

PUBLIC EDUCATION AND CITIZENSHIP COMMITTEE PROGRAM 2023-2024

The ultimate victory of tomorrow is democracy, and through democracy with education, for no people in all the world can be kept eternally ignorant or eternally enslaved.

Bro. Franklin D. Roosevelt

The Public Education and Citizenship Program for 2023-2024 remains essentially unchanged from the past several years.

- A. District Committeemen should maintain regular, direct contact with Worshipful Masters in their District and visit each Lodge on a regular basis.
- B. District Committeemen should place into the hands of each Worshipful Master and Secretary in their District a hard copy of the program and the Annual Report Form and maintain regular communication with them, provide assistance and guidance, and encourage the submission of the Annual Report.
- C. District Committeemen should conduct Public Education and Citizenship Workshops in their District to inform all Brethren of the scope of the program and encourage participation and assist with annual reports.
- D. District Committeemen should establish and maintain contact with each high school in their District and inform them of The Grand Lodge of Florida Scholarship Program as well as provide application forms and guidelines.
- E. Zone Chairmen should maintain regular, direct contact with each District Committeeman and visit Lodges in their Zone.
- F. The State Chairman will, from time to time, communicate with Zone Chairmen and District Committeemen to provide guidance with the program, to answer questions posed, and to encourage Zone, District, and Lodge participation.
- G. **The Annual Report required of each Worshipful Master** (form included in the Program Book) **will be submitted to the State Chairman no later than midnight, February 1, 2024, as an attachment in an email message sent to R.:W.: Oscar Patterson, III, P.D.D.G.M., at opatters@comcast.net. A copy should be sent to the Zone Chairman**
- H. **The success of the Public Education and Citizenship Program depends on the dedication and hard work of the Committeemen who have direct, personal contact with each Lodge in their District both during the D.D.G.M. Official Visit and through regular communication with sitting Masters.**
- I. District Committeemen and Zone Chairmen should mark their calendars to indicate the Annual Report due date, scholarship application due date, and keep the Masters of all Lodges informed of deadlines and reporting methods.

Public Education

Public education in our state and nation has but one intent; the preparation of the next generation of citizens and leaders. To accomplish this task, we have established twelve aspects to a successful educational program which are based soundly on the Seven Liberal Arts and Sciences promulgated by our great Fraternity.

- a. To ask questions and to be creative in the utilization of the answers received;
- b. To be able to read, write, and speak with some level of distinction;
- c. To be able to understand and utilize numerical data;
- d. To understand history and its consequences;
- e. To understand the scientific method and its application in our world;
- f. To make ethical choices and assume responsibility for those choices;
- g. To hear and see more through the artistic experience;
- h. To understand the world beyond our own senses and borders;
- i. To develop sequential learning and the imagination that generates great discoveries;
- j. To develop a grasp of technological developments and their applications;
- k. To be able to see the world and to understand what we see without bias or prejudice;
- l. To understand that changes come through innovation and through new ways of seeing.

To accomplish those goals in Florida, “the Grand Master may appoint a Committee on Public Education and Citizenship. This Committee shall make such studies, prepare such material, and conduct such programs of instruction and dissemination of information in regard to public education and citizenship as shall be authorized and directed by the Grand Master.” (R. 13.20)

Early in our history, when illiteracy was the norm and the people were mostly agrarian laborers, there were no public institutions dedicated to improving the lot of the people and providing a solid future for coming generations. Freemasonry led the way during those ages in developing a competent working class capable of independent thought and action. Masons of previous generations established schools – Brother Benjamin Franklin and the University of Pennsylvania come readily to mind – or otherwise worked to enhance educational opportunities.

However we elect to assist those engaged in this process, we, as Masons, can still make a significant impact on future generations by supporting public education and championing the cause of our public school systems at this point in our history.

Citizenship

The basic principles of American Citizenship are simple:

- a. Life, liberty, and the pursuit of happiness are privileges that people are born with and that cannot be taken away.
- b. Equality under the law requires that all people be treated equally without regard to any external factor.

To further these principles, it is essential that our citizens, especially our students, undertake the study of the following:

1. The basic principles of American Citizenship to include life, liberty, and the pursuit of happiness;
2. Equality under the law;
3. Recognize that citizens have worked and still work to defend American principles;
4. Understand that being an American is defined by the shared basic principles of the Republican Form of Government;
5. Know what the term “Republican Form of Government” means and how we are a constitutional republic with a representative democracy;
6. Understand that the American people come from different ethnic origins and different countries, but are united as Americans by our basic principles.

The Link

The link between education and citizenship is clear. It is through our system of public education that current and new citizens develop their ideas about our republic, our way of life, our concept of plain dealing, and truth, and above all, our ability to imagine and then realize our plans.

To enhance the relationship between public education and citizenship your Grand Lodge has created this program, and, through the Public Education and Citizenship Committee, we will realize our goal: an educated, literate citizenry prepared to participate fully in American life.

The program detailed below has five parts: Scholarships, Adopt-A-School/Teacher, Good Citizenship, I Love America, and JROTC. All Lodges in the State of Florida are encouraged to participate in one or more of these activities. Complete details are provided in this program and additional information may be obtained from the State Chairman for Public Education and Citizenship.

Each Lodge that engages in one or more of these activities **is strongly encouraged to utilize various media to publicize their activities.** Florida Masonry must make the public aware of our contributions to our educational system and to the development and maintenance of Good Citizenship.

The Program

The **Public Education and Citizenship Program** encourages local Lodges to establish or renew connections with high school advisors and teachers to keep them informed of the scholarship program and other educational opportunities. Local Lodges are also encouraged to establish and maintain regular contact with Scout and other youth leaders in the community to include JROTC instructors, 4-H leaders, PAL coaches, Explorer counselors, and other youth advocates. When a scholarship is presented, an award made, or youth recognized for Good Citizenship, we strongly encourage the Lodge to send a representative to the school's awards night or to the organization sponsoring the activity to make the presentation on behalf of the local Lodge and The Grand Lodge of Florida. The impact of personal contact with teachers, administrators, students, the students' parents, and the public cannot be overemphasized.

1. Public education has, in Florida and most other states, seen a steady erosion of financial and community support for its programs while experiencing new, complicated requirements for student achievement and accountability. To offset this reduction in funding the **Adopt-A-School/Teacher Program** is in place and will continue.
2. **The Good Citizenship Program** for middle school students dovetails with Florida's public education requirement that 7th grade social studies classes include the "Bill of Rights" in the curriculum.
3. **The I Love America Program** for public schools involves the presentation of a U.S. Flag that has flown over our nation's capital as well as a patriotic speaker and an award to the author of the best essay.
4. **Outstanding JROTC Cadet** enables Lodges that participate in this program to establish contact with all JROTC senior military instructors and NCOs at the high schools in their jurisdiction and to recognize outstanding JROTC cadets by requesting that military instructors select an "Outstanding" cadet. The Lodge will present the selected cadet with an appropriate certificate recognizing his/her accomplishments and, if desired, a \$100 award. The certificate and award should be presented during the JROTC unit's Annual Award Ceremony.

If a Lodge desires to make a monetary award, it is best done in the form of a check. Lodges participating in the Public Education and Good Citizenship Program should include these items in their annual budget.

As we make these presentations; as we support our local schools and teachers; as we recognize students for their accomplishments; and as we work to instill in the next generation the ideals of good citizenship, we serve the Craft. **These events present us with an exceptional opportunity to further public knowledge through the media of our Fraternity, its foundation, its goals, and the reasons that it has existed since time immemorial.**

The program outlined above is in the hands of the local Lodges and Brethren. Your Grand Lodge can provide assistance and materials, but only you can provide the motivation and implement the plans. Only you can make contact with local teachers, present scholarships to deserving students, and further the cause of Freemasonry in your community.

Fraternally submitted,

Public Education and Citizenship Program Suggested Activities

- Lodges in Florida should consider establishing contact with local funding agencies and non-profits that support public education and citizenship and inquire about financial support for Lodge activities. There are numerous such agencies and businesses in Florida, many local in nature, that make grants to not-for-profit organizations for the purpose of public service and education. **The Public Education and Citizenship Committee therefore encourages all Lodges in Florida to investigate funding opportunities for Lodge Scholarships and other worthy activities.**
- District Committeemen shall encourage Lodges to qualify for the Public Education and Citizenship Award. This encouragement should be given during the D.D.G.M. visits. The award is presented by the Grand Master at the Grand Lodge Communication.
- District Committeemen should endeavor to conduct a Public Education and Citizenship Workshop in their District. The Zone Chairman will assist the District Committeemen upon request and the State Chairman is available for advice and guidance.
- A list of special speakers should be maintained by each District Chairman to assist his Lodges in planning and carrying out Public Education and Citizenship focused programs and events.
- A list of films or videos which may be used in public presentations is available upon request.
- Local Lodges may hold special meetings to honor community leaders, educators, police, fire fighters, emergency responders (EMT), Boy Scouts, and Girl Scouts. Certificates of Appreciation, Eagle Scout, and Gold and Silver Girl Scout awards are available through Grand Lodge. **Submit requests for these Grand Lodge Certificates to the State Chairman at least one month prior to presentation (form in program book).**
- Local Lodges should establish a strong connection with the senior military instructor at high schools' Junior Reserve Officers Training Course (JROTC). Sometimes, when it proves difficult to gain admission to a school, working through the senior military instructor can solve the problem. As part of this connection, the Lodge may recognize an outstanding JROTC cadet each year by presenting them a certificate and a \$100.00 check funded by the local Lodge. **JROTC Certificates should be requested from the State Chairman at least one month prior to presentation (form in program book).**
- Local Lodges should have Masonic Youth Groups bring programs to Stated Communications. It is preferable to do this during an Open Meeting where non-Masonic guests such as parents are welcome. DeMolay, Rainbow Girls, and Job's Daughters have impressive programs.
- Local Lodges should, as part of Masonic Education as well as Public Education and Citizenship, consider including issues of community interest such as crime prevention, healthcare, and the responsibilities of citizenship. Almost all public agencies—Sheriff's Offices, Fire Departments, Social Services, Senior Centers, Health Departments, and so forth, have individuals ready and prepared to make presentations upon invitation.

- Local Lodges desiring to present Grand Lodge Certificates should contact the State Chairman one month prior to the presentation to obtain the certificate properly signed and affixed with the Grand Lodge Seal.

Masonry also has a long tradition of contributing directly to the public welfare. To this end, we can promote Citizenship through the local Lodge by:

- Volunteering time to participate in community projects such as removing graffiti, clean up and beautification projects, neighborhood watch programs, and assisting with senior citizen groups or youth activities;
- Attending and/or participating in various public activities such as Memorial Day, Veterans' Day, Presidents' Day, Flag Day, Independence Day (July 4th), Constitution Day, and other such observances. Many of our Brothers are veterans and the presence of a Lodge at a "Massing of the Colors" can be impressive;
- Conducting an Open Meeting during Americanism month and feature The Traitor Play or a special speaker;
- Consider offering the Lodge Building for community activities such as voting, blood drives, and other related activities. Those in your community who supervise these activities will be able to determine if your Lodge meets their requirements.

When a Lodge participates in a Public Education and/or Citizenship activity, it is worth the effort to submit a brief newspaper article and accompanying photograph to your local media and *The Florida Mason*. Let the public know what we, as Masons, are doing in our communities. Please send a copy of all news releases and published articles to the State Chairman.

The Public Relations and Publicity Committee is ready to assist with publicizing information about Lodge events if provided the opportunity and given sufficient notification.

**PUBLIC EDUCATION AND CITIZENSHIP
SCHOLARSHIP PROGRAM
TEN (10) \$1,000 SCHOLARSHIPS**

Each Lodge in the State of Florida is hereby encouraged to establish a strong connection with local public schools and inform them of the **Public Education and Citizenship Scholarship Program**. This may be done by establishing contact with the local superintendent and, through that office, the principals. Individual Lodges may also establish contact directly with high school principals in their community and, through them, school guidance counselors. The guidance counselor is the individual who coordinates information about scholarship opportunities. Lodges are further encouraged to **submit brief news items to local media to promote this scholarship program**. A sample of a recently published article is available from the State Chairman.

Dear (appropriate title):

On behalf of the Public Education and Citizenship Committee and our Grand Lodge Officers, I would like to thank you for your interest in our Statewide Essay Program. Attached you will find the Essay Program Rules and Guidelines as well as the Scholarship Application for the year 2023-2024.

This year there will again be ten (10) \$1,000 scholarships awarded to students throughout the State of Florida who participate in this program. All details and instructions necessary to participate are given in the attached Rules and Guidelines.

Freemasonry is committed and dedicated to the principle of Public Education for everyone. Since at least the Middle Ages, the Fraternity has maintained as a core value and goal education as a means of establishing true equality among men.

The Masonic Fraternity is a broad based, worldwide group of extremely dedicated men who contribute over three million dollars (\$3,000,000) DAILY to charities. These include, but are by no means limited to, Shrine Hospitals, Aphasia clinics, nursing homes and orphanages, and clinics for the hearing and visually impaired, as well as research on heart disease.

The formal records of our Society date back to the early 18th Century. Today there are more than four million (4,000,000) Brothers worldwide. Masons were, originally, stonemasons and craftsmen who built the beautiful, monumental cathedrals that mark the European continent. They were called Freemasons because they were highly skilled, well-educated craftsmen who enjoyed the right to travel freely and to participate in an early form of democratic governance.

Masonic history is replete with notable leaders in all fields. George Washington, Andrew Jackson, Franklin D. Roosevelt, Harry S. Truman, and Gerald Ford were members. Albert Einstein, Rudyard Kipling, John Wayne, and Ernest Borgnine were also Brothers. There are currently about 30,000 Masons in Florida who come from all walks of life.

We are not a religious organization, but we do require a belief in a Supreme Being or Deity. We strongly believe in and support individual, political, and religious freedom, as well as the right of any human to seek education and live a fulfilling existence. We offer this Scholarship Program as part of our well-grounded, ancient, and continued commitment to Public Education.

On behalf of all Florida Masons, I sincerely appreciate your participation in this scholarship program and wish you success in all your future endeavors.

Sincerely,

Dr. Oscar Patterson, III, State Chairman
Public Education and Citizenship Committee
The Grand Lodge of Florida

ADOPT-A-TEACHER/ADOPT-A-SCHOOL

The **Adopt-A-Teacher or Adopt-A-School** activity enables Lodges to directly support public education in their community. There are more schools than Lodges, so Lodges are encouraged to rotate this program among the various schools in their District. The program is most effective at the elementary school level though middle schools and high schools should not be excluded.

Once the Lodge selects a teacher at a particular school or a particular school, the Lodge should meet with the school's principal (for either aspect of the program) and explain the Adopt-A-Teacher and Adopt-A-School Program. The Brothers who attend this meeting should be prepared to answer questions about Freemasonry as well as the Public Education and Citizenship Program.

An **Adopt-A-Teacher or Adopt-A-School Certificate** with the appropriate seals and signatures of the Grand Lodge noting that the said Lodge has adopted a particular school or teacher for the purpose of volunteering their help, aid, and assistance in the education process will be presented to the school by the Lodge. This certificate should be presented at a school function or in an Open Lodge Meeting. It should be appropriately framed for display in the school's office.

Please submit requests for certificates to the State Chairman one month prior to the presentation. The required application is included in the program book.

Lodge involvement in the **Adopt-A-Teacher/Adopt-A-School** program may include but is not limited to:

- Partnership programs
- Volunteer time as a chaperon for field trips (may require a background check)
- Assist with sporting events (ticket taker, score keeper, etc.)
- Donate and plant trees and/or shrubs on school property and/or assist with maintenance
- Sponsor student participation in The Special Olympics or other such activities
- Provide a list of Lodge members who will participate in Career Days, speak on patriotic topics, or present a program
- Be a reader for elementary students (may require a background check)
- Be a tutor or mentor for a student (may require a background check)

For the **Adopt-A-Teacher/Adopt-A-School** Program, there are several ways to identify and select the school or teacher to adopt. A Brother may nominate a teacher or a school; nominations may be solicited from principals or other school administrators as well as from teachers; or a careful perusal of local media stories about education may suggest an adoptee.

When a Lodge participates in the **Adopt-A-Teacher/Adopt-A-School Program**, that Lodge should utilize local media outlets and *The Florida Mason* to properly publicize this community activity.

Today's students are tomorrow's leaders. It is our responsibility as Freemasons to assist with their intellectual and moral development. The **Adopt-A-Teacher/Adopt-A-School** Program serves to reduce the "mysterious" aspect of Masonry. As students, teachers, and administrators see that our members are their neighbors and colleagues, the reputation of Freemasonry will only be enhanced.

Good Citizenship Program for 7th Grade

The state agency responsible for public education requires that 7th grade Social Studies classes include a study of The Bill of Rights as part of the standard curriculum. Reports from throughout the State of Florida indicate that the approved textbooks barely cover the subject and do not provide our students with a full understanding of and appreciation for this most important document.

A Lodge may participate in this program by establishing contact with principals and teachers at schools that include the 7th grade. When contact is established and the program is explained, the Lodge provides to the school a copy of a poster that covers The Bill of Rights. The Lodges may copy the poster or that may be done by the school. It should be printed front-to-back and given to each student in the 7th grade Social Studies class. During the classroom discussion of this important document, the students could take notes on their copy of the poster and the teacher is able to use it as a graphic instructional tool. The students keep the poster with their notes for future reference. **A COPY OF THE BILL OF RIGHTS SUITABLE FOR PRINTING IS AVAILABLE FROM THE STATE CHAIRMAN UPON REQUEST.**

Lodges may elect to partner this program with the **Adopt-A-Teacher/Adopt-A-School** Program and offer the services of a Brother who is well versed on The Bill of Rights as a guest speaker to explain one of the most important documents in United States history.

I LOVE AMERICA PROGRAM

- Obtain a U.S. Flag that has flown over the U.S. Capitol. This can be done through your local U.S. Senator's Office.
- Establish contact with school officials at the system or school level and explain the **I LOVE AMERICA PROGRAM** and the impact it can have.
- Explain the essay part of the program and encourage teachers and principals to distribute information about the program to all students in the Fall.
- Identify the guest speaker for the event.
- Meet with local school officials and set a date and time for the program during the month of October. Contact may be made with a senior Military Instructor since his/her program tends to focus on this theme and these individuals have more flexibility in allowing guests to attend their classes and make presentations.
- Publish information about the **I Love America Essay**. **Each Lodge may establish its own rules and deadlines for submission of the essays. These rules MUST be published so that all students in the school selected can participate.**

NOTE: Should the Lodge elect to focus this program on one specific grade, it is best to include all sections of that grade in that school. It is strongly recommended that essays be submitted at least two (2) weeks prior to the presentation and that at least three (3) Brothers serve on the committee to select the winner.

- Confirm the speaker, date, time, and location of the event.
- Work with Brothers in the Lodge to organize the event.
- Conduct the program.
- Recommended program format:
 1. Opening and Pledge of Allegiance;
 2. Comments from school representatives/teacher;
 3. Master of Ceremonies introduces member of the sponsoring Lodge and the Guest Speaker. He also thanks the for school for participating in the project;
 4. Master of Ceremonies presents the U.S. Flag and announces the winner of the essay part of the program. Lodges may present a check for \$100 to the winner.

(In previous years, it was recommended that a U.S. Savings Bond be presented. The process used to obtain such a bond has changed drastically so it is recommended that the Lodge consider presenting a check instead.)

- Lodges should present an appropriate memento or certificate to the essay winner and to the school, in addition to the U.S. Flag.

Essay Evaluation: Individual Lodges may establish their own criteria for judging essays. It is recommended that the essays be no less than 500 words or more than 750 words in length. The essays should be judged by at least three Brothers. Essays should focus on the topic “**Why I Love America.**”
