 1978, and Raised to the Sublime Degree of Master Mason on June 19, 1978, where he served in all the chairs culminating in the Presiding Chair as Worshipful Master on January 1, 1989.

R∴W∴ Nestor Rodriguez was a Mason for 43 Years, 6 Months, and 23 Days. His total "Good Time" shows a life-long commitment to this organization where he touched and influenced many lives.

On May 17, 1995, he was appointed District Deputy Grand Master and afterward served as W∴ Grand Standard Bearer, W∴ Grand Sword Bearer, and Grand Representative for the Grande Loja De Santa Catarina, Brazil. He was also appointed District Instructor for the 35th Masonic District on May 30, 2013.

He served on many Grand Lodge Committees but principally he served on the Committee on Work as Spanish Instructor for thirteen years where he took on the mammoth task of translating the Masonic Ritualistic Work to the Spanish Language.

He was instrumental in the Creation of a new Spanish Speaking Lodge by the name of Clyde S. McLaren Lodge No. 395, where he was elected Secretary and served for eight years. He was then elected Worshipful Master on January 1, 2007, and on July 20, 2009, he was given the honorary title of Secretary Pro-Tem and served as Secretary for another two years.

He joined the Scottish Rite Bodies of Miami at the Spring Reunion on May 5, 1979, and became a 32nd Degree Scottish Rite Mason (Black Hat). He received the Investiture for Knight Commander Court of Honor (Red Hat) on October 18, 1993 and was Coronated a 33rd Degree Inspector General Honorary (White Hat) in 2003. In 2008 he was elected Commander of the Council. He also served as Chairman of the Wardrobe Committee for 20 Years.

He joined Mahi Shriners in Miami where he became active in the Past Masters Unit and the Miami Latin Shrine Club.

In 2016 he again was instrumental in the creation of another Spanish Speaking Lodge by the name of Renacer Lodge No. 410 where he served as Secretary for two years.

The very next year R∴W∴ Nestor helped some of our Brothers to organize Miami-Dade Hispano-Americana Lodge No. 411 which was consecrated May 30, 2017.

A couple of years later, on October 6, 2018, he again signed the UD Lodge petition which latter was consecrated as Perseverancia Lodge No. 413.

On August 22, 2020, R∴W∴ Rodriguez once again signed the petition to set to work another U.D. Lodge which became Nuevos Horizontes Lodge No. 415.

Most Worshipful John E. Karroum was very supportive of the Spanish Speaking Brothers in South Florida so after his untimely death, R∴W∴ Rodriguez again motivated and organized our Miami-Dade County Brothers to set to work on September 25, 2021, in honor of M∴W∴ John E. Karroum, the John E. Karroum, U.D. Lodge.

Brother Nestor's love for everyone in the Fraternity was immeasurable. There was no favor too big or problem too small for him to address.

If this meeting had taken place 4 years ago all of you would have seen a giddy older gentleman in the hallways who was cracking jokes, sparking conversations, and sharing his peculiar insights and interpretations of our great Fraternity.

R∴W∴ Rodriguez was a sound believer that raising the next generation of Masons was as important as developing oneself in the Craft.

I would like for all of you to leave here with R∴W∴ Nestor Rodriguez's favorite phrase, "When times are difficult, and you see yourself not meeting expectations, remember that a rock does not become a polished stone in one day."

R∴ W∴ Nestor laid down his working tools and passed to the Celestial Lodge Above on January 13, 2022.

My Brothers, I wish all of you an excellent Grand Lodge and a fantastic week. Thank you for giving me a part of your day to share who R∴W∴ Nestor O. Rodriguez was and I know he is here right now smiling down on this Fraternity and all of us.

In his name I thank you and wish you a blessed day.

Fraternally submitted,

R∴W∴ Joseph M. Martin, P.D.D.G.M.

R∴W∴ JEHREMIE MICHAEL WOODS
PAST DISTRICT DEPUTY GRAND MASTER
RED LEVEL LODGE NO. 134

Born: March 3, 1978
Omaha, Nebraska

Died: March 28, 2022
Fountain, Florida

R.·.W.·. JEHREMIE MICHAEL WOODS
PAST DISTRICT DEPUTY GRAND MASTER
RED LEVEL LODGE NO. 134

Brother Woods was born on March 3, 1978, in Omaha, Nebraska. In his short 44 years he became accomplished in many areas. After high school and college, Jehremie served in the Navy and as a Captain in the Merchant Marines. Later, he found his niche in Computer Programming and Development. His hobbies were just as diverse. As a NRA certified instructor, he enjoyed teaching classes, especially to women who sought empowerment.

He was an active member of Red Level Lodge No. 134 and held several positions, including Secretary, Worshipful Master, and most recently the position of District Deputy Grand Master in the 4th Masonic District for Most Worshipful Thomas L. Turlington.

Right Worshipful Jehremie was taken from us on March 28, 2022, much too soon after losing his hard fought two year battle with cancer.

Jehremie is survived by his loving mother Diana Woods, his devoted Fiance Marlene Calla, his sisters, Joyce Weddle, Jeanette Woods, and Jolene Swotek; his father, Randall Woods, and numerous aunts, uncles, cousins, nieces and nephews, as well as countless friends whose lives he invested in.

Services were held at Harmony Lodge No. 3 in Marianna, Florida on April 6, 2022, at 10:00 a.m.

Jehremie was an outstanding Mason. There was so much more to this man. He reveled in serving as a mentor to others, especially our youth. He could fix just about anything. He was a great cook; he loved music and cowboy hats. He is remembered as being a true giver of his time, talents, and his devotion to his family and friends. Jehremie was my friend and along with our Brotherhood and also many others he is and always will be greatly missed.

Rest in Peace, Right Worshipful Jehremie Michael Woods. You will be missed.

APPENDIX – PART II

FRATERNAL REVIEWS

The following Fraternal Reviews were reviewed by the Sub-Committee on Foreign Relations:

♦ ♦ ♦

Dominican Republic

On February 8, your Commission received a request to make a presentation to the Commission from Lodges that had withdrawn from The Grand Lodge of the Dominican Republic. Inasmuch as a new Grand Lodge has not yet been formed by these Lodges, it was deemed inappropriate for the Commission to hear the matter. We make findings as to regularity for Grand Lodges that have already been formed. It is not within our remit to give advisory opinions.

Further, there is a requirement that requests to be heard must be made by December 1. Fairness requires the existing Grand Lodge be given notice and an opportunity to be heard. The time was insufficient to do so. That is one reason for the requirement to submit requests to be heard by December 1.

The Grand Lodge of Lebanon

There has come before your Commission a request that a finding be made that this Grand Lodge meets the Standards of Recognition adopted by this Conference. A presentation was made to the Commission by The Grand Lodge of Lebanon and The Grand Lodge of New York who spoke in favor of the request. Presentations were also made by The Grand Lodge of Scotland, The Grand Lodge of Washington D.C., and The Grande Loge Nationale Française, all of whom stood in opposition to a finding that The Grand Lodge of Lebanon met those standards.

We decline to make findings at this time. An explanation is in order.

The Grand Lodge of New York constituted the new Grand Lodge of Lebanon from at least three regular Lodges in 2018. No Grand Lodge had been constituted in and for that nation before that time.

At the time this new Grand Lodge was formed by The Grand Lodge of New York, there were Lodges working in Lebanon under the Grand Lodges of Scotland, New York, and Washington, D.C. It appears the Grande Loge National Française allowed a Lodge to work there after the formation of The Grand Lodge of Lebanon.

It has been pointed out to the Commission that there was no consultation with the other Grand Lodges working in Lebanon before The Grand Lodge of Lebanon was formed. We agree that the well established custom and practice in Europe is to consult with other Grand Lodges working in a jurisdiction. This is the fraternal course that would be expected. Indeed, the failure to do so in this case has led to discontent between Brother Masons and actions that are inappropriate amongst Masons. It is most disappointing that the consultation failed to occur. However, that need for consultation, while a custom, and even a well recommended custom, is not a requirement for forming a Grand Lodge.

More particularly, it has been argued that because Lodges of other jurisdictions continue to work in the country, a Grand Lodge cannot be formed without a treaty between the various chartering Grand Lodges, as there would be a lack of exclusive territorial jurisdiction.

As a source to resolve the dispute, we would draw your attention to Grand Lodge Recognition, The Commission on Information for Recognition (Macoy, 1956). The inestimable Roscoe Pound, a Deputy Grand Master of Massachusetts and a legal scholar still studied by U.S. law students, cited with approval Dr. Mackey's statement:

[I]t is competent for any Grand Lodge to grant a warrant of constitution and establish a Lodge in such unoccupied territory….And this right of granting warrants inures to every Grand Lodge in the World and may be exercised by as many as choose to do so, as long as no Grand Lodge is organized in the territory. 19-20, citations omitted.

There is no other *Grand Lodge* organized in Lebanon. The doctrine often expressed as exclusive territorial jurisdiction has been fulfilled: there is only one Grand Lodge formed for this jurisdiction. Those who have a policy of only recognizing one Grand Lodge in a jurisdiction have not seen a departure from that policy.

Grand Lodges for whom we hold the greatest respect are in sharp disagreement regarding the activities and other conduct that have occurred in Lebanon. We are informed that action is being taken to remedy some of the missteps that have occurred. We urge that for the sake of Freemasonry Universal that the regular Grand Lodges in Lebanon and The Grand Lodge of Lebanon consult, allowing Freemasonry to flourish in that country.

The United Grand Lodge of Georgia
The United Grand Lodge of Georgia has requested the Commission find that it meets the Standards of Recognition.

It has failed to demonstrate that it meets those standards.

We will refer to two different Grand Lodges in this report: The Grand Lodge of Georgia constituted in 2015, and The *United* Grand Lodge of Georgia, constituted in 2018.

The original Grand Lodge of Georgia was constituted in 2015 by three regular Lodges chartered by The Grand Lodge of Russia. At that time, there were other Grand Lodges working in that country. It does not appear there was consultation in forming the new Grand Lodge. The Grand Lodge of Russia issued a document stating (in the English translation) that it "approved" of the new Grand Lodge of Georgia, naming the three founding Lodges. It does not appear this was a Charter. Rather, it appears to demonstrate their consent to the formation of the new Grand Lodge by their Lodges.

In 2018, The Grand Lodge of Russia and other Grand Lodges working in Georgia formed a new United Grand Lodge of Georgia. Importantly, in a document which states twice that it is a Charter, it is first claimed that the "Charter of The Grand Lodge of Georgia, issued by the Grand Lodge of Russia… is hereby canceled." An individual was directed to turn that 2015 Charter over to the new Grand Lodge. The Commission was informed without contradiction that the individual directed to deliver the 2015 document had previously been expelled from the original Grand Lodge of Georgia.

It is also stated in the 2018 Charter that if the new United Grand Lodge of Georgia did not adhere to the Landmarks of Freemasonry, the Charter "will become void and of no value."

This leads us to a number of points:

First, it does not appear the document issued in 2015 to the first Grand Lodge of Georgia was a Charter.

Secondly, even if it was a Charter, your Commission is unaware of any principle of Masonic Law that allows one Grand Lodge to "cancel" the Charter of another sovereign Grand Lodge. Indeed, such a power would be indicative of a lack of sovereignty by the Chartered Grand lodge.

Consequently, even if the 2015 document was a Charter, the 2018 Charter could not act to cancel that 2015 Charter. Further, reserving the power to declare the 2018 Charter void, leads one to believe the 2018 United Grand Lodge of Georgia was not truly a self-governing, independent Grand Lodge.

Additionally, if the 2015 Grand Lodge of Georgia continued to exist and work, as we were informed it has, the 2018 United Grand Lodge of Georgia did not have exclusive territorial jurisdiction.

In sum, the documentation fails to demonstrate that The United Grand Lodge of Georgia meets the Standards of Recognition adopted by this Conference.

The Grand Lodge of Tahiti

In 2012, The Grand Lodge of Tahiti requested that the Commission find that they met the Standards of Recognition. The new Grand Lodge was composed of regular Lodges Chartered by The Grande Loge Nationale Francais (GLNF). The Commission report stated that information was "presented that this new Grand Lodge practices regular Masonry and is a sovereign territory. The Commission is of the opinion that The Grand Lodge of Tahiti meets the standards for recognition."

Based on additional information presented to it, the Commission today is not persuaded that the 2012 finding was correct.

The GLNF asked to be heard on this matter at our meeting on Monday, February 21, 2022. We are informed that GLNF was not present at our proceedings. We note they were going through a disruption in the governance of their Grand Lodge at that time, and many of our Grand Lodges had suspended recognition of GLNF.

In 2012, the Commission proceeded on the un-contradicted information presented to it: that Tahiti was sovereign territory. We are no longer persuaded this is the case. While it is correct that Tahiti has since 2004 enjoyed a unique status under French law, that of "an overseas country," we are not persuaded it is a sovereign country. It is more accurate to describe it as semi-autonomous. Tahitians carry French passports. Tahiti possesses many devolved powers, but does not control its education system or national security. It is notable that for eight years, from 2004 to 2012, Tahitian Masons did not seek to declare themselves independent from the GLNF, only doing so in 2012, when they were dissatisfied with the governance by GLNF.

This brings us to the question of "what to do?" Many Grand Lodges of this Conference, in reliance on the 2012 findings, findings entered ten years ago, have entered into amity with The Grand Lodge of Tahiti. We must ask at what point do we reach finality in our findings as a Commission and our acts of recognition as Grand Lodges? Can we still cast doubt on findings made twenty years ago; fifty years ago?

The Commission has received no information that The Grand Lodge of Tahiti has practiced other than regular Freemasonry in the intervening ten years.

As in all cases of the findings of this Commission, it must be left to each individual Grand Lodge to decide how they act on the findings.

A separate note
We wish to acknowledge at this juncture that many Grand Lodges have a policy to wait a period of years, as much as ten years, from the formation of a new Grand Lodge before agreeing to recognition. This policy certainly has merits as we have seen in the consideration of the three matters just discussed.

Gran Logia Equinoccial del Ecuador
The Gran Logia Equinoccial del Ecuador has requested findings that they meet the Standards of Recognition of this Conference.

The majority of Grand Lodges of this Conference recognize The Grand Lodge of Ecuador, AF&AM, founded in 1921. As we understand the present situation, the two Grand Lodges are in discussions regarding the sharing of the territory by treaty. We encourage such discussions and hope they are fruitful. However, it would be premature for us to make findings that they meet the Standards of Recognition.

Grand Lodge of Mozambique
The Grand Lodge of Mozambique was constituted by the Regular (Legal) Grand Lodge of Portugal in 2009. The founding Grand Lodge supports their request for a finding that they meet the Standards of Recognition. We find that they do appear to meet the Standards of Recognition.

Grand Lodge Cuscatlán of El Salvador
The Grand Lodge Cuscatlán of El Salvador was established in 1912. It enjoys amity with many of the South American and Central American Grand Lodges, a number of the Grand Lodges of this Conference, and in Europe. It appears to meet the Standards of Recognition.

The National Grand Lodge of Togo
The National Grand Lodge of Togo had requested to make a presentation to the Commission, but due to a bereavement, they were unable to travel at this time.

Valle de Mexico
In 2014, the Commission noted that "Over the last decade, it has been reported that [Valle de Mexico] have invaded the territory of a number of neighboring Grand Lodges. We are advised that they have continued this pattern of conduct in an unrepentant manner. We do not find that they meet the Standards of Recognition.

Standing Rules of the Commission on Information for Recognition
These are attached for the information of the Conference and those appearing before the Commission.

STANDING RULES OF THE COMMISSION ON INFORMATION FOR RECOGNITION (2022)

NAME. Commission on Information for Recognition. Conference of Grand Masters (1952) (hereinafter CGMNA 1952), page 72.

ORGANIZATION. Each year a member of one of the constituent jurisdictions of the Grand Masters Conference is elected by the Conference (CGMNA 1952, page 71) for a term of seven years. (CGMNA 1952, page 73, six years, based on six regional conferences).

It is desirable to have a nominee from the regional conferences in rotation to achieve geographical diversity. After notice to the Conference, the Commission may propose a nominee, with preference to the next regional conference in the rotation. (2022).

No member of the Commission, except its Secretary, shall be eligible for re-election. (CGMNA 1952, page 73). The Secretary shall be a non-voting member in addition to the Commissioners. (2022).

Any member who is no longer in good standing as defined by his Grand Lodge may not participate in any meeting or discussions of the Commission. (2022, based on Decision of the Conference Chairman).

Any member who fails to attend Commission meetings for two successive years may be removed by a vote of the majority of the remaining Commissioners present and voting at a special meeting called for that purpose or at the annual meeting. (2022).

All vacancies shall be filled for the unexpired term by election of the Conference at its next annual meeting. (CGMNA 1952, page 73).

Meetings may be held telephonically or electronically. (2022).

The Commission shall have the power to perfect its own organization. (CGMNA 1952, page 73).

PURPOSE. It shall be the duty of the Commission to make findings as to whether Grand Lodges meet the Standards of Recognition established by this Conference when presented with a request for such findings.

FINANCES. The Commission is a separate organization-a child of the Conference-a self-supporting organization which will be financed independently from the Conference of Grand Masters. Jurisdictions who feel the organization is worthwhile may voluntarily support the work.

CGMNA 1952, page 71. The Commission may provide suggested donation amounts to the Grand Lodges. (*See* CGMNA 1952 page 73 with specific amounts).
